## World Famous Pianist Coming Monday Night

Alexander Brailowsky, distinguished Russian pianist who will be heard in recital here Monday, March 14, has given concerts in every country on the globe with the exception of a few in South Africa. The pianist will play at Medford Senior High school auditorium under the sponsorship of Jackson County Civic Music association, and curtain time is 8 p.m.

Brailowsky is a great favorite in South America, and in Buenos Aires he played 17 concerts in eight weeks without repeating any work. In the United States, Brailowsky is ranked among the top few pianists and he has played six sold-out Carnegie hall recitals in one season.

The season of 1924-25 brought Brailowsky to America for the first time, and his success was instantaneous and enormous. He came for six weeks, remained four months and has returned regularly since for scores of engagements. There is not a great symphony orchestra with which he has not played repeatedly, and hardly a city in the United States where he has not been acclaimed.

His Chopin cycle has been hailed as an outstanding artistic event three times in New York, as well as in the music centers of Europe and Latin America.

The present population of mountain lions in California is believed to be about 600 adult animals.

## Girl Scout Window Displays Mark Week of Anniversary

To focus attention of National Girl Scout week, special displays were arranged in the windows of several establishments in Medford and other towns of the valley. The displays portray the program and activities of the organization.

Washington school, with Mrs. L. W. Buonocore as neighborhood chairman, displayed hand-crafts such as earrings and boutonnières in Freeburger's. A novel Easter egg tree made by scout and Brownie troops was also displayed.

St. Mary's neighborhood selected the theme of sports — "sports build healthy minds and bodies." In the Medford Stationery window a Girl Scout ski patrol mountain scene was depicted against an evergreen background, with colorful posters representing various sports Girl Scouts love. Mrs. Paul Haviland heads the St. Mary's neighborhood.

Mrs. Maurice Ritchie, Jackson school neighborhood chairman, and her Scouts illustrated many Girl Scout activities in a Jackson County Federal Savings and Loan window display. Pipe cleaner figurines in scout uniforms were shown at games, in the flag ceremony and around the campfire. Samples of many crafts were also on display such as blockprinting, embroidery and embroidered pictures, nature study and hand painted merit badge posters.

J. C. Penney's scout window featured a display by Lincoln school on the general theme of Girl Scout Week. There were poster — paintings illustrating each of the ten Girl Scout laws, and bright posters representing various fields of badge work. Also troop literature and craft

work were exhibited, such as sewing, block-printing, scrap books, and knitting box-bags. Mrs. F. J. Fagone is Lincoln school chairman.

Griffin Creek school's display is at the J. C. Johnson Company across from the post office. It depicts a Brownie fly-up ceremony with figurines dressed as Brownies and Girl Scouts. Mrs. J. E. Moir is neighborhood chairman.

In the Medford Florist window is the display for Roosevelt Neighborhood scout and Brownie troops. The theme is international friendship. The project of Roosevelt neighborhood has been making layettes for babies in Brazil. Authentically costumed dolls dressed by the Brownie troops represent many countries of the world. On display are layette articles made by the troops. Mrs. R. B. Temple is Roosevelt neighborhood chairman.

Central Points' display is in the Crater Dry Goods store. The display represents something that the girls have made in their badge work this year, which includes, homemaking, and outdoor scene, and a dramatic scene showing the characters of a play written and dramatized by their girl for the mothers' tea. Brownie handwork is also on display. Mrs. Ben Darras is Central Point neighborhood chairman.

In Jacksonville the fifth grade troop arranged a display in Fretwell's store showing a flag ceremony with dolls. The seventh grade group displayed badge work by dolls made of pipe cleaners. The eighth grade troop had a camping scene and also exhibited handwork. The Brownies' window at Chris
