The thrill of living in the great out-of-doors with other Scouts, all living the Scout Oath and Law.

THANKS!

The Council extends to all who have had a part in bringing a better Scouting Program to the boys in 1954 their most sincere appreciation for a fine job well done, and at the same time, extends a challenge to all adults in every community to help the Council provide a richer, fuller program for the boys of the Crater Lake Area Council through Scouting during the year 1955.

We wish to thank all those who invested in the United Medford Crusade, the Ashland-Talent Youth Drive and all the Boy Scout Campaigns which have made it possible to finance the Scouting program in our Council.

CRATER LAKE AREA COUNCIL

Boy Scouts of America

Hi, Fellows!

We want to invite you to be our special guest at our next Pack, Troop or Explorer Post meeting. We want you to join with us in the fun and many activities that we do. So, if you are 8, 9 or 10, your school has a Cub Pack that you can join with your many friends. Just ask them and they can tell you all about it. You fellows of Boy Scout age, 11, 12 and 13 years old, the church, school or service club in your community sponsors a Scout Troop. Why don't you ask your buddies and you will be more than welcome in the Troop.

There are not as many Explorer Units (Air Scouts, Sea Scouts or Explorer Posts) as there are Packs and Troops but there will be one close enough for you to join if you'd like to meet and do things with a real gang of fellows.

If you can't find a Cub Pack, Scout Troop or Explorer Post, just call, write or come into the Scout Office at 500 East Main Street in Medford. We will certainly be pleased to find a Unit for you. How about you who are Cubs, Scouts and Explorers now inviting a new boy to join your Unit this week?

And say, Dad — we have lots of room for you, too, as a leader or in many other positions in Scouting. And, Mom — we welcome you as a Den Mother and a mother of a real live-wire son in Scouting.

Welcome to the biggest and greatest boys' organization in the world. We are proud to have you join with us in building for a better tomorrow.

Sincerely,

J. A. McDougall
Commissioner

Dr. Elmo N. Stevenson

WHO SPONSORS SCOUT UNITS?

All Cub Packs, Scout Troops and Explorer Posts are owned and conducted by the organization that sponsors the Unit. In your Council, many of the Cub Packs are sponsored by P.T.A.'s. The majority of the Scout Troops and Explorer Posts are sponsored by churches and Service Clubs.

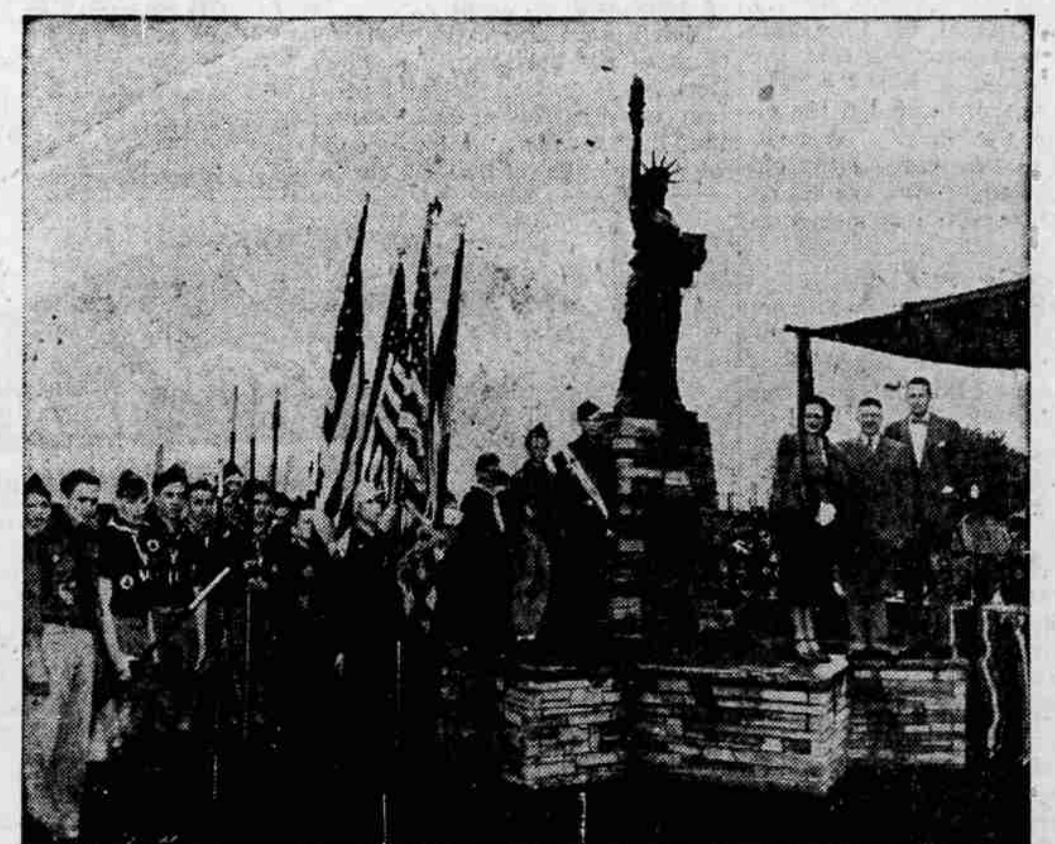

The Boy Scouts of America loan the program, uniform, badges and insignias to the Sponsoring Institution to be used by and for the young men in their Unit and Community.

The Crater Lake Area Council is charged with the responsibility of training and aiding the volunteers in leadership capacities so that they may do a more thorough job leading the boys in the Scouting Program.

Each Sponsoring Institution appoints one man called the Institutional Representative, who has the responsibility of assisting in the planning and directing of the Scouting program and activities in the Council and to vote on policies and Council Officers for each year.

STATUE OF LIBERTY

In Hawthorne Park of Medford stands a replica one-nineteenth the size of the original Statue of Liberty. This statue was erected by Friends of Scouting and dedicated on May 4, 1951 by Secretary of the Interior Douglas McKay, then Governor of the State of Oregon. This is one of a very few replicas of the statue that has been erected throughout America. No other organizations have produced replicas to be placed out-of-doors. The Boy Scouts erected this statue to emphasize Good Citizenship and character building and to place our Liberty symbol where many more people can look up to it in all its splendor.
