ALWAYS TIRED?

You may be dangerously taxing your entire system when you allow fatigue, nervousness, poor appetite and sleepless nights to drag you down because your body is vitamin and iron starved.

\*These symptoms may have other causes. See your doctor for a complete check-up.

Bexel Helps Build Rich Red Blood Fast! Each high-potency BEXEL Special Formula capsule gives you 5 times the daily minimum requirements of iron; more than the daily minimum requirements of all the B-vitamins that doctors will tell you are essential for proper nutrition; plus Vitamin B12 and trace minerals. These wonderfully strengthening capsules are recommended for mothers-to-be, when a deficiency of iron and vitamins is vitally important to their health. Bexel Special Formula is especially important if you are over 40. Take 2 capsules daily for double potency! At all drug stores.

Penny for penny—you get MORE value in just one high-potency BEXEL Special Formula Capsule! Feel better—Look better—Work better OR MONEY BACK! A MCKESSON PRODUCT

They'll Do It Every Time

By Jimmy Hatlo

A Nichol's Worth of . . . Comment On This and That

By HARMAN W. NICHOLS United Press Feature Writer

Washington — (U.P.)—The newest page in the Congress news housebreaking.

Charles Clement Jr. did a lot of coffee shagging, peddling of official papers and a d scraping and bowing in the Alabama State Legislature. You might call

harman nichols the lad, who is 14, a graduate student.

Charlie, a personable lad with coal black hair, has just arrived in our midst. There was no mistaking him when he came in. He was stretching high onto six feet, almost as tall as his famous pappy who was with him.

The boy, whose family now lives in Memphis, Tenn., was nominated to a Senate page job by Democratic Sen. Albert Gore.

Back in the 1930s Charles the First, Charlie's pappy, was famous at the University of Alabama as a tackle. Fact is, his dad was captain of the Rose Bowl in 1931 and licked the tar out of Washington State, 24 to 0.

Charles I, incidentally, played a lot of tackle last year at East High School in Memphis and regrets that he can't do the same with the page boys in the Senate. They don't have a team, although maybe they ought to.

Although the younger Clement loves sports, he is a little more on the serious side. Already, he has a promise of a scholarship to Harvard when he finishes his first tour of the Senate Page School, for which he will get high school credit, and goes back to his own high school to get his diploma.

"Boy," he said, "I want to get into the Harvard pre-law school. I know I can make it." The confidence of a champion!

Charles, the younger, already is enrolled in the page boy

at the courthouse in the city of Medford, in said county, has been fixed by the above named court, at the time and place for hearing objections to said final report and account and for the examination and allowance thereof. Dated and first published this 1st day of February, 1955. STUART L. FORBES, Administrator NEFF, FROHMAYER & LOWRY Attorneys for Administrator

No. 9352 NOTICE IN THE CIRCUIT COURT OF THE STATE OF OREGON FOR JACKSON COUNTY PROBATE DIVISION In the Matter of the Estate of ANDREW J. HECKLER, Deceased. NOTICE IS HEREBY GIVEN that the undersigned as executor of the estate of the above named decedent has filed his final account in the above entitled estate and the above named court has fixed the 7th day of March, 1955 at 10:00 o'clock A.M. in the Circuit Courtroom at the Courthouse in Medford, Oregon, as the time and place for hearing objections to said account and for the settlement thereof.

WASHDAY WAS DRUDGERY in Grandmother's day . . . long hours of sweating, straining, back-breaking work. Today's housewife uses a modern washer and dryer. Manufacturers have reduced washday chores to a turn of a dial.

But to mass produce millions of washers and dryers, manufacturers must be able to sell them by the millions. Only by advertising can a manufacturer talk to millions of people at one time.

ADVERTISING TELLS the story of new home appliances . . . and helps sell them. The more it sells, the more must be made—keeping the production lines and the jobs going. The result? newer, better home appliances at prices more people can afford to pay. Advertising helped make the difference—in home appliances, and in our American way of life.
