Fire Damages Room In City Residence

Fire thought to have started in a closet where paint thinner was stored damaged a vacant three-room house at 1375 South Columbus ave. this morning. Firemen said they received an alarm about 8 a.m. that smoke was coming from the house, owned by Harriet Gibbs. On arrival with two pumper trucks they found one room in flames. They stated that the fire was confined to the one room although windows were cracked and smoke damage was extensive.

The owner, who lives in another residence at the same address, reported that she had been painting, papering the house for rental, according to firemen. They said that the paint thinner and other similar materials were stored in a closet in the bathroom.

A neighbor reportedly noticed the smoke and informed the owner, who turned in the alarm.

California had 72,400 acres planted to asparagus in 1954.

Dead line for Sunday Classified is at noon Saturday.
