Pie Too Fattening Says German War Bride

Alpha, III.—(U.P.)—A German war-bride here said she likes American foods but pies are "the toughest to make and so fattening."

Mrs. Arthur Price, 25, said Americans eat too many canned vegetables, compared to Ger-

mans who like them fresh. She said American hamburger and hot dogs are good, but thinks the buns should be less soft and sweet.

Mrs. Price said American cooking wasn't new when she started housekeeping in America because she learned from an American cookbook her husband's mother sent her while she was still living in Germany.
