Prospect	0	5	.000

Only change in Jackson County B League basketball standings on Friday saw St. Mary's standing of Medford grasp lone hold on third place. The Crusaders thumped Prospect 65 to 38 as the Cougars still went winless in the loop. Rogue River kept unscathed at the front of the pack with a 64 to 55 decision over Jackson-

ville. Talent stayed right behind in second place by crunching Butte Falls 75 to 32. Second round of play in the league begins Tuesday with Jacksonville at Talent, St. Mary's at Butte Falls and Prospect to Rogue River. Prospect, tussling on its home floor Friday at a 6 to 5 edge on the Medford team at the quarter but couldn't stay with the Crusaders in the second quarter when Laval Meunier put-in 14 points, shooting mainly from long range. St. Mary's had 26 to

12 command at halftime and the lead was 46 to 27 at the third quarter break. Meunier had a 27-point night for SM. Sid Peterson got 13 and Ron Couser 12 for Prospect. Coach George Bray at Talent used his Bulldog first string less than a half against the Loggers who were without the services Lee Abbott and Don Ellis. Period tabulations favored Talent 18 to 3, 37 to 9 and 53 to 17. Jim McAbee got 18 points for the Bulldogs, mostly on tip ins. J. Lloyd Wood was next high with 12. For Butte Falls D. R. Smith and Pat Conley each had 11. Rogue River led all the way and Gary Johnson contributed 30 points as the Chiefs got quarter margins of 21 to 15, 45 to 29 and 51 to 52. Bob Gemehlich found the hoop for 22 Jacksonville points and his teammates Dick Sanford and Ron McIntyre put in 13 and 11, respectively. Clete Daily got 11 for Rogue River.

In junior varsity scuffles Rogue River beat Jacksonville 43 to 37, Talent downed Butte Falls 51 to 37 and St. Mary's humbled Prospect 56 to 36. Center Dean Parsons of Washington led the scoring with 20 points, while guard Bill Toole sparked OSC with 15. Wade Halbrook, OSC's 7 foot, 3 inch center, was held to 13 points. Guard Bill Toole staged a single-handed rally with four minutes remaining by firing three field goals and a free throw to give the Beavers a 50-48 lead. Toole, playing a splendid game on the floor, stole the ball for a lay-in after Husky Guard Ron Olsen had knotted the count 48-48.

Washington Center Dean Parsons dropped in a crumple but Swede Halbrook countered with a pair of gift tosses. With a minute, 50 seconds left, the Beavers stalled for more than a minute until Guard Ron Robins drew a foul. He made the first attempt and Tex Whiteman tipped in the second to ice the game. The Beavers got off to a shaky start and trailed 6-0, before Robins hit with a one-hander with five minutes gone. OSC pulled away midway in the first period and led at halftime, 27-18. Both teams had a bad night from the floor. Oregon State made 18 of 61 field goal attempts for .295. Washington connected on 17 of 57 for 29.8.

Meanwhile, at Moscow, Idaho, the University of Idaho Vandals fought into an overtime period to defeat Washington State, 75-73. WSC's Ron Bennick and Bill Rehder led the scoring with 18 points each. High man for Idaho was Guard Falash with 17. Ducks Waddle To Win. The Oregon Ducks romped to an 82-71 victory over Brigham Young University in a non-conference game that saw Oregon's Jim Loscutoff, leading Northern Division scorer, set new Oregon scoring and rebound marks. Loscutoff scored 35 points for new McArthur Court, Oregon non-conference and all time school records. His 32 rebounds set another school mark, and the Ducks, 77 rebounds was a new team standard. Loscutoff and the rebounds were practically the whole game. Oregon, tied several times early in the first half, went on to a 41-31 halftime lead and commanded the rest of the contest. Oregon Coach Bill Borchert used plenty of reserves against the visiting Skyline Conference squad. Except for Guard Terry Tebbis, who scored 20 points, the BYU team did not play at the same level as the confident Ducks.

In the Southern Division, the teams from the Los Angeles area had things pretty much their way, but the teams from the San Francisco Bay area found the non-conference opponents pretty rough. The Trojans of USC won their second game of a series in the Hawaiian Islands by flattening the University of Hawaii Rainbows, 78-45. USC's Dick Welsh led the scoring with 16 points, while Forward Bill Allen championed the Rainbows with 12.

The Loggers have another particular standout in Doug Logue, 6-5, ex-Willamette ace. Longview is rated stronger than Martin Brothers Sign company, Eugene, which nicked the Cabbies recently.

Chicago—(U.P.)—Middleweight champion Carl (Bobo) Olson will meet Ralph (Tiger) Jones in a non-title fight at the Chicago Stadium Feb. 18, the International Boxing club announced Saturday. Snakes can swim, contrary to general belief. They cannot strike as far in water as on land because of lack of firm support. But their bite is almost as effective under water as on shore.

Beavers Rally To Tip Huskies 55-51; Ducks Down Brigham Young

By UNITED PRESS
The Oregon State Beavers of the Pacific Coast Conference took a big step toward a second straight Northern Division basketball championship Friday night, while the teams of the Southern Division were tangling with non-conference opponents. A crowd of 19,700 fans in Seattle watched the Beavers battle from behind in the last five minutes to down the Washington Huskies, 55-51. It was the seventh victory in a row for Oregon State, and the third in as many games over the Huskies. Center Dean Parsons of Washington led the scoring with 20 points, while guard Bill Toole sparked OSC with 15. Wade Halbrook, OSC's 7 foot, 3 inch center, was held to 13 points. Guard Bill Toole staged a single-handed rally with four minutes remaining by firing three field goals and a free throw to give the Beavers a 50-48 lead. Ameche, Shaw 'Not for Sale'

New York—(U.P.)—All-American Alan Ameche, object of "numerous trade offers" by National Football League clubs, is not on the market—at least for the time being—the Baltimore Colts insisted Saturday. Ameche, the ground-gobbling fullback from Wisconsin, was Baltimore's first draft choice and the Colts didn't have title to him one hour before they were deluged with offers for him. The Detroit Lions offered end Leon Hart, former Notre Dame all-American, plus two players for Ameche, the United Press learned. General Manager Nick Kertway of the Lions admitted: "We've made Baltimore one helluva offer for Ameche." Kellett made it plain, however, that both Ameche and George Shaw, of the University of Oregon who was the Colts' bonus pick "are not up for trade or sale." "We are going to sign Ameche for Baltimore and we do not intend to trade him," Kellett said. "The same goes for Shaw. Naturally, if we received an outstanding proposition we will consider it but we don't have any desire to trade Ameche or Shaw. You can make that as strong as you like." As in the case of Ameche, the Colts received several offers for Shaw soon after they received title to him. The San Francisco Forty-Niners offered the Colts a list of 10 players, including end Gordie Soltau, the league's leading scorer in 1953, from which they could pick if they were interested in dealing them. Shaw, who comes from a prominent athletic family in Portland, Oregon, has said he will enter professional baseball. The Colts checked with five major league clubs regarding his baseball ability and whether he would command a bonus offer. The baseball people informed the Colts Shaw was a good enough hitter to make good in the major leagues.

SOC RED RAIDER QUINT RAPS MOUNTIES 100-93
Ashland—Southern Oregon college whipped Eastern Oregon at its own game by reaching the century mark Friday night and the 100 to 93 verdict gave the Red Raiders of the Rogue a series sweep of the Mountainers from LaGrande. The Raiders strengthened their hold of first place in the Oregon College Conference hoop campaign with the Friday win after taking over the lead with an 89 to 81 score on Thursday. SOC's record is now 7 victories and two defeats. Its only losses were to Eastern Oregon at LaGrande earlier in the month. The Mounties have a 5-3 mark in the league. Keith Johnson racked up a 35 point total for the Raiders but his tabulation was slightly overshadowed by Ted Schade-witz 36 for EOC. Johnson had the best field goal effort of the year for SOC with 15. Trail at Half. The Ashlanders were on the short end of 43 to 41 at halftime and the Mountainers widened the gap a bit in the second half but by the 36-minute mark of the contest Southern Oregon was leading 69 to 60. They maintained their lead from that point. Southern Oregon changed both its offense and defense in the second half and it paid off. The Raiders who had been putting straight man-to-man, cutting through Mountainer screens, adopted a switching man-to-man. A weaving offense was used in the second half. Dick Lowrance of the Raiders was held out of action Friday because of a sore throat. SOC junior varsity nipped Northwest Christian college 56 to 54 in the preliminary. LINE-UPS: SOC 100: Schade-witz 36, Johnson 35, Smith 20, Titus 4, Johnson 35, Bates 8. Substitutions—For SOC, Springer 7, Tyberg, Love, Lillibee for SOC, Apple-gate 1, Winburn, Cochran, Savage, Quinn.

Proposed Bill Would Ban Lady Wrestlers
Salem—(U.P.)—Members of the gentler sex would be prohibited from staging wrestling contests in a ring under a bill proposed by Rep. Earl Hill of Lane County. Hill said he would propose the measure at the request of two former Lane County district attorneys who felt that women appearing as wrestlers in public was degrading. He said he would send the proposal to the House Rules Committee.

BATTING CHAMPION
Columbus, Ohio—(U.P.)—Neal C. Cobb, 28, outfielder and first baseman for the Crestview club in the Class D Alabama-Florida League, was named the 1954 minor league batting champion Friday. The National Association of Professional Baseball Leagues headquarters said the left-handed batter, who hit .432 last season, will receive the Louisville Slugger silver bat trophy.

Cabbies Face Quint From Longview

Starting line-ups were listed today for the scramble between two strong independent basketball clubs, the Fernandez Loggers of Longview, Wash., and Yellow Cab of Medford. The tilt is scheduled for 3 p.m. today and will be played at St. Mary's school gymnasium. Stu Fones and Jack Parks, a pair of 6-foot 2 inch cagers, likely will be at forwards for the Longview aggregation. Probable center is Phil Brown, 6-4. At guards may be Bob Ball, 6-1, and Fred Wilson, 5-7.

For the Cabbies, the forwards are expected to be a pair of high scorers, Ed Hummel and Johnny Foster, Chuck Stacy is the likely center with Don Wendt and Bill Werner at guards. Each club ranks high in its section of its respective state. The Loggers were Southwest Washington AAU champions last year. Big Guns. There are more college backgrounds on the Logger roster but those on the Cab team without collegiate experience made their marks in high school or are veterans of independent league and AAU competition.

Ball, Brown and Wilson have been big guns for the Longview quint in the scoring department while Hummel, Foster and Wendt fit into that category for the Yellow Cab five. Ball played for the Oregon State college Rooks, Brown for Washington state and Wilson for Lewis and Clark. Hummel played for University of Portland and Foster was all-state at Central Catholic high and played for the Oregon Frosh. Both Foster
