

Sallie Edge Is Bride of Lieutenant

Miss Sallie Jayne Edge, daughter of Mrs. Dennis Edge, Portland, and the late Mr. Edge, became the bride April 16 of Lt. Richard Eugene Friese in rites at the First Presbyterian church in Portland. The bride and her family are former Medford residents. The bridegroom is a son of Mr. and Mrs. Richard G. Friese, also of Portland.

Dr. Paul S. Wright read the ceremony at 8 o'clock in the evening.

The church was decorated with pink magnolias and spring flowers.

Thomas H. Gerety, Medford, a brother-in-law of the bride, gave her in marriage. Her gown of satin and nylon net was designed with a semi-train and her illusion veil was held by a pearl trimmed cap. She wore matching pearl ear rings and a gold chain which belonged to her paternal grandmother. Her bouquet of white carnations was centered with pink baby roses.

Mrs. Gerety, sister of the bride, was honor attendant. Her gown was of pink crystalite and she wore a matching Juliet cap. Her bouquet was of yellow carnations.

The junior attendants, Sheryl and Christy Gerety, nieces of the bride, were dressed in white embroidered nylon gowns and carried baskets of pink and blue daisies.

Robert Milton Friese, a brother of the bridegroom, was best man, and George Perry and Aubrey Kennedy were the ushers.

The reception also was held at the church. Flower arrangements were done by Mrs. Jackson Graham. Mrs. William Diericks, Seattle, an aunt of the bridegroom, Mrs. Anita Dowlin and Mrs. L. H. Huffsmith poured the punch.

Mrs. J. M. Huffsmith and her daughter, Mrs. Allen Caldwell, of Seattle, Mrs. J. W. Fitzgerald, LaGrande, Miss Betty Ezell, Miss Jean Obert and Miss Jo Ann Foeller served the cake.

The couple made their wedding trip to the Oregon coast and after May 10 will be at Denver, Colo., where the bridegroom, an Air Force lieutenant, will be stationed at Lowrey Air Force base. He recently completed air cadet officers training at Harlingen, Tex.

The bride attended Washington school and Medford Senior High school and was graduated in 1932 from Jefferson High school, Portland.

Annual Festival To Mark Home Demonstration Week

As part of the tenth annual observance of National Home Demonstration week, May 1 to 7, Jackson county home extension units will hold the annual Homemakers' festival Thursday, May 5, in Central Point Grange hall. Women from all parts of the county will attend.

Registration will open at 9:30 a.m. and the program will begin at 10:30 a.m. Luncheon will be served at noon, and afternoon events will conclude about 3:30 p.m.

Dr. G. Burton Wood, Oregon State college, will speak, and Miss Mary Routh, clothing specialist will bring greetings from Oregon State college.

Miss Routh joined the OSC extension service this year after several years as clothing specialist with the Texas extension service. From 1940 to 1945 she was a county home demonstration agent in Texas.

Miss Routh received her bachelor's degree in home economics from Texas State College for women and her master's degree in textiles and clothing from Columbia University's Teachers' college.

Miss D. Eula Wintermote, Jackson county home demonstration agent, states that while this week is the 10th National Home Demonstration week, the annual festivals have a much older history in Oregon. As far back as 1923 counties held a homemakers' day, which were program-planning days with fun, style shows, music and speakers added.

The festival idea was a result of World War II. Annual home interest conferences at OSC were drawing more than 1,000 women a year when war time travel restrictions brought them to an end. In their place, the counties instituted the Homemakers' festivals. These have proven so popular that they are being held in all 30 of the counties with home extension agents.

Miss Wintermote points out that the annual week provides an opportunity to interpret the work of the entire extension service. Recognition of volunteer local leaders who have contributed to home and community improvement is always an important feature of the week.

During 1955 the program will emphasize the importance of wise management decisions in home and family living; increase an awareness of the influence of the home on the character and personality of youth; help consumers develop skills and change attitudes in the selection, buying and using of food and fiber; assisted families in understanding the broad problems of agriculture and their relation to local, national and world economy; encourage families to use their influence to strengthen the communities in which they live and give recognition to volunteer leaders whose services have contributed greatly to the development of better homes and community life.

Miss Wintermote further pointed out that the extension program in the past has helped women to increase their knowledge of nutrition, meal planning and preparation, has helped them to entertain easily and graciously, and has increased their knowledge of materials and clothing.

The meeting was held at the home of Mrs. Robert Voegtly, at 2012 Westerlund drive. Following a brief business session conducted by the president, Mrs. Ward Samuelson, the group was entertained by a talk given by Mrs. L. L. Sanders, who spoke on her recent European trip, and displayed a number of articles which she had purchased while there.
