TRADE INS?

Of Course!

We will offer you a fair price for your old range.

We are not trying to fool you into thinking that you are getting something for nothing by keeping our prices high just so we could offer ridiculously high trade in allowances.

SPECIAL G-E RANGE FEATURES

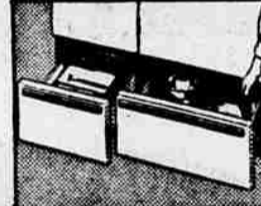

AUTOMATIC OVEN TIMER
Turns oven on and off at times you select. Two simple clock settings make it easy to use—and so safe to leave on your electric refrigerator.

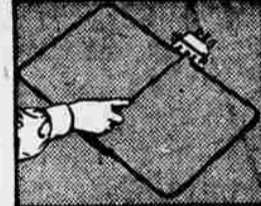

ELECTRIC MINUTE TIMER
—provides a handy way of measuring cooking times without watching the clock. Just set timer and forget it. Buzzer sounds when time is up.

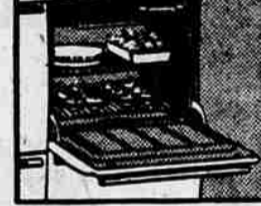

AUTOMATIC OVEN FLOOD LAMP
—Lights up the big oven whenever the oven door is opened. Floods entire oven with bright light so it's easier to see into... easier to use.

BIG, ROOMY STORAGE DRAWERS
give you space galore for all sizes of cooking and baking utensils. They're the dependable lock-stop type to prevent accidental removal, and each is equipped with rubber bumpers for smooth quiet operation.

CALROD® BAKE UNIT—better uniform heat distribution with amazing "starlight" type baking unit which assures even top-to-bottom browning. It's self-cleaning, too—spillage burns off by itself, and the floor of the oven is easier to clean, too.

STARLIGHT GREY OVEN INTERIOR adds new beauty to this deluxe range. It helps illuminate the oven so that the Big Master Oven is easier to see into, easier to use. Porcelain enamel finish makes oven cleaning a snap!

AUTOMATIC CALROD® SURFACE UNIT—heavy duty developed, here's the fully automatic surface cooking unit. Just set it for cooking at warm, boil, or fry—and you get it automatically. Sensitive precision-quit thermostat in center of unit in contact with your cooking pan. Foods cook themselves, automatically.

NO-STAIN OVEN VENT
—Here's a cleanliness feature you'll appreciate more and more, because it traps grease and oven vapors so that colors stay bright, curtains stay fresh, walls and ceiling need decorating less often, and pots and pans seldom need scouring. Easy to remove for washing in the sink. The any utensil.

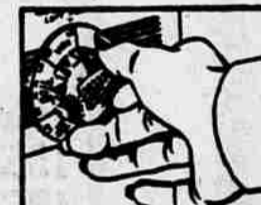

FUSE-APPLIANCE OUTLETS
—Handy location makes fuse replacement simple, quick! Ideal for plugging in small appliances. On all models with oven timer, the outlet at the left is automatically timed so that your small table radio, or automatic coffee maker will be turned on and off automatically when clock it set.

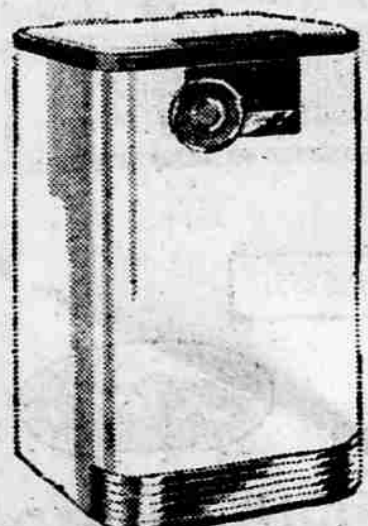

2-SHELF COMPANION OVEN
—Big complete, full-height oven bakes 4 pies or cake layers. New Calrod® "Focused Heat" Broiler and Calrod Bake Unit—both removable for easy cleaning at the kitchen sink. Beautiful "Starlight Grey" interior.

PUSHBUTTON CONTROLS WITH TEL-A-COOK LIGHTS
The touch of a finger turns on each of five exact cooking speeds. Tel-A-Cook lights tell you which unit is on and at what speed.

AUTOMATIC UNIT CONTROL
... Marked WARM, BOIL, AND FRY—control knob gives you accurate controlled temperatures for many different heat positions... and it's done automatically. You just set it—and forget it!
