Portlanders Hammer 7-2 Verdict Over LA

By PETER HAYES

United Press Sports Writer
Those surprising Sacramento Solons still dominated the Pacific Coast League today, thanks to another fine pitching performance.

Righthander John Briggs, rookie member of the unheard-of Solon mound staff, fired a 3-0 shutout at the Hollywood Stars last night because a joyous home-town crowd of 5,291 to give Sacramento a 3-0 series lead.

The pitchers that Manager Tony Freitas was crying the blues about just a couple of weeks ago have yielded an average of only five hits in the first three games.

To give the little Solon pilot his due, however, he did predict big things for Briggs, who had a 20-8 mark with Salem of the Western International League last year.

Tony said Briggs was sure to go up to the majors next year if he can perfect his change of pace.

Allowed Six Hits
The 5-10, 165 pounder blanketed the powerful Stars with six hits and was in serious trouble only in the ninth when a base hit, a walk and his third wild pitch put Stars on second and third. But he got Carlos Bernier on a pop-up to end the game.

Hank Schenz and Tommy Glaviano tripled and Nippy Jones homered in the sixth on three consecutive pitches by George Witt to account for the Solon scoring.

Elsewhere around the loop Cliff Fannin and Theolic Smith joined forces to hurl San Diego to a two-hit, 9-1 win over San Francisco; Seattle rallied for four runs in the ninth to down Oakland, 8-7, and Portland hammered out a 13-hit, 7-2 victory over Los Angeles.

Smith In For Fannin
In San Diego Fannin held the Seals hitless for 4 2-3 innings but was lifted in the fifth when he walked two batters and hit another to load the bases. Smith came in to end the threat and was credited with the victory.

The Pads rapped loser Ed Chandler and Bill Bradford for 11 hits, including Julio Becquer's two run homer in the sixth. Seattle trailed 7-4 going into the ninth in Oakland after the Oaks had chased over six runs in the sixth. The Rainiers went to work on reliever Dick Strahs in the ninth and pushed over two runs to send him to the showers. Fred Besana took over only to be tagged for a triple by Rocky Krsnic good for two more runs and the game.

Joe Brovia homered for the Oaks.
Royce Lint went the distance for Portland in Los Angeles, giving up nine hits. All but two of the 13 Beaver hits were at the expense of Angel starter Cal McLish who was succeeded by Bill Tremel in the seventh.

Two In First
Portland scored twice in the first inning when Russ Sullivan singled to score Artie Wilson and Dick Whitman, who also got on base with singles.

Los Angeles also counted for one run in the first on Bob Talbot's homer over the left field wall.

Portland scored again in the third with Wilson jogging home on Walt Judnich's sacrifice fly.

In the seventh, Portland got four more. Sullivan's single brought Lint home. At this point Bill Tremel replaced starting pitcher Cal McLish and with two men on base Ed Mickelson hit Tremel's first pitch for a three run homer.

Los Angeles came back with its second tally in the bottom of the seventh when Joe Hannah scored on Talbot's infield out.

Commission Considers Increased Deer Harvest In John Day Valley

Portland — (U.P.) — The State Game Commission said today it would give "serious consideration" to increasing deer harvest quotas in the John Day valley area of Grant county because of damage to grasslands used for cattle range.

Commission representatives met earlier this week with a group of livestock men who own range lands along the north side of the John Day valley. Land owners were concerned about heavy deer use of grass on privately-owned ranges and said they had to hold cattle on feed lots forcing many of them to run short of hay.

Mrs. Pat McCormick of Los Angeles, regarded as the world's top woman diver, retained her one-meter diving championship. Maureen Murphy of Portland, Ore., won Thursday's other event: She was clocked in 2:27.4 for the 200-yard backstroke.

Is That So? Study of Hospital Needs in South of County Announced

By Eugene Burns
Ranger-Naturalist

Who am I?

I am born pink-skinned, hairless, and with eyes and ears sealed. I am nursed in a fur-lined nest—my mother's milk is five times as rich in proteins as a human's, and I double my weight within six days while a human takes 180; I can carry on an intelligent conversation with my feet; the trails of some of our kinds lead in and out of the water.

In the wild my color tends to browns or grays with white underpinnings. My big eyes pro-

School District 6C Sets Bond Vote

Ashland — A new survey of hospital needs in Ashland and southern Jackson county, in the area making up the Valley View hospital district, will begin in the near future, the district board of directors announced today.

It will be made by volunteer citizens' committees. The findings will determine whether the district will be dissolved or whether another attempt to finance a new hospital will be made, the board said.

The first committee to begin work will survey the need of additional facilities in the district.

If a new hospital is found necessary, then committees to study ways and means of building and operating it will be named.

Will Study Costs
If it is found that a new structure should be tax-financed, a committee to investigate cost of building and operation to property owners in the district will be formed.

The board said that committee investigations were expected to take several months, and that full publicity would be given their findings. They also stressed the fact that anyone interested would be welcome to serve on

the various committees. A call for volunteers will be made soon.

The Valley View hospital district was formed by a vote of the residents of the area several years ago, but subsequent proposals to construct a new hospital with tax money were turned down.
