

ON WEDNESDAY PROGRAM—Pictured above are (left) John H. Landers, animal husbandry specialist at Oregon State college, and (right) Miss Dorothy Sherrill, extension marking specialist, who will take part in the program of the Eighth annual meeting of the Jackson County Stockmen's association Wednesday, Feb. 16, at Central Point Grange hall. Landers will demonstrate meat cutting, and Miss Sherrill will identify various meat cuts and explain how to prepare and serve meat dishes. The demonstration, which will start at 1:30 p.m., will be open to the public.

Around Hollywood

Hollywood — (U.P.) — Shelley Winters, who strives to be dignified these days, has changed her mind about men—she now goes for intellect, not muscles.

This change of heart is part of the new Winters program to be more mature and conservative and not to discuss her private life. Personally I liked the old Shelley, but the new one has her interesting points. And the old version still peeps through. "I get very bored when I go out with young muscles," declared the vivacious blonde as she prepared for wardrobe tests for her new Warner picture, "The Jagged Edge."

4-H Club News

Howard 4-H Cooking Club
On Jan. 31, the Howard 4-H cooking club met at the home of Colleen Franek. There were four regular members present and our leader, Mrs. Thurman Barnes. We welcomed three new members, Mary Lou Head, Mary Stewart and Judy Gebhard. Colleen Franek made and baked a sponge cake as a demonstration, during the meeting. Jackie Gillaspay will give the demonstration at the next meeting. Mrs. Barnes gave each member an assignment to carry out between meetings. At the close Colleen served cake and milk for refreshments. The next meeting will be held at Mrs. Barnes' home on Feb. 28.

Central Point Club
Central Point Swine club met at the home of James and Russell Frink Jan. 24, called to order by President Russell Frink. Plans were made for a display for National 4-H club week, Mar. 5 to 13. A committee elected to complete the plans includes Gary Legler, Willie German, Rose Marie Legler and Willie Debrick.

We studied and discussed the main points that buyers look for in market hogs, as they do not want fat hogs any more. Refreshments were served by Mrs. Frink. Next meeting will be held at the Legler home on Feb. 28, at 8 p.m. All members are asked to bring swine equipment, also pictures and ribbons from last year's project.

Southwest Medford Sewing Club
A meeting of the Southwest Sewing club was held at the home of our leader, Mrs. Perry Strom. We talked about going swimming at the YMCA on March 5 and skating at the Rogue Valley Ball room Friday, Feb. 11. We also talked about a talent show that will be held Monday, Feb. 14, at the junior high school. The show will cost 25 cents for grade school children and 50 cents for adults and high school students. The next meeting will be held at the home of Mrs. Strom on March 5, from 9:30 a.m. to 12 noon.

British MP Says U.S. Faced With Wall in Formosa

San Francisco — (U.P.) — The Hon. Richard Wood, 34-year-old son of Lord Halifax and member of parliament, said Friday the United States is "faced with an absolute brick wall" in Formosa, but would be wrong to give way. "There is no conceivable solution to the problem of Formosa at present," he told a news conference in San Francisco, "but there may come a day when propaganda is not the main purpose of the Communists and some sort of settlement is."

Later Wood addressed a Commonwealth Club luncheon as part of his British Information Service tour to urge cooperation, discuss Anglo-American differences, and observe American opinion. The principal difference, he said, is over Britain's diplomatic recognition of Red China which he explained resulted from Britain's acceptance of the "very unpleasant fact" that the Reds rule the China mainland. Woods, who lost both legs in a war-time battle near Tripoli, said the U.S. and Britain should not let their differences get "out of proportion" to their vastly greater mutual aims. He described U.S. leadership in the world as "absolutely indispensable."

Two Crack Trains Derailed; Only Minor Injuries Listed

West Union, Minn. — (U.P.) — Passengers from the Great Northern streamliner Western Star congratulated one another Saturday on their calmness in a broken-rail wreck that injured 40 persons slightly and derailed or overturned 11 of the 12 cars in the Friday night wreck.

40 Get Hospital Treatment
Forty passengers were hospitalized or treated and released at Alexandria and Sauk Center. In addition, one rescue worker required treatment for an injury suffered at the scene. "The people showed no hysteria," said Ercal Aga, part owner of radio station KXRA at Alexandria.

Other witnesses said the passengers were "surprisingly calm" as firemen, doctors and others removed the injured. **Cold Blamed**
The train, which left Seattle for Chicago Wednesday night, was carrying 190 coach and Pullman passengers. The accident came when a rail snapped, apparently because of the severe cold. Some cars came to rest nearly 100 feet from the tracks. Four were on their sides in a snowy field and seven others were derailed. Passengers who stopped in the Twin Cities early Friday said there was a jolt and they felt as if they were "floating" down the embankment. They said "no one panicked."

The broken rail "curled up like a pretzel," under the weight of the engine an eyewitness said. The engine rolled a quarter-mile down the roadbed although it was partially derailed. Ercal Aga, of Alexandria, said one woman called out from the train, "I'm pregnant, do you think I should get out first?" Someone promptly helped her out.

Nixon's Goodwill Tour Said Success; Leaves Mexico City

Mexico City — (U.P.) — Vice-President Richard M. Nixon left Mexico City by plane for Guatemala Saturday on the third leg of his month-long goodwill tour of Central America and the Caribbean.

Before leaving, Nixon talked to reporters at a press conference in the U.S. Embassy. Nixon described Mexico as politically "mature and stable" and an economically "awakening giant." **Good Relations Important**
He said that President Eisenhower "thinks there is no more important objective of U.S. foreign policy than good relations between Mexico and the United States."

Nixon praised Mexico's President Adolfo Ruiz Cortines as "one of the greatest national leaders of this age," and credited his leadership for the political and economic progress of this country in recent years. **Visit Successful**
Observers agreed that Nixon's three-day visit to Mexico was highly successful. He won the acclaim of the public and press for his informality. His willingness to chat and shake hands with anyone delighted and amazed Mexicans.

Guatemala is the third stop of Nixon's 7500-mile goodwill tour. Cuba was his first. On the eve of his departure, Nixon conferred for two hours with Mexican President Adolfo Ruiz Cortines at the U.S. Embassy. Details of the conversations, their third, were not disclosed. **50,000 To Be Moved**
The evacuation plan calls for the removal of 50,000 to 60,000 natives from Sophiatown, now classed as a "white area," to Meadowlands, a native suburb. Unofficial estimates Wednesday said nearly a third of the natives scheduled for removal that day failed to show up at the government trucks sent to take them away. The evacuation was carried out under protection of 2000 police armed with machineguns.

46 Kiwanians, Wives At Kapers Rehearsal

Forty-six Medford Kiwanians and their wives were on hand for a Friday night rehearsal at the senior high school for the annual Kiwanis Kapers.

The club members and their ladies make up the second act singing chorus for the musical production, but form only a small portion of the cast which will present "Tel-A-Version" at the high school auditorium on Feb. 23, 24, 25 and 26. First act talent has been recruited from both within and outside the Kiwanis club.

To Be Different
Second act presentation will differ from past shows in that there are no black-faced end men or clowns. The act will be "Telescope Review" in the Fred Waring manner. There will be specialties along with the choral work. Sally Champlin, vocalist in past Kapers, is featured again this year.

Don Hansen, Lassen Theatrical productions, Hollywood, Calif., advance director has been turning in both day and night duty, putting the show together for Randy LaFerr, director for the same firm. LaFerr is to arrive in town next Wednesday and will put the finishing touches on the production. **Take-Off Theme**
Take-offs from various TV programs provide the theme for the Kapers and there will be a

variety of scenes in the first act with dance chorus routines, songs and skits. The show is the big activity each year for Medford Kiwanis club. Funds are used for surgical and medical and dental assistance, food and clothing and other help for needy youngsters. Tickets are on sale now at many stores where there are Kiwanis members. Cards in the windows of the firms indicate where the tickets are available.

South African Police Nab Eight for Spreading Strike

Johannesburg, South Africa — (U.P.) — Police arrested eight Negroes Saturday for trying to spread a protest strike against the removal of 60,000 natives from a Johannesburg "white district" under the government segregation policy. **Call Said Flop**
Police Commissioner P. Grobler said the strike call was a flop.

The strike was called for Saturday when additional families were to have been removed from their Sophiatown settlement in Johannesburg to the government-sponsored Meadowlands project further out of town.

But the government announced no families were being moved Saturday and that the next mass removal was to come next Saturday.

The evacuation plan calls for the removal of 50,000 to 60,000 natives from Sophiatown, now classed as a "white area," to Meadowlands, a native suburb. Unofficial estimates Wednesday said nearly a third of the natives scheduled for removal that day failed to show up at the government trucks sent to take them away. The evacuation was carried out under protection of 2000 police armed with machineguns.
