Measures in Oregon Legislature

Salem — (U.P.) — Democrats charged that Republicans were trying to manipulate election laws while they are in power in the course of a hearing before the House Elections Committee headed by Rep. E. H. Mann (R-Medford).

Republicans retorted there was evidence of fraudulent voting in Multnomah county in the last election in which Richard L. Neuberger defeated Republican incumbent Guy Cordon for U. S. senator.

The heated exchange came as the committee took up consideration of two measures designed, their sponsors said, to reduce the possibility of unequalled electors casting a ballot and re-

quiring voters to sign poll books and verify the address.

Howard Morgan, Democratic state chairman, said Democrats don't oppose the proposal to require signatures on the books for voting purposes.

But they do oppose the measure affecting residency requirements. Morgan said Democrats, who draw their strength from industrial areas, particularly Multnomah county, change their residency more frequently than Republicans, and the bill affecting residency requirements is essentially a partisan bill.

Salem — (U.P.) — A \$3,000,000 appropriation bill that would have started construction of the first unit of the Portland Mental hospital has been tabled by the Joint Ways and Means Committee by a vote of 8 to 6.

The proposed hospital has been approved twice by Oregon voters and has twice hit snags in the Ways and Means Committee where members were unwilling to provide the money for

the project that would ultimately cost \$14,000,000.

Sen. Gene Brown (R-Grants Pass), who headed the opposition to the bill, denied that the voters had approved an expenditure for the institution. He said they had approved it if and when the money was available and he declared "we don't have the \$3,000,000."

Salem — (U.P.) — A bill providing for a tax of one-half cent per pack of 10 cigarettes has been introduced in the House by the committee on taxation.

The bill will be referred back to the taxation committee for further study. The cigarette tax idea has been threatened with referral to the voters by several groups appearing before the taxation committee and some members said they would prefer a revenue measure not so likely to be overturned at the polls.

Voters have repeatedly defeated cigarette tax measures on the ballot.

Although the bill reads 1½ cents a pack of 10 it actually in effect means 3-cent tax on a package of 20 cigarettes, as few if any brands any longer comes in packs of 10 as they did in earlier years.

Salem — (U.P.) — State employees would be rewarded for making suggestions to improve the efficiency and service of their departments under terms of a bill passed by the Senate and sent to the House.

The measure would establish an employee suggestions awards board made up of three state officers or employees appointed by the governor. They would serve without pay but would get their expenses.

Salem — (U.P.) — Rep. Jean Lewis (D-Portland) has introduced a bill in the House that would provide for an automatic appeal to the Supreme Court of the state whenever a death sentence is pronounced by a Circuit Court.

Mrs. Lewis' bill sets up procedural arrangements governing review of the sentences by the high court.

Salem — (U.P.) — The House Committee has approved for introduction yesterday a bill by Rep. William A. Grenfell (D-Portland) to give legislators a raise in pay based on the cost of living index.

Legislators now receive \$600 a year. Under Grenfell's system they would get \$1764 yearly, based on the first 100 days of a session and \$1143 a day after that.

The lawmakers would receive mileage for four round-trips home.

That section from Thirtieth to Forty-first Street between Eighth and Ninth Avenues hasn't been a tough neighborhood for over forty years. It was at one time a gangster ridden section. Some of the leaders of these gangs had such colorful cognomens as "Goo Goo Knox," "Stumpy" Malarkey and

Shasta Canyon Crash Kills Woman

Yreka, Calif. — (U.P.) — Mrs. Dolores Camp, who was en route to visit her husband in prison at McNeil Island, Wash., federal penitentiary, was killed and another woman was critically injured in an auto accident near here Monday.

Mrs. Camp was placed on five years' probation and her husband was sentenced to 18 months in prison after their conviction on operating a fleet of stolen trucks in Coeur d'Alene, Ida.

The 24-year-old Mrs. Camp, whose home was in Sonoma, Calif., died when the car went off U. S. Highway 99 and rolled down a 250-foot embankment into the Shasta river canyon.

"You referred to the infancy as the most dangerous branch of the armed service," writes a United States Marine. "That's wrong. Of course the infancy has been a great help to the Marines in winning wars and I do not wish to deprecate their efforts. They are nice boys. However, as any authority on modern warfare will tell you, the Marines is the most dangerous branch."

Passing By Ricardo Cortez, perennially debonair desciple of Thespis. The only film actor ever billed above Greta Garbo. That was in the silent film titled "The Torrent," produced in 1927. Jack Pepper. Clever night spot entertainer. His real surname is Culpepper. Is originally from Palestine, Tex. His former vaudeville partner and ex-wife is the cinema luminary professionally known as Ginger Rogers.

Mrs. Camp's companion, Geraldine Ruth Kee, 21, of Oakland, Calif., suffered a severe concussion, several broken ribs and cracked vertebrae.

New Grade School Has Western Flavor

Keechi, Kan. — (U.P.) — A new grade school arising in a suburban development won't be named, as some pupils suggested, Hopalong Cassidy or Roy Rogers but the name will have a western flavor.

It will be called the Chisholm Trail school. The building is believed to be squarely on the old Texas-to-Kansas cattle trail.

Youngsters offered more than 400 name suggestions.
