Your perfect servant— Wives of the Caribbean cannibals must have wailed bitterly over the time it took to whip up a tasty stew. Not to mention the mental anguish of the main ingredient who had to sit through the slow simmering. What a difference today... in the cooking as well as in the stew. A modern electric range practically does the job by itself. Its clean, fast, flameless heat gives your meals that final touch of perfection; leaves your kitchen walls and pans spotless. Safety is a built-in feature of its automatic heating units. Electric cooking is economical. For only pennies a day, you can treat yourself to the best. And the new timing devices and temperature controls give you greater freedom than ever from household drudgery. See your appliance dealer today for your choice of the many superb electric ranges now on the market. COPCO brings you electricity... the perfect servant... efficient, economical and convenient. THE CALIFORNIA OREGON POWER COMPANY. A Western Company owned and operated by Western People.

Advertising helped make the difference. FARMERS DON'T RECKON with real horsepower any more — a tractor can do the job better. Today's farm is an open-air factory with a specialized machine for every task. And America's mechanized farming produces more food... and better food... than any other country in the world. But to mass produce the millions of tractors, pl
