Letter From Korean Home Tells of Needs; Children Available for Adoption

Mrs. H. Miracle, 1702 Corona ave., president of the Seventh Day Adventist church's Dorcas society, a welfare organization, sends clothing and other articles for use at a Korean sanitarium and hospital orphanage. This week she received a letter expressing appreciation and telling of further needs at the institution, including adoption both in this country and in Korea of homeless children.

The letter follows:
"Soul Sanitarium and Hospital Orphanage
Box 43
Seoul, Korea
February 14, 1955

Dear Friends: This is Valentine's Day and we wish to take this opportunity to thank you again for your interest in our orphan boys and girls to express the love and gratitude in their hearts for what you have done for them.

At present we have 61 youngsters attending the primary school which is grades one to six. There are 33 studying on a middle school level which covers grades seven to nine. The school building erected last year is too small for our needs and if you were to visit the Orphanage today you would find classes being held in the children's living quarters, in the engine room, and in any other available space.

Observance Slated At Friends Church

National Family week will be observed at the Friends church May 1 to 8. Families are asked to attend the church services Sunday as a group. Pastor Clyn-ton Crisman will speak on "The Battlements of the Home" in the 11 a.m. worship hour. The youth quartet will sing.

During the week, activities will include a combined prayer meeting of youth and adults Wednesday evening, and a film, "The Stones Cry Out," from the Moody Institute of Science, on Friday evening. Family week will close with Mothers' day observance the following Sunday. A dedication service for babies will be conducted and gifts provided for mothers.

First Methodists To Open New Class

A new Adult membership class will begin at the First Methodist church on Sunday, May 1, at 5 p.m. Dr. Raymond Balcomb, minister of the church, will teach the class. All interested persons are invited and attendance implies no obligations, church officers point out. Persons who are already members but desire to learn more of the history and meaning of Christianity also are invited.

Loyalty Sunday will be observed at the services of morning worship at 9:30 and 11 a.m. with Dr. Balcomb preaching on the theme, "Dollars and Sense." Church Music

given on the heading of this letter. (The Rues expect to be back by the middle of March.) Any funds sent in the future should be in check only—no money orders nor cash.

You may continue to send packages to the Commanding Officer, 326th Comm. Rec., APO 301, San Francisco, until notified otherwise. Only the name of the Commanding Officer should appear on the outside of these packages. If you wish to put one of our names or the name of the orphanage on the inside you may do so, but it should not appear on the outside. It would be better to send most of the new things this way, rather than through international mail. Used clothing and other things will come through the Korean mail all right.

Since the fall of 1951 the 326th Comm. Rec. group of the Army has promoted the interests of our orphanage in many ways. It is the Commanding Officer and Chaplain of this unit who sponsored the giving of a Christmas party for our youngsters the past two years. This year the gift of food and school supplies amounted to around \$1,000. We greatly appreciate the interest and support of this and other similar army groups. At present there are six fine young men on their Orphanage Committee and they are the ones who bring us your packages and acknowledge your letters.

Enclosed is a valentine picture of our older boys and girls and they send it to you with their love, heart-felt thanks, and best wishes.

(Signed) Irene Robson,
The Rues and Irene Robson.

P.S. In the future for any checks sent, make payable to the "Soul Sanitarium and Hospital Orphanage." Write on the back of the check where endorsement is made "for deposit only." Send air mail through the Korean post office and they should reach us all right.

The Motlon Indians in the region of Lake Maracabo, Venezuela, are believed to be the only people in the world who have no dogs.

Many of you have written asking about our needs. There is constant need for such things as combs, toothbrushes and toothpaste, and for school supplies such as tablets, pencils and crayons. For the younger babies we are needing rubberized or plastic sheeting and panties. We were so thrilled for the shipment of new baby gowns, jackets, diapers, blankets and other things received from friends in the Los Angeles area. This past week we unpacked the washing machines which were sent from friends in Northern California. Many of these things are already in use. The other things received are too numerous to mention, but thanks to all. As the army withdraws it will become more difficult to get needed milk. Each day it takes 35 gallons of milk for the babies and more than twice this much for the older boys and girls.

Rosalind Russell, star of "Wonderful Town," with her son, Lance

"Ever stood next to your youngster in church?"

If you have, then surely you've felt that surge of warm feeling spread over you... as I have.

"Maybe it's his wide-eyed absorbed expression... perhaps it's the happy feeling I get just at being in church with Lance and my husband, Fred—and knowing we've already introduced our son to God. As we attend church each week with Lance, we see his heart grow bigger with the qualities of love, friendship and tolerance. Because Faith has made our lives so much richer we want Lance to grow up in its wisdom."
