## Man's Hip Injured Club For Salesmen Organized in City

Kittel Knutson, 65, of 1024 1/2 West Ninth st., suffered a hip injury early Saturday in a fall in the library park washroom on South Ivy st. between Main and Eighth sts., city police and Medford Ambulance service men said. The attending physician said the hip was fractured.

Knutson was found several hours after the mishap by Cecil Calvin Morgan, route 1, box 399G, a city street sweeper.

Police said they were informed that Knutson had entered the washroom sometime after midnight. After he fell he worked his way to the entrance and was found sitting on Ivy street by Morgan. Police were called shortly after 7 a.m. Knutson was taken to Community hospital by ambulance.

Dead line for Sunday Classified is at noon Saturday.

A group of 15 salesmen met at the Medford hotel Friday evening and organized a new club for members of their trade. It has been named the Southern Oregon Salesmen's club.

Purpose of the organization is to form better relationships among salesmen of the area. The group will meet once monthly, with the next meeting scheduled for April 29 at the Medford hotel.

Ray Tomlinson was elected president of the club, and Nick Egbert was named vice-president. Other officials include Joe Hoop, treasurer; Wayne Myrick, sergeant-at-arms; Tom Norris and Dick Bowers, program committee, and Rex Sweeney, Johnson and Byron Fish, members of the board of directors.

Each will serve for one year.

Dead line for Sunday Classified is at noon Saturday.

## NOT RESPONSIBLE FOR BROKEN NECK

Beyond an occasional threat of damage suit there has been no report of serious injury from somersaults in the years I have been prescribing morning rolls as a habit for everybody.

For years I held out against the combined weight of Webster's unabridged dictionary and the assertions of numerous athletes,

"I am happy to tell you I have for the past fifteen years taken your morning rolls every morning, and I always feel refreshed after my rolls.

I am 76 years old, and I hope that as long as I live I shall be able to continue my morning rolls. I read your articles every day and you have helped me in many ways.

Gratefully yours, (.....)

If you decide to try forward rolls without first sending for the pamphlet, ask some youngster five or six years old to show you how.

Anyway I'm convinced they're good medicine. That's why I roll my own. Six, before breakfast, first thing every morning, plus the half dozen movements from the Last Brady Symphony described and illustrated in Little Lesson 16, The 7 Keys to

QUESTIONS & ANSWERS  
Bromidrosis  
My best friends have been telling me this past year that my feet really smell bad. An uncle tells me he had the same trouble one time and wrote you and you suggested something to use in his shoes and stockings that cleared the trouble up. (C. O.)

Answer—Send stamped, self-addressed envelope and ask in WRITING (not with clipping) for pamphlet on EXCESSIVE SWEATING.  
O'Doc The Second  
You are a fortunate man to have lovely daughters, but you should have a son to leave behind as Dr. Brady the Second. I have a nephew, 20, college sophomore, who wishes to be a doctor. His parents can't afford to send him to medical school and they will give him to you if you want him for your own son and successor.

Answer—Thank you, M.A.M., but I'm not sure I'd want a son of mine to study medicine today. After all, the Yankee public regards almost any "trick doctor" as entitled to the same respect and consideration a real doc-

tor enjoys—or did enjoy at one time. Leg Cramps Relieved  
Having suffered with leg cramps at night for years, I sent for your pamphlet, began taking calcium and vitamin D, and in a short time the cramps ceased and have never returned. Thank you for this relief. (T. H. T.)

Answer—On WRITTEN request (no clipping, please) any reader who provides stamped, self-addressed envelope may have the pamphlet, Adult Tetany and Growing Pains which tells about painful cramps in legs, sometimes in arms and hands.
