

Cards Club Bob Turley

By FRED DOWN
United Press Sports Writer

The New York Yankees "penant-winning" winter deal with the Baltimore Orioles looked like a \$250,000 lemon today in the wak of the most humiliating Grapefruit league opener in their spring training history.

With Bob Turley, the key man in the massive, 16-player transaction, treated like a batting practice pitcher, the Yankees were crushed 7-0 Thursday by a St. Louis Cardinal team composed of Stan Musial and eight rookies. What's more the proud New Yorkers were limited to just one hit—an infield dribbler—by a quartet of rookie pitchers without a single inning of major league experience among them.

The Cardinals, meanwhile, rocked Turley for seven runs and eight hits in three innings. The big fireballer struck out two batters but he walked three and three of the hits he yielded went for extra bases.

California Commission Requested To Recognize Raul Macias as Champ

San Francisco (U.P.)—Anthony Petronella, president of the National Boxing Association, has asked the California Athletic Commission to recognize Raul Macias of Mexico as bantamweight champion.

Macias won the NBA title by stopping Chamrern Songkitrat in the 11th round of a 12-round fight Wednesday night in San Francisco's Cow Palace.

The California commission refused to recognize the bout as a title affair. However, Petronella asked it yesterday to reconsider.

GRACIE ADVANCES

St. Augustine, Fla. (U.P.)—Gracie DeMoss Smith advanced to the semi-finals of the Florida East Coast Women's Golf tournament yesterday with a 4 and 3 victory over Mrs. Maurice Glick of Baltimore. Barbara Romack, Marjorie McMillan and Mary Ann Downey also were in the semis.

McMURTRY VICTOR

Tacoma (U.P.)—Heavyweight Pat McMurry made it 14 victories in a row last night with a third-round knockout of Hans Friedrich of Germany. Twelve of the 14 wins have been knockouts. McMurry weighed 190, Friedrich 202.
