

Halbrook Spurs Oregon Staters To 82-75 Win in Bruin Series

Corvallis, Ore. —(U.P.)—Thirty-five scoring efforts by Wade (Sweide) Halbrook Friday night sparked the Oregon State college Beavers as they drew first three 82-75 in the two-out-of-three play-off with the UCLA Bruins for the Pacific Coast Conference basketball championship.

The score was tied four times in the first half, although Oregon State led by as much as nine points at one time. The Northern Division champions held a 44-40 halftime lead.

Both teams used a zone de-

fense, and the Beaver victory was obviously a case of Bruin center Willie Naulls being unable to defend against the taller Halbrook, who hit for 17 points in the first half and 18 in the second. He also grabbed 17 rebounds for honors in that department.

UCLA's Johnny Moore was high for the Bruins and second high for the game with 21 points.

Intense Play
Play in the second half was as intense as during the first period. UCLA erupted to within one point of Oregon State early in the second period and managed to narrow each Beaver lead. But with three minutes to play, OSC went into a stall and easily held

its advantage until the game ended.

St. Vincent Races to Win

Arcadia, Calif. —(U.P.)—English-bred St. Vincent, ridden by English-born Johnny Longden, raced to a neck victory over Determine Saturday in the \$115,900 San Juan Capistrano handicapper over Santa Anita's hillside and infield turf course.

St. Vincent, installed the five to two favorite by the crowd of 58,000 racing fans, justified their choice by closing with a great rush to nip Determine at the wire. It was Longden's ninth stakes victory of the meeting.

Race Thriller

The race over the course of about a mile and three-quarters proved a thriller as coming into the stretch three horses were lined up dead even with St. Vincent behind them. In the front row were Gigantic, Poona II and Determine. But at the finish it was St. Vincent the winner over Determine, with Gigantic third and Aldon fourth.

Artic Way, the Irish horse flown here from Shannon for this one race, finished last in the field of 13 starters.

The winning time of 2:46 4-5 broke the track record of 2:52 2-5 set last year by Sir Greek, a cheaper horse.

Marty Furgol Leads Baton Rouge Tourney

Baton Rouge, La. —(U.P.)—Marty Furgol, who has won only two major tournaments in eight years, pulled through under pressure Saturday despite a double bogey for a one-under-par 71 to keep a shaky lead in the \$12,500 Baton Rouge open with a 54-hole total of 205.

The hefty 83-year-old Lemont, Ill., pro, who has been up and down in his tournament play, shot a 34-37 to force to a one-stroke lead over little Jerry Barber of Los Angeles, who was in a tie with Furgol at the start of Saturday's round with a 124, and blond Jimmy Clark of Laguna, Calif.

Barber's precision game was off Saturday and he had to settle for a par 35-37-72. Had he been able to sink either of two short putts he would have remained tied with Furgol for the lead.

Clark turned in the lowest score of the day, a brilliant 65, to zoom up to a second-place tie from his sixth position of Friday.

Raider Outlook Good in Track

Ashland—Despite the loss of several top lettermen from last year, track and field outlook at Southern Oregon college is considered good.

Four lettermen are back, LeRoy Springer, Bruce Friend, Jerry Livingston and John Arnold. Returning also after a year lay-off is Glen Nelson, pole vaulter and high jumper.

Friend and Livingston are middle distance men and they and Springer were on the relay team last year. Springer and Arnold are field event participants.

Expected to run in the sprints are Clarence Baker, Kenna Gande, Dean Reeter, Rick Nagel, Wally Parmelle and possibly Jim Shrum. Parmelle also may try the middle distances along with Ray Reed, Pat Niles, Ike Eisenstein and Chuck Crandall.

Paul Hartmet, Jim Stuckey and Norvel Helm are distance candidates. Jim Watrus, Dick Stamm, Terry Martin and Gene Lester are hurdlers. In field event contention are Joe Morgan, Walt Hurst, Cecil Ownings, Art Schmidt, Ken Wicks and Coy McFarland. Bill Stewart and Hal Titus, Reed, Baker, Crandall and Parmelle may vie for relay positions.

Saxton Slates DeMarco Bout

Boston —(U.P.)—Welterweight champion Johnny Saxton of Philadelphia signed a contract here Saturday to defend his title at Boston Garden April 1 against Boston's Tony DeMarco.

The 15-rounder, sponsored by the Callahan AC, will be Saxton's first title defense. He won the welterweight crown last October from Kid Gavilan.

Saxton, 24, has a record of 48 victories in 51 professional bouts. DeMarco's record is 46 wins in 50 fights, including 30 knockouts.

Ski Conditions

Good to excellent skiing is anticipated today at Crater lake, the park ranger's office said yesterday. Roads to the lake were open Saturday but motorists were advised that chains might be needed today and should be carried. There had been no new snow at Crater for two days according to yesterday afternoon's report. Total snow depth on the ground was 88 inches compared to 119 a year ago. No wind was blowing Saturday. The sky was clear and the sun warm. Temperature hit one degree below zero Friday night and was eight above at 8 a. m. yesterday.
