

Moderator Slated To Speak Monday For Presbyterians

Dr. Ralph Waldo Lloyd, moderator of the 166th general assembly of the Presbyterian Church of the USA, will speak at the First Presbyterian church of Medford, Monday, April 4, at 8 p.m. The public is invited.

Dr. Lloyd, who is also president of Maryville college of Maryville, Tenn., will speak at "A Living Church in Today's Dying World."

Following his Monday evening appearance, he will be entertained at breakfast Tuesday morning, in the Rogue room of the Medford hotel.

The speaker entered the ministry in 1924, following a period of teaching and coaching athletics at Westminster college, Salt Lake City, and after a short business career. The son of a doctor in the Indian service, he was born in Tennessee but grew up on Indian reservations in Utah.

After entering the ministry, he held pastorates in Indiana, Illinois, and Pittsburgh, Pa., then in 1930 became president of Maryville college, his alma mater. Since that time he has been prominent in the work of the Presbyterian church and the National Council of Churches.

Beachcombers Stew with Pacific Oysters

Menfolks, the children and lucky company will thoroughly enjoy this oyster stew made with Pacific oysters which have "no fat, no bones, no waste of any kind." Pacific Coast Oyster Growers Association packs its oysters in square glass jars. Serve French bread or garlic toast with this. Six servings.

2 large jars Pacific oysters
1 large onion, finely cut
1 green pepper, finely cut
1/2 cup butter or margarine
4 small cans tomato sauce
2/3 cup catsup
1 small can tomato paste
Salt and pepper
Worcestershire and tabasco, optional

Make sauce by sauteing onion and green pepper in butter or margarine for 15 minutes. Add tomato sauce, catsup and tomato paste. If sauce thickens too much, plan to add liquid from oysters. Add seasoning and let sauce simmer gently for 1 hour.

Heat oysters about 15 minutes or until plump. Drain before adding to sauce unless liquid is needed for thinning. Simmer oysters in sauce for about 30 minutes. Serve in heated soup plates with stew poured over garlic toast or toasted French bread... or use bread for "dunking."

Breakfast Talk

Make a good breakfast a regular custom in your home. A full morning's work cannot be done on food eaten yesterday. Coffee and a roll are just kindling food; quickly gone. Children sent out to play or to school without adequate breakfast soon become tired and irritable.

A good breakfast is the quickest and easiest meal of the day to prepare. There's tremendous variety in ready-to-eat and quick-cooking cereals; bread in any of its many forms for warming in the oven or for toasting and offered with plenty of butter or margarine. Bacon, sausage and ham are now surprisingly reasonable in price. Nutritionists recommend eggs at least four times a week. Fruit varieties are many, both fresh and processed. A pitcher of milk on the table is a good idea; prevents waste from mother's "overloading" glasses.

MUSIC PROGRAM

Ashland — The "Evangelists" will present a musical program Saturday, April 2, at the Ashland Assembly of God church, 485 Siskiyou Blvd. A quartet will sing request selections and accordion and piano solos, duets and trios are on the program.

SERVICES TONIGHT

Central Point — Dr. D. Willis Caffray, evangelist, will open a series of meetings at the Central Point Pilgrim Holiness church today at 7:30 p.m. The speaker is a missionary and also will talk on church social work. The services will continue nightly through Easter Sunday. All who are interested are invited, the Rev. H. James Kreider, pastor, has announced.

UNITARIAN

Ashland — Members of the Unitarian Fellowship of Ashland will meet Sunday, April 3, at 7:30 p.m. at the home of Dr. and Mrs. Arthur Kreisman, 111 Bush St., Ashland. The program is entitled, "Faith and Reason." All who are interested are invited.

Waikiki Pineapple-Date Pie

A glamorous tropical filling for a baked pie shell or crumb crust; worthy of a special occasion yet so easily done that you might fix it for the family any time.

2 1/2 cups (No. 2 can) crushed pineapple, not drained
1/2 teaspoon salt
1/4 cup granulated sugar
3 tablespoons cornstarch
1 1/2 cups chopped pitted dates
3 tablespoons butter or margarine
1/2 teaspoon grated lemon peel
1 tablespoon lemon juice
Baked or crumb 9-inch pastry shell

Heat first four ingredients together until boiling. Continue cooking, stirring constantly, until thickened and clear, about 5 minutes. Remove from heat and stir in remaining ingredients. Cool and pour into pastry shell.

Chocolate Ribbon Loaf

This repeats the handsome black and white dessert that is so easily made; requires 3 hours chilling and must be sliced diagonally for that richly layered effect. Six servings.

1 package chocolate pudding
2 cups milk
24 graham crackers
1/2 cup heavy cream, whipped stiff

Prepare chocolate pudding according to package directions using 2 cups milk; cool. Spread pudding on 23 graham crackers and put together in stack of 4 or 5 being sure to leave the last cracker plain for obvious reasons. Lay the stacks on edge on a long platter to make one long roll with crackers and pudding alternating. Spread remaining pudding on top of loaf; frost sides and ends with whipped cream. Chill in refrigerator about 3 hours. Must be sliced diagonally at a 45 degree angle for effect.

Apple Parfait Pie

Another super dessert that can be put into a baked pie shell or crumb crust of graham crackers or vanilla wafers. Heat 3/4 cup apple juice; remove from heat and add 1 package lemon flavored gelatin and stir until dissolved. Add 1 pint vanilla ice cream and stir until melted. Blend in 1 1/2 cups thick sweetened applesauce. Chill until mixture begins to thicken. Turn into shell and chill. Serve with whipped cream sprinkled with chocolate.

Give Family King-Sized Breakfast with Pork and Eggs

This week's market report featured pork; all cuts of pork for festive dinners... and bacon, ham and sausages that will send father to work and the children to school well fortified for a good morning's work. Just the odds from the kitchen will bring the family to the table quickly. Eggs too are plentiful and quickly fixed. Nutritionists recommend eggs "several times a week" for buoyant health.

That Easter Ham. With pork supplies large, the traditional Easter ham will be back on many tables; whole hams for large gatherings, half hams for family dinners. You'll not be buying it until next week but we thought you might like to think about it now. Today's mild cure ham is so easy to prepare; no boiling, lengthy cooking or fuss.

Plentiful raisins and small-size prunes make unsurpassed fruit sauces or garnish for fresh pork, smoked pork, lamb; good with beef, too.

Sunday School To Present Program

The Easter program of the First Baptist Sunday school will be presented Sunday, April 3, at 9:30 a. m. Departments of the school taking part in the program will include the beginner, primary and junior groups. The program will be given in the main auditorium of the church and will be open to all interested friends and members of the Sunday school.

Parents of the beginner, or pre-school children are reminded that an Easter party and program practice will be held on Saturday, April 2 at 2 p. m. for this age group. The primary department will have a party and practice at 3 p. m. Saturday.

Palm Sunday

The Rev. James W. Neely has chosen for the 11 a. m. worship hour a message on Palm Sunday theme, "The Royal Entry." Music in keeping with the theme will be given by the adult choir, under the direction of J. Robert Cochran. The sermon subject for the 7:30 evening service will be "Have You Been to the Cross?" Mrs. Ted Graham will lead the youth choir in their special music.

Talent Church Scene Of Concert Tonight

The capella choir of George Fox college at Newberg, will present a concert of sacred music under the direction of Carl H. Reed, at Talent Friends' church today at 7:30 p. m.

The program of this year's group features American music. Principal work on the repertoire is "The Peaceable Kingdom" by Randall Thompson, which is a sequence of sacred choruses based on the prophecy of Isaiah. The title is derived from a painting by the same name by Edward Hicks, famous Quaker and American folk-artist.

Included in the American group are works by William Billings and folk hymns from the South. Compositions by Palustrina, Leising, Sweetnick and Gretchaninoff complete the program.

MEDFORD (OREGON) MAIL TRIBUNE—SEVEN

Noonday Services Slated at Theater

Noonday church services from Monday through Friday will be held at the Craterian theatre, beginning at 12 noon and concluding by 12:20 p. m. Bob Corbin, manager, has cooperated in making the theater available for noonday meditations.

The program will include music and brief devotional messages by the following ministers. Monday, Dr. Raymond Balcomb, from the First Methodist Church; Tuesday, the Rev. G. H. Hillerman, Zion Lutheran church; Wednesday, the Rev. Ray W. Hurn, Church of the Nazarene; Thursday, the Rev. George Bolster, St. Mark's Episcopal, and Friday, Dr. D. K. West, First Presbyterian church.

Boys Invited To Join Church Chorus Group

A boys chorus has been organized by the Medford Assembly of God church for boys from 7 to 12 years of age. The chorus members will practice on Saturdays at 10:30 a. m., at the church. Any boys between the ages who are interested are invited to join and to be at the church Saturday for practice.

The group will be a permanent organization with weekly rehearsals. Their first appearance will be Easter Sunday morning at the Sunday school opening program.

"The Great Opening of the Seals," will be the topic today at 7:45 p. m., of Dr. Merle Edwards, evangelist from Denver, Colo., now speaking at the church. He also will conduct the Sunday morning sermon and another during an evangelistic rally Sunday at 7:30 p. m.

CHRISTIAN SCIENCE

"Unreality," will be the lesson-sermon title at the Christian Science church Sunday. Selections will be read from the King James version of the Bible. A passage also will be read from "Science and Health With Key to the Scriptures," by Mary Baker Eddy.

Your perfect servant—

To its first discoverers, "Old Faithful" probably looked like a mighty efficient water heater. But on second thought, their fear of evil spirits must have made them hesitate to brave the eerie region with their primitive water jugs.

You can snap your fingers at demons and still have hot water for any purpose at any time, if you go modern with an electric water heater. Just

choose the right size for your family's needs and then install it wherever you wish; no flues are needed. It's completely automatic and as clean and quiet as electric light.

See your appliance dealer today and get the electric water heater which will supply you and your family with all the hot water you want... automatically and economically.

COPCO brings you electricity... the perfect servant... efficient, convenient and inexpensive.
