"I Have Looked Carefully at the Map . . .

. . . and the best spot for Europe to meet and throw back Asia is called Megiddo or in some maps, ARMAGEDDON! The spot where Europe may attempt to halt Asiatic penetration will become the last battlefield of all time and mark the end of civilization." Sir Ivan Hamilton, British General.

"It would seem as if the nations . . . were all bewitched or laboring under some doom IMPOSED UPON THEM BY DEVILS . . . something devilish is in the operations now going on to increase armies,

navies and air forces." Sir Ramsey MacDonald, quoted in London Times.

"We seem to be moving, drifting, steadily against our will, against the will of every race, and every people, and every class, towards some hideous catastrophe. Everybody wishes to stop it, but they do not know how."—Winston Churchill.

"We have had our last chance, unless a more equitable solution is devised . . . Armageddon will be at our door . . ."—Gen. Douglas MacArthur.
