

LADIES! LET'S GO SHOPPING!

Let's go shopping for something that is worth more than money. Now you can have more happiness through more leisure time . . . time that can be spent with your family. You can insure better health for your family by throwing away that unsanitary dishrag and dish towel. You can have more time to do those things that you have always wanted to do . . . When you stood up to the altar and promised to love and honor, did you realize that you also promised to spend about 9½ years of your life washing dishes? Ladies, there are things in life that are far more important than washing dishes by hand. Why be slaves to the dreary work of hand dishwashing? . . .
