Washington PTA Hears Talk On Boards; Events Announced

Elliott Becken, assistant superintendent of Medford schools, spoke for Washington Parent-Teacher association Friday afternoon, at the school gymnasium. Speaking from notes prepared by Leonard B. Mayfield, also an assistant superintendent of Medford schools, who had unexpectedly been called out of town to a special school legislative meeting in Salem, Mr. Becken outlined the duties and responsibilities of a school board.

Mr. Becken discussed the various qualifications necessary for school board members, and elaborated on the duties involved in carrying out policies adopted by the board as set by the legislature in its state school laws. He especially commended the far-sighted policies as shown by the Medford school board in years past in acquiring sites for new schools, realizing that such a demand would exist in the very near future.

Mr. Becken announced selection of Robert Sage, Gold Hill, as new principal of Washington school to replace Kenneth A. Hulbert who will serve as principal of the new Jefferson school and added that he felt the school board had made a wise selection.

Steven Hubler, Jack Lowery and James Kubalek of Cub Scout Den 2, Pack 6, sponsored by Washington PTA, presented the colors to open the meeting.

A letter from the health department was read by Mrs. Ralph Matthews, secretary, showing the outstanding record of improvement in percentage of health exams of children entering the first grade and the seventh grade, as compared with those in 1947. Other important improvements have been made in the matter of safe drinking water, hot running water, improved lighting facilities and better health and physical education programs in the schools, she said.

Mrs. Milo Kubalek, chairman of the health committee, reported that children entering the first grade next fall and their mothers will be invited to school Wednesday, May 4, for a "get acquainted" session. Tuesday, May 10, from 9 to 11 a.m., physical examinations for these incoming first graders will be held in the school gymnasium. Members were asked to volunteer their services to help with this program and are to contact either Mrs. Harold Hubler at 2-5872 or Mrs. Kubalek at 2-8196 if they can help.

The auditing committee appointed by the executive board as announced by Mrs. Hubler, president, are Mrs. Alice Lynch, Mrs. Glenn Linn and Mrs. Gerald Latham.

Principal Hulbert announced that Salk polio vaccine shots will be given to first and second grade students having returned signed permission slips for their parents on Wednesday, April 27. Friday, May 6, will be the all-school Health day. Washington school has won the health honor roll trophy for the last two years and Mr. Hulbert stated that students are working hard to win it again this year and gain permanent possession of the trophy.

Wednesday, April 20, at 4:30 p.m. the school chorus, under the direction of Miss Laura York, will present a vocal program over station KBES-TV. Friday, April 22, also at 4:30 p.m., the combined bands and orchestras from all four city grade schools, composed of some members from each of the schools, will present a program over KBES-TV. Thursday, May 19, is the date set for the all-

school musical program to be presented at the high school stadium by the combined bands, orchestras, choruses and some physical education classes. School will be dismissed for the summer on Friday, June 3, Mr. Hulbert announced.

Mrs. Guy Payne, chairman, and Mrs. Richard Knights, publicity chairman, were commended on the fact that the Washington school historian book won first place in the county judging and has been sent to the state PTA convention in Portland for display.

Room count prize was won by Mrs. Ruby Clark's fourth grade room. Miss York led the group in community singing.

Refreshments were provided by mothers of children in the second grade, and pouring at the attractively decorated tables were Mrs. Georgia Davis and Mrs. Dora Mae Shepard, two of the second grade teachers.

Next meeting for Washington PTA will be Friday, May 20, at 2:15 p.m. in the school gymnasium and new officers will be installed.

NEW BLIND CUTS LIGHT

New York — (U.P.)—One manufacturer has developed a venetian blind which is light-proof that daylight becomes near midnight when the slats are shut. A little light usually spills through the conventional venetian blind when it's closed. But the manufacturer of the new blind says that through re-design of the tape and a new assembly of blind slats virtually all light seepage has been eliminated. In addition, there is a light trap over the top slat and channel covering the sides and bottom of the blind.
