Medford high's basketball team has a total of exactly 900 points for its first 14 encounters this season, 287 more than their foes who have amassed an aggregate of 613. In conference scuffles alone (six games), Tornado total is 439, exceeding opponents by 180. Tornado average per game for the full season is 64.3 counters while rivals have averaged 43.8. Against loop foes the Medford mark is 73.1 per game while the opposition has scored at 43.1 rate. Pirates Win 12

Marshfield, the Black Tornado's non-league adversary this week end at Coos Bay, ranked 15th last week in the Associated Press poll. Scan of the office files shows a 12-win five-loss record for Marshfield this season. That's close to correct if not right on the nose.

The Pirates split with South Salem this last week end. They've lost two to North Bend and one to Corvallis and have split with Longview, Washington. Medford recorded a single win over North Bend. Another Tornado-Pirate common opponent was Grants Pass. Both Medford and Marshfield waxed the Cavemen, Medford more convincingly.

PRESS BOOK OUT
A Medford high school basketball press book, the first to be published in quite a spell has been prepared. It was compiled and edited by Joe Raabe, Medford Hi-Times sports editor, who has done a complete job. The book contains general information about the school; lists the coaching staff, the varsity and junior varsity players; contains thumbnail sketches of coaches and players; has the varsity and jayvee schedules; has statistics on the 1933-34 season including those of lettermen; tells the outlook for the season; lists Medford state tourney finalists and all-state players and last year's all-conference squad.

CHAIRMAN THANKS
Tom Reeder, Medford chairman for the March of Dimes, has expressed his appreciation for all of those who had a hand in the benefit basketball program last Wednesday night. The city firemen, city policemen, Andy's Jewelers, Yellow Cab, Mayor Earl Miller, City Manager Duff, and Referees Virgil Swanson, Joe Zarosinski, Mike DeVore and Lorin Jacobs were major participants. Arrangements were made by Chuck Jones, MOD special events chairman, and Bill Singler, Medford Independent Basketball League president. More than \$300 were raised for the polio fund.

SERVICE GIVEN
Already there's talk of making a Medford firemen-police basketball game an annual event. We'd like to see it continued for the MOD or some other charitable purpose. The willingness of the two city departments to give service beyond the regular call of duty is well known. There's a spirit of cooperation between the two departments which reinforces their service and deserves praise.

AAU PLAYOFFS
MIBL Proxy Bill Singler reports that February 24 is the date of the AAU district basketball play-off. The single-game affair was set by Carl Bengtson, Grants Pass, district commissioner. Senior

UNUSUAL LOW
There's a difference of opinion on whether more fouls should have been toted on Crater high in its basketball game with Phoenix Saturday night but the low number, only four, and all in the second half, dates as unusual, at least.

B Leaguers Vie Tonight On 3 Courts

There is nothing but non-league activity this week for basketball quintets of the Southern Oregon Conference Big Four.

Leader of the Big Four, Medford's potent Black Tornado, which rested last week, swings back into competition with a kings-x series, opposing Marshfield at Coos Bay on Friday and Saturday. The rip-roaring Tornado won't be seen on its home court until February 12 when it entertains Grants Pass.

Asland, tail-ender of the loop will travel to Roseburg on Tuesday while Grants Pass will be host to Roseburg on Friday. The top clubs, unbeaten Rogue River, and once-tripped Talent, are expected to keep their places in the Jackson County B loop. Three games are billed this evening, Jacksonville at Talent, St. Mary's at Butte Falls and Prospect at Rogue River. Friday skirmishes will be Jacksonville at Butte Falls and Talent against St. Mary's in Medford.

In the Rogue league on Friday Crater will play at Eagle Point and Phoenix journeys to Cave Junction to play Illinois Valley. Saturday night tangles take Illinois Valley to Phoenix and Eagle Point to Central Point against Crater. Crater holds two previous wins over Eagle Point, which appears to be on the upgrade. Phoenix split with Illinois Valley when loop play opened but since then has divided with Crater and won twice from Eagle Point. Crater and Eagle Point have won by wide margins over IV.

Tourney Won By Mayfield

By HAL WOOD
Palm Springs, Calif. — (U.P.) — It took 92 holes of the most gruelling golf he ever played to do it, but blond Shelley Mayfield of Chico, Mass., today has his most-satisfying victory.

He won the \$15,000 Thunderbird Invitational Monday by first defeating Fred Haas, the defending champion in 18 holes and finally eliminating big Mike Souchak, the former Duke university football star from Durham, N.C., on the 20th extra hole.

This trip had gone the originally-scheduled 27 holes in a deadlock with some of the greatest golf in years. They ended up with 270 totals — 18 under par.

At the end of the next 18 holes in the play-offs, Mayfield and Souchak were three under with 69 and Haas two under with 70. But Haas was eliminated and became a third place finisher, after three-putting the 18th.

ARM BROKEN
Larry Perkins, 15, Medford high school junior varsity basketball player, suffered a broken arm in basketball practice yesterday afternoon, according to Sacred Heart hospital attendants. He spent the night at the hospital and was released this morning. He is the son of Mr. and Mrs. Alva Perkins, 2322 East Main st.

MHS Keeps Top Rating In Both Polls

Portland — (U.P.) — Medford high cagers were still hanging on to top spot in the Journal's weekly basketball poll today, but some other teams got changed around.

The Journal's board of coaches gave Medford 78 out of 80 points, with one first place vote going to Eugene and Milwaukie. The Mustangs and the Eugene Axmen were ranked No. 2 and 3 respectively last week.

St. Helens, the state's only unbeaten class A team, was dropped from 4th to 5th place by a North Bend team that's riding a 12-game winning streak.

The leaders.

OSC Queries Pool, Prothro For Top Job

Corvallis — (U.P.) — It was two down and two to go today as interviews for the head football coaching job at Oregon State continued here.

Glenn W. Holcomb, chairman of the board of athletics, declined comment as to when a successor to Kip Taylor would be named.

Hampton Pool, resigned coach of the Los Angeles Rams, and Tommy Prothro, assistant coach at UCLA, were interviewed yesterday. Skip Stanley, head coach at Idaho, and Herm Meister, line coach at California, were to be interviewed today.

Pool was impressed with the athletic plant here and said "It's the best physical plant for a college I've ever seen." Pool is a T-formation man.

Prothro, son of the former major league baseball manager, expressed preference for the single-wing type of football used by his present boss, Red Sanders. Prothro played quarterback for Duke in the 1942 transplanted Rose Bowl game against Oregon State.

OAK GROVE WINNER

Oak Grove was winner over West Side grade school in two games and a volleyball tussle last week. In boys' basketball the Grovers won the jayvee tilt 26 to 14 and the varsity mix 22 to 20. Oak Grove took the girls' volleyball game 21 to 13.

Georgia Tech's 'Iron Men' Do It Again to Kentucky

By JOHN GRIFFIN
United Press Sports Writer
Georgia Tech's "Iron Men" did it again.
On their own court at Atlanta, Ga., Monday night, the Iron Men—who sprang basketball's biggest upset of the season on Jan. 8 by beating Kentucky, 59-58—did it again and did it more impressively in an astonishing 65-59 triumph over the nation's No. 1 team.
"It's the greatest thing I ever

saw," whooped jubilant Tech Coach J. C. Whack Hyder. "That is, it's the greatest thing since Jan. 8."
Kentucky has been on fire for revenge ever since Tech, using only five players for the entire game, scored that first surprise at Lexington, Ky., smashing Kentucky's 129-game home court winning streak and 32-game all-games winning streak.
But this time Tech led all the way, sometimes by as much as

14 points, and cruised easily to victory despite Kentucky's all-court press throughout the entire second half. Again, Tech used only five players—with one change from the first game because of the absence of injured Lenny Cohen, the team's ace rebounder.
Little Joe Helms, whose push shot with three seconds to play beat Kentucky the first time, was the sparkplug of the Tech attack and its leading scorer with 24 points. Tech jumped off to a 3-0 lead before Kentucky scored, rolled to a 32-24 halftime bulge, and then held on despite Kentucky's frantic all-court press.
"If it had gone on a few minutes more, we would have had them," said dejected Coach Adolph Rupp of Kentucky. "We were going fine in the last five minutes."
Actually, Kentucky collected 27 field goals to Tech's 20, and in the bargain, grabbed 43 rebounds to Tech's 34. But the free throw figures were fatal for the Wildcats: Tech sank 25 of 34, Kentucky only five of 15.
The loss, only the second for Kentucky in 14 games, cost the Wildcats a chance to take over the Southeastern Conference lead. Instead of moving ahead of Alabama, which suffered its first league defeat, 76-74, to Florida, Kentucky dropped to fourth place.

SF DONS SURGE INTO 2ND SPOT IN RATNIG

By NORMAN MILLER
New York — (U.P.) — San Francisco, winner of 14 out of 15 games on an "old-fashioned" formula of strong defense, moved up to a challenging position

nerup, produced some changes near the top of the ratings, Utah (14-2) moved up one place to third behind San Francisco, and LaSalle (14-4) jumped two spots to fourth.
North Carolina State, beaten by Villanova for its fourth setback in 20 games, fell from second to sixth place. Duquesne (9-3) UCLA (13-3) and George Washington (13-3) all retained the rankings of last week, fifth, seventh and eighth, respectively.

New York — (U.P.) — Oregon State, winner of eight straight in the Northern division race, moved up a few notches in the United Press basketball ratings this week.
OSC ranked 19th last week but now is tied with Holy Cross for 15th in the nation. UCLA tops the PCC teams, ranking in seventh position.

behind top-ranked Kentucky today in the United Press college basketball ratings.
During the slowed-down activity because of mid-season examinations, Kentucky remained the nation's No. 1 team for the sixth straight week, but two new teams broke into this week's top 10. Minnesota, the Big Ten leader, returned to the select group after an absence of one week, and Marquette, possessor of the nation's longest winning streak, made it for the first time this season.
Coach Adolph Rupp's Wildcats, who labored through a 75-71 victory over Vanderbilt last Saturday, received 22 first-place votes from the 35 leading coaches who made up the United Press Rating Board, but their point margin over the runner up team was reduced from 83 to 33 points.

Dons Tough Defensively
San Francisco, the best defensive team in college basketball with an average yield of only 49.7 per game, was the No. 1 choice of nine coaches. Kentucky, winner in 12 of its first 13 games, outscored the West Coast team in points, 321 to 288.

Third Major Baseball Loop Is Predicted
San Francisco — (U.P.) — Claire V. Goodwin, president of the Pacific Coast League, predicts the Pacific Coast eventually will have major league baseball, but in a third major league.
In a telegram to Will Harridge, president of the American League, Goodwin said yesterday he was pleased that American League directors decided against doing anything about realignment at the present time.
He said the PCL was one of America's oldest loops and its territory has the fastest growing population in the United States.
"People out here are entitled to the best," he said. "I am confident that if we all work together, a third major league will be the eventual result."
