SHIRLEY WINTERS  
A Trick Rider, Too

Shirley Winters, brunette wrestling star from Chicago who opposes Gerry Hunter in the feature match of Saturday night's wrestling card at Merrick's arena, has a varied career for a girl.

The 28-year-old flash spends the summer months touring the rodeo circuit as a trick rider. After the curtain rings down on the rodeo performances, she returns to the wrestling circuit where her services are in demand in most of the larger cities using girl wrestlers.

She also has seen service in the armed forces, having been discharged from the Marine corps at San Diego less than a year ago.

While in Medford, Miss Winters said she was interested in meeting local rodeo officials with a view to arranging to do her trick riding performance in the coming Rogue River roundup.

She said she has never met Miss Hunter in the ring but did watch her work last week. "I am confident I can beat her," she said. "I don't approve of her style of dirty wrestling but if she wants it that way, I'll show her something."

Other matches send Cyclone Cobb against Yoggi Hussane in a rematch and newcomer "Champ" Thomas faces Buck Davidson in the opener, starting at 8:30 p.m.

# Tally Ho Has Sizzling Day At Redding

Tally Ho team from Medford Bowling lanes sparked Sunday with the highest series ever rolled by a visiting team on the Redding, Calif., alley.

The high score of 2816 came in one of the three matches against Bassett Buick with Tally Ho having high pin count in all. Ray Wise had a scorching 672 for the Oregon five in one of the series.

The Medford aggregation put together games of 1011, 958 and 847 in the big series with Bill Hawley getting a high game of 235 and Wise top series of 605. Other 200 games were Fred Anderson 201 and 220, George Spauhorst 202 and Wise 200 and 224. Fifth member of the team was Karl Johnson. Bassett totaled 2633.

Tally Ho won a second series 2791 to 2755. Spauhorst had two 225 games in rolling a 614 series. Anderson had high game with 228. Johnson carded a 221 and Hawley a 203. Dan McRae paced Bassett with 226 and 593. All Three Games

While the Redding team won one game in each of the two series the Oregonians took all three tussles in the other match. Pin totals were 2787 to 2572. Wise racked up games of 218, 231 and 223 for his big series.

Another Medford quint took one game out of each of the two series contested against a make-up Redding five. Buzz Green with 233 game and 562 series was high for Medford in one match while in the second Bob Dyer had 206 and 210 games and a 597 series. Sam Van Dyke had a 201 tussle and Dick Spain a 204 during the contention. Frank Knox was a member of the team.

Medford Lorenz company won just one game in its two series. Scores were not available. Members of the Lorenz team were Frank Chapman, Charles McWhorter, Fritz Kunz, Gene Doyon and Dale McCormick.

Some of the most powerful of the atom smashers are huge circular affairs some of them having a diameter which is more than twice as great as the length of a regulation football field.

# MEDFORD TRIBUNE SPORTS

GREER RECEIVES TOP OREGON OPEN MONEY—Joe Greer, center, Yakima, Wash., who won top professional money in the Oregon Open Golf tourney here last week end, looks over his \$500 check. Greer carded a three-day, four-round 292 to edge his nearest rival, George Bazzini, Diablo, Calif., by a single stroke. In this picture Greer is flanked by Jim Dunlevy, award presentation master-of-ceremonies, and Russ Heysell, open tournament chairman for the best Rogue Valley Country club. Bruce Cudd, Portland amateur, winner of the tourney with a 289 and another amateur, Dick Yost, Portland, tied Greer.

# Pirate Track Squad Loses Dick Cocks

Phoenix — Coach Jack Woodward's Phoenix high school track team, hard hit last spring by graduation, received more bad news this week when Hurdler Dick Cocks dropped out of school to enlist in the Navy.

Woodward had been counting on a good many points from Cocks, who set a JDJ league record last season in the low hurdles.

Loss of Cocks left the Pirates with only seven returning lettermen from last year's squad.

Back for action this season are Delmar Brood, a junior pole vaulter who went 10 feet 9 inches last year; Llewellyn Witte, sophomore 440 dash man; Larry Brown, a two-year letterman in the mile; Jim Korth, a junior javelin thrower; Dwayne Brood, a senior broad jumper; Dave Kelso, 1954 JDJ high jump champion last year with a mark of 5-8 and Ernie McLeish, sophomore letterman in the mile.

Six other men are listed as top prospects by Woodward.

They are Roger Puhl, senior sprinter; Dan Lovett, sophomore transfer from California who figures in the sprints and shotput; Jim Jones, sophomore high hurdler; Bill Madden, shotput and broad jumper; Earl Dillree, sophomore low hurdler, and Charles Swingle, frosh sprinter.

# Softballers Meet at Y This Evening

Medford Softball association will convene tonight and the session is expected to determine whether there will be formal league play in the sport in Medford this summer.

There has been little or no response to calls for meetings by President Herb Vessey so far this year. But interest has apparently picked up a bit since Vessey announced that a session would be held this evening at the Medford YMCA.

It was stated that loop play might be abandoned unless tonight's meeting is well attended and more interest is shown.

TALENT OFFER  
It is hoped, however, that tonight's group will be large enough that some organization can be undertaken and some plans made for the forthcoming season. Among matters to be discussed will be the possibility of a season of twilight ball instead of play under lights there.

The feasibility of combining the softball association and the Medford Independent Basketball League under one administration has also been talked informally and that suggestion may be thrashed out tonight.

Officers and team representatives of both groups have been asked by Vessey to be present. All persons interested in softball are invited to the meeting.

# Seattle Kegler Heads Six-Game Singles Met at Medford Lanes

Educators believe the U.S. will have 5,000,000 college students in 1975 compared with about 2,000,000 now.

Clive Wienker, Seattle, with a 1253, is current leader in the western six-game singles handicap tournament at Medford Bowling lanes.

The tourney is being held through June 26 in order that all bowlers interested may tie it in with other competitions being held throughout the northwest. It is being staged in conjunction with the Southern Oregon Handicap tournament which will start on April 23 and run through May 20.

Bowlers can enter the western six-game singles three times and cash one. First place is guaranteed \$350. Other leading scores now are Gale Culy, Medford, 1224; Ray Wise, Medford, 1172, and Hal Schroeder, 1158.

Entries for the Southern Oregon Handicap close on April 19. A big field is expected this year.

An average worker in the U.S. loses about 7 1/2 days of work time a year because of some form of temporary illness.
