

For your "company dinner" choose this handsome Safeway STANDING RIB ROAST

Patently AGED by Safeway for tenderness and flavor

Safeway starts with "U.S.D.A. CHOICE" steer beef — the grade that offers you the greatest percentage of well-marbled, juicy meat in proportion to bone. Then Safeway ages this fine beef a minimum of 15 days to bring out peak tenderness and flavor. Finally, your Safeway Meat man trims your roast, as shown, to save you money and make carving easier. Here is value unexcelled!

RIB ROAST, for example, has end section of short ribs and heavy chine bone removed.

Safeway Meats are closely trimmed before weighing to save you money!
