### Council OKs Plan To Pave Jackson; See Annual Audit

Paving of East Jackson st., from Lindley ave. to Berkeley Way, was approved last night by Medford's city council.

Only one oral objection to the project was made at the meeting. Some 60 per cent of the property-owners involved have signed petitions favoring the project.

The street runs along the south of the new east side junior high school.

The annual audit of city books was presented to the council by Leland Knox. It includes a 50-page report and recommendations.

The new franchise with California-Pacific Utilities company will be drafted and ready for action at the next regular council meeting. The present franchise expires on March 25.

James H. Free, representing Avis Rent-A-Car, service, requested the council to consider leasing him space in the airport terminal building for rental car service to airport patrons. The airport is already served by the Hertz system. Action was delayed pending study by the council.

A request for approval of two driveways on North Riverside ave. for the Al Dumas Domestic laundry was referred to committee. The owners propose to install a drive-in area for customers.

Two-hour parking on the south side of Eighth st. between Grape and Holly sts. was approved on a temporary basis.

Two matters were held over until the next meeting, a driveway request by George Goodman and airport lease for fixed base operations by George Brothers.

Bids of \$1,200 and \$800 for two lots in the Euclid Park addition, Block 5, were rejected.

A group of Boy Scouts from Troop 9, sponsored by the First Christian church, attended the meeting as a part of their work on citizenship merit badges. (See story on Page 1)

### Edward Robinson Jr. Joins Dad in Court

Hollywood — (U.P.) — Edward G. Robinson Jr., 21, has joined his father in the divorce courts after former show girl Frances Chisholm, 25, sued him for a divorce because he failed to "reform."

Miss Chisholm reinstated an earlier suit for separate maintenance yesterday and asked it be changed to a divorce action. The action first was brought last June 18 but was taken off the court calendar when the couple reconciled briefly.

Robinson's father was sued for divorce last Friday by his wife of 28 years, Gladys Robinson.
