

Hurler's Hit Ends Tight Duel for EP

Eagle Point—A pitching duel between Carl Christian of Eagle Point high, and Jim Eggers, Illinois Valley, ended here last night when Christian drove home the winning run for the Eagles in the ninth inning. Final score was 2 to 1 for Eagle Point.

It was the first Rogue League baseball win for the Eagles in three tries and the sixth victory in nine games this season.

Neither team got a hit until the fifth when Christian yielded his first. The Eagles didn't tag Eggers until the seventh.

In the sixth frame IV got George Harrison on base on catcher's interference. Successive sacrifices by Pullen and Mellow got Harrison to third base. He scored on a wild pitch.

Christian, in addition to driving in the winning marker, scored the first Eagle tally, himself. He singled in the seventh canto and Caldwell tripled. Errol Tresham led off with a double in the second extra panel and Christian smashed his winner hit. There were none out.

The Eagles got out of a tight spot in the top of the ninth. Neal and Eggers singled and were advanced by a sacrifice by Lockhart. Harrison on a squeeze bunt try popped to Christian who threw to third for a double play.

Both pitchers whiffed 12 batters. Eggers walked one and Christian three as each turned in a four-hit game.

The clubs will play a make up game at Cave Junction on Monday.

Christian had tossed 14 hitless innings until last night.

Medford To Compete In Triangular Meet

The six big high schools of southern Oregon will be involved in two triangular track meets on Saturday.

Medford and Roseburg will be guests in the Rotary club meet at Grants Pass, and Klamath Falls and Crater will be entertained by Ashland.

For Medford's Black Tornado, which has shown its strength on two successive week ends as a relay tussle power, it will be the first session of the season on an individual performance basis in which official points are tabulated. Only regular meets in which the Tornado has taken part so far in which score was kept were the Rogue and Hayward relays.

However, Grants Pass and Medford have had a varsity-novice practice engagement in which the Tornado showed considerable strength against the Cave-men.

Coach Bob Newland said that the squad he will take to Grants Pass tomorrow will include about the same boys who made the trip to the Haywards. Wet weather has hampered practice

this week, particularly that of the sprinters. However, Newland reported that the Medford gang has been bearing down in workouts and is healthier than it was for the two relay conflicts.

Medford hurdlers won the shuttles in both relay meets but Newland said that his barrier hoppers are just starting to come around and are looking better than they have previously. The two Miles, Hawkins and Stearns, particularly, are progressing, he said.

Because of the fear of pulled muscles in the cold and on the soggy track, the Tornado had to hold off on its speed work this week.

Two heats each in the 100 and 220-yard dashes and the high and low hurdles are billed at Grants Pass. Four boys from each school will be allowed to enter. The schools will be permitted to enter any number they want in the other events, Newland reported.

Ribbons and medals for the first two places in each event will be awarded.

Serafin, Kroll Virginia Beach Links Leaders

Virginia Beach, Va.—(U.P.)—A star-studded field, including the U.S. and British Open champions, took off after little-known John Serafin of West Pittston, Pa., and veteran Ted Kroll of Utica, N.Y., today in the second round of the Virginia Beach Open golf tournament.

Both men turned in five-under-par 64's Thursday to lead 24 subpar scorers through the first round of the 72-hole tournament.

British Open champ Peter Thomson of Melbourne, Australia, who fired a first round 65, still is a leading contender for the top \$2,400 purse of the \$17,500 prize money.

Scoring 65's with Thomson were Dick Mayer, St. Petersburg, Fla.; Marty Furgol and Ed Oliver of Lemont, Ill.; Johnny O'Donnell, Sewells Point, Va.; J. W. Stamps, Atlanta, Ga.; Leo Biagetti, Sandusky, Ohio, and Al Goodrich, Murfreesboro, N.C.

Pfeiffer's In Good Spot For 3rd Toga

Fort Wayne, Ind.—(U.P.)—Pfeiffer's Beer of Detroit was in a good position today to cop its third team championship in four years in the American Bowling Congress tournament.

Seventy-eight teams tried, and 78 failed, last night to seriously challenge the open division lead of Pfeiffer's, which won the team crown in 1952 and 1953.

None of the challenging teams was able to crack the circle of the 30 top squads. Let alone approach the Pfeiffer total of 3126.

Earlier, a couple of Chicago doubles teams and a Syracuse, N.Y., man accounted for a shake-up in the standings of the minor division.

Andy Rogoznica and Dick Jensen took second place in the doubles with a 1295 as Rogoznica hit for a 711 count and Jensen a 584. They displaced George Lutzen and Bill Hilgoss of Niles, Mich., who were second with 1290.

Wally Weiss and Carl Simonis moved into seventh place with 1279. Weiss had 674 and Simonis 605.

Andrew Piraino II of Syracuse took over third place in singles competition with a 705. He had 10 consecutive strikes in his second game after sparing the first frame and wound up with a 279 game.

Court Considers Dismissal Plea In Baseball Suit

New York—(U.P.)—The United States district court of New York today was considering a motion by the major leagues for dismissal of a \$250,000 damage suit instituted by the Portsmouth, Va., baseball club of the Piedmont league for alleged "violation of territorial rights."

The suit, filed here last November, charges that radio and television broadcasts of major league games violate Portsmouth's territorial rights under the major-league agreement.

Attorneys for the minor league club, owned by Frank D. Lawrence questioned Baseball Commissioner Ford C. Frick and Charles Segar, his secretary, in a pre-trial examination Thursday in an attempt to get the court to hold a trial in New York.
