

Sam Jones Hurls Cubs To Nod Over Redlegs; Score Handed 1st Loss

By FRED DOWN

United Press Sports Writer
Bill Veck's tip to acquire Sam Jones was paying off for the Chicago Cubs today and making General Manager Hank Greenberg of the Cleveland Indians fear that he gave up on the big pitcher one year too soon.

Purchased from Cleveland's Indianapolis affiliate as part of the deal in which the Indians obtained Ralph Kiner, the 29-year-old Jones pitched a two-hitter Sunday to give the Cubs a 2-1 victory over the Cincinnati Redlegs. The win enabled the surprising Cubs to sweep the three-game series with Cincinnati and also marked their fifth straight triumph over the Redlegs this year.

Veck, who advised the Cubs to take a chance on Jones because he believed the 6-foot, 4-inch right-hander's sore arm was healed, thus is having the last laugh on Greenberg—who followed Veck to Cleveland. Greenberg predicted in 1952 that Jones would be a big league star but gave up on him last year after Sam failed to come through in several tries with the Indians.

Score Fails Again
Rookie Herb Score failed for the second straight time Sunday as the Indians bowed to the Detroit Tigers, 6-4, for their third loss in four games. Score yielded five runs in six innings and suffered his first big league loss as rookie Frank Lary won his first game. Score was knocked out by the Kansas City Athletics in his previous start although he was not the loser.

Former teammate Ray Boone drove in four runs with a homer and a single for the Tigers as the Indians dropped their fifth game in 11 starts. It adds up to a disappointing start for the American League champion but a year ago today their record was 3-6 and they went on to win a record 111 games.

The New York Giants won a spectacular, three hour and 55 minute struggle with the Brooklyn Dodgers, 11-10, in 10 innings and the Pittsburgh Pirates beat the Philadelphia Phillies, 6-1, in other National League games. The Phillies led, 2-0, in the second game when it was suspended in the eighth inning. It probably will be completed on June 28.

In the American League, Willard Nixon's two-hitter gave the Boston Red Sox a 1-0 decision over the New York Yankees at the Kansas City Athletics beat the Chicago White Sox, 5-0. The Baltimore Orioles beat the Washington Senators, 2-1, in their opener but the Nats won the nightcap, 5-2.

Pirates Win First
The Giants scored six runs, three on Ray Katt's tie-breaking homer, in the 10th inning and then held on as the Dodgers countered with a five-run outburst of their own. Alvin Dark's homer tied the score in the ninth inning and Dark scored the winning run in the 10th. Willie Mays hit two homers for the Giants while Pee-wee Reese and Carl Furillo homered for Brooklyn.

Max Surkont's eight-hitter gave the Pirates their first win of the season after eight straight losses. Del Ennis spoiled the shut-out bid in the sixth with a homer. Rookie Norm Zaichin's Texas League single in the ninth enabled the Red Sox to beat the

Wiemaraner Stake Won By Ludwig

Ludwig Von Weisenhoff, owned by Dr. J. Oliver, Palm Springs, Calif., was winner Sunday in the open all-age class of the Oregon regional pointing and retrieving trial of the Wiemaraner Club of America.

The trial was held in the Camp White area.
Open winner was handled by Ray Tanguay, Eugene.
Fritz of Klamath, owned and handled by Milt Sessler, Klamath Falls, took first place in the amateur all-age trial. There were just three entries and only one place was awarded.

Field of Eight
Ludwig topped a field of eight. Two other places were given in the open. Faraway Scudding Cloud, owned by Dr. H. Shaw, Seattle, and handled by Harvey Martin, Seattle, took second. Third was Gary Von Fabien, owned by Mrs. Adelaide Frazer, Eugene, and handled by Tanguay.

A sizable gallery was on hand yesterday to watch the dogs work. Trial Chairman Jerry Brady, Eugene, said that while the field for the two-day trial was smaller than expected, interest shown indicated that other and larger trials may be held here in the future.

Pup and derby stakes were held on Saturday.

A visitor here for the trial was Myron Stepath, Lancaster, O., national president of the Wiemaraner club.

Jim Arrons and W. E. Dames, Portland, were judges.

Rocky Castellani Opposes Varona

New York—(U.P.)—Rocky Castellani, who would like another shot at Bobo Olson's middleweight crown makes one of his infrequent eastern appearances tonight when he battles Chico Varona of Cuba in a scheduled 10-round bout at St. Nicholas arena.

The Luzerne, Pa., native, who now makes his home in Cleveland, is an overwhelming 5-1 favorite for the widely-televised bout.

Will Guarantee
Castellani dropped a 15-round decision to Olson in their title scrap at San Francisco last August and now is gunning for another crack at the champ. In fact his manager, Al Naiman, is willing to post a \$125,000 guarantee for Olson to defend against Rocky at Cleveland in July or August.

Another widely-televised fight tonight will bring together featherweights Rudy Garcia of Los Angeles and Lulu Perez of New York at Brooklyn's Eastern Parkway arena. Garcia, who is ranked sixth in the division, is a 2-1 favorite for this 10-rounder.

Fights
Paris: Percy Bassett, 130.9 Philadelphia, stopped Seraphin Ferrer, 135.7, France, 10.

Chan Harper Golf Victor In Virginia

Virginia Beach, Va.—(U.P.)—Dapper, unassuming Chandler Harper today credited his first major golf triumph in 14 months to terrific iron play that made him "bogey proof."

Playing his irons so well that he almost never left himself with a long putt, Harper stormed home an easy winner in the Virginia Beach Open tournament Sunday and a record-breaker to boot with a 72-hole total of 260-16 strokes under par.

"The irons did it," said the 40-year-old former PGA champion from Portsmouth, Va., who scored his last victory in the Texas Open, February, 1954. Harper, who earned \$2,400 for his triumph, headed into the final round tied with Ed (Porky) Oliver of Lemont, Ill. Harper sailed over the final circuit with five birdies, 13 pars, and not a bogie anywhere for a five-under-par 64, but Oliver was able only to match par 69 and dropped back to finish in third place.

Dick Mayer of St. Petersburg, Fla., three strokes behind Harper at the start of the last round, shot a four-under-par 65 and wound up four strokes behind at 264 to take second place. Mayer earned \$1,800 and Oliver \$1,400. U. S. Open champion Ed Furgol of St. Louis tied for fourth place at 266 with Marty Furgol of Lemont, Ill. The two stars are not related to each other.

Ashland Foe Of Tornado On Tuesday

The Medford high baseball team, weathered out of two conflicts last week hopes to get back into Southern Oregon-Conference action this week by meeting Ashland twice.

Medford plays the Grizzlies there on Tuesday and here on Friday. Grants Pass, unbeaten in the loop along with Medford, entertains a non-league foe, Crater, on Tuesday.

All the clubs in the league now hold two wins apiece over Ashland. Klamath Falls turned the trick last week end but the Grizzlies can't be taken lightly.

They gave Medford a tough time early in the month before the Tornado won 10 to 9. The Black Tornado, however, took the second mix 10 to 2.

McCullough Choice
Ed McCullough likely will pitch for Medford on Tuesday with Duane Sides or Ernie Tyler possibly getting Thursday call. Coach Alex McDonald indicated the two may share the chore.

First Baseman Ed Reinking is back with the Medford club after a bout with flu last week. Frank Rector, who has previous varsity experience, is now out and is expected to be in the Medford lineup frequently after conditioning.

He's an outfielder and shortstop and may break into the lineup in the outfield before he gets infield duty.

Policy Council Of NCAA Might Levy Penalties

Chicago—(U.P.)—The policy-making council of the National Collegiate Athletic Association opened its spring meeting today and it was possible, though not certain, that penalties might be levied on some members for rule violations.

A report from the infractions committee was on the council agenda, but Executive Secretary Walter Byers said it might be turned in today or Tuesday.

No Comment
Further he had no comment whether the report would include recommendations for penalties.

Should the infractions committee fail to turn in a complete "case" against some member, the council would not be called upon to levy a penalty.
Byers would not reveal whether any completed cases would be turned in.

Pinehurst, N. C.—(U.P.)—With defending champion Billy Joe Patton of Morgantown, N.C., a doubtful starter, 140 of the country's top amateur golfers tested off today in the medal play qualifying round of the 35th annual North and South Amateur Golf tournament.

Today's round will trim the field to 64 players for match play which gets under way on Tuesday over the 7,000-yard No. 2 championship course.

There will be one round on Tuesday and two Wednesday with quarter and semi-finals scheduled for Thursday and Friday. The 36-hole final round will be played Saturday.

Jean Elbon Scores Lone Fall in Girls' Tag Scrap; Thomas Clobbers Hussane

Jean Elbon and Shirley Winters kept their hex on Gerry Hunter at Merrick's arena Saturday night when Hunter and her partner, Bonnie Bartlett, lost a lone fall decision in a wild tag team wrestling match.

Although only one member of each team is allowed in the ring at a time, all four girls went at it for more than three minutes at one time before Referee Larry Presnell got the mess untangled. And some more extra curricular fireworks resulted when Elbon and Bartlett were having at it in the ring. Hunter sneaked around the ring and pulled Winters from the apron. She gave Shirley a pretty good going over before it was broken up by Presnell, who left Elbon and Bartlett to have at each other while he went over the ropes to stop the impromptu fust.

Elbon Takes Fall
Miss Elbon took the lone fall over Hunter with a cleverly executed Boston crab after Hunter had slammed her into one of the corners.

Hunter, meaner than usual, if possible, tried repeatedly to get Bartlett to pull some unethical stuff as Hunter would rush first Elbon and then Winters into the Hunter-Bartlett corner. But Bonnie would have no part of it, which left Hunter quite unhappy.

Bartlett's refusal brought out an argument in the dressing room with Champ Thomas taking the side of Bartlett and Yogi Hussane siding with Hunter and a first class debate was averted only by the interference of the other wrestlers.

Hussane Gets The Works
Wild Man Hussane found Thomas to be a little more than he could handle in their tussle and lost two out of three falls.

Thomas got the first one with three drop kicks and a body press, Hussane the second with two body slams and a press, and Thomas the clincher with a quick kick and press.

The over-flowing crowd screamed with excitement as Hussane pulled every stop in the rule book. After the first fall he attacked Thomas in the latter's corner and in an effort to grab the last fall he tried a quick rush at Thomas, but ran square into a well-planted kick and it was over.

Longer Porter, a newcomer who was introduced from the ring, might have softened Hussane somewhat. After the introduction Porter started to leave the ring and Hussane grabbed him in a headlock. Porter squirmed out and promptly flattened the big Turk with a well-aimed judo swat.

A police escort was necessary to get Hussane out of the ring after the match as first Porter and then a couple of over-excited spectators wanted a crack at him.

Buck Davidson took the first fall from Larry Presnell and then lost the next two in the opener. Davidson, usually holding the support of the fans, was booed several times for getting rough.

TAKE GOLF TOGAS
Victoria, B. C.—(U.P.)—Two Seattle golfers weathered hail, snow, rain and gale-force winds to capture ladies and men's honors in the finals of the Empress Hotel Championship Tournament here Saturday. Lee Stell, Seattle, defeated F. E. Shafer, Salem, Ore., 3-1 to win the men's title. Mrs. O. W. Smith of Seattle beat Mrs. J. D. Munro, Victoria, 5-4.

Admission had been charged to the event.
But Wilson said in a letter to Dr. W. W. Patty, Indiana University athletic director, that he would endorse a petition to the faculty representatives appealing his own decision because of "extenuating circumstances."
