

Medford March of Dimes Figure Reaches \$19,424.91; More Due

Based on figures of money already tabulated, the January March of Dimes campaign in Medford totaled \$19,424.91, according to Thomas J. Reeder, city chairman. Money known to be outstanding in pledges is expected to raise the total by \$500, Reeder said. Last year's campaign in Medford brought \$20,125.62.

Reeder said he was well pleased with the results of this year's campaign in Medford and said the city will rank high in the state and nation when compared on a per capita basis.

WRONG DATE

Wallingford, Conn. — (U.P.)—Democrats here were a little red-faced when they realized what date they picked for a victory celebration. They chose Feb. 12, Lincoln's birthday, and biggest banquet day of the year for Republicans.

Memphis, Tenn.—(U.P.)—A motorist stopped by police because they didn't see a city inspection sticker on his automobile, insisted he had a sticker and pulled down the car's sun visor to prove it. Out fell the sticker—plus two traffic violation tickets dated several months before. He beat the \$5 inspection sticker fine, but had to pay a total of \$22 on the old violations.
