QUESTION
 DOES your job offer you financial
 success and the opportunity for
 advancement? Do you have the
 hard work and ability to
 guarantee your success and special
 prestige in the work you are doing?
 If the answer to these questions
 is yes, then you are indeed fortun-
 ate, but perhaps you have arrived
 at the same conclusion as many
 others—that you can go no further
 because of seniority or the nature
 of the job or special training or
 education. If that is the case, you
 should consider changing your field.

ANSWER
 THE SALES FIELD could be the
 answer to your problem. No other
 field offers such high rewards for
 hard work, ability and ambition.
 Most men can sell if they try. If
 you have always wanted these ad-
 vantages but have hesitated to make
 a move, you will be interested in
 this opportunity afforded by Ore-
 gon's most successful firm in its
 field.
