Ashland — Dick Stamm raced to a new school record in the high hurdles here Saturday to pace Southern Oregon college's Red Raider track team to a 78½ to 52½ victory over Humboldt State.

Stamm went the distance in 16.2 seconds, to break his own record of 16.4 set two weeks ago against Shasta. He also collected a first in the lows to tie with Glenn Nelson of SOC for second high scoring honors.

Top scoring honors were taken by LeRoy Springer of the Raiders. Springer piled up 11½ points on a first in the discus, second in the 100-yard dash, second in the javelin, and a tie for third in the high jump.

The Raiders were running without the services of several of their top athletes, who were laid up with the flu. These included sprinter Clarence Baker, middle distance ace Jerry Livingston, and Bill Boye in the shot and discus.

Southern Oregon will face its toughest competition of the year Thursday at Chico when the Raiders go up against Chico State and Mather Air Force Base.

# Beavers Defeat Washington 9-0; WSC Trips Idaho

By UNITED PRESS  
 Three Northern division baseball teams sported spotless records today but lowly Idaho was still looking for its first victory of the year.

Washington State handed Idaho its seventh straight loss, 12-6, at Moscow, Ida., yesterday, and Oregon State college pinned the fifth straight defeat on the University of Washington Huskies, 9-0, at Corvallis.

Lefty Al Guidotti tossed fourth ball as OSC had an easy time with the Huskies. He whiffed seven, pitched to but 31 batters, while all of his mates hit safely with the exception of outfielder Jerry Exley. OSC wrapped it up with six runs in the third.

WSC tallied five runs in the third and added six more in the seventh with the help of some leaky Idaho fielding.

WSC and Oregon each have 3-0 slates with OSC right behind at 2-0. Washington is now 4-5 after four victories at the start of the season and Idaho has dropped seven without a victory.

Central Point — Crater High clinched its third Rogue league championship of the current school year yesterday by nicking Illinois Valley's baseball aggregation 2 to 1 here.

The decision, Crater's fifth straight against no setbacks in the circuit, also gave the Comets the District 6 A-2 southern division title in the state pennant race.

Crater capitalized on some fine relief pitching by Fred Herrman and wildness on the part of IV Hurler Jim Eggers in the seventh and final inning. Eggers walked in the winning tally.

Lyman Stubb's single and a two base error in center field on the hit set up the Comets first run in the second inning. Stubb got all the way to third base in the action. He scored on a ground out by Ken Bailey.

In the seventh inning Eggers was hit by a pitch by Crater's Fred Hogue. An error followed on Howard Pickle's ground ball. Then Mellow doubled allowing Eggers to reach the plate. With men on second and third bases and no one out Crater Coach Clarence Melbye called Herrman to the hill. The reliever struck out three consecutive batters to retire the side without further damage.

Harold Lefler walked as the Comets batted in the seventh. Hogue, still in the game, bunted and was safe on a wild throw to first base. Harvey Tonn walked and Mel Harsh got another base on balls to push over the victory counter.

Hogue fanned two, walked three and hit one batter. He gave up just three hits. Herrman had the three strikeouts to show. Eggers allowed only four hits and whiffed eight batters but walked seven.

The Comets were to have a non-league fracas at Klamath Falls today. They are tentatively slated to play a Rogue league make-up mix at Phoenix on Friday.

With only the Phoenix mix to play in the league and subdistrict, the Comets can't be caught in the race. Eagle Point, new in second spot, has lost two. Crater also has won the Rogue football and basketball mantles this school year.

In the northern baseball subdistrict Sutherland leads the Umpqua Valley league with 2 wins and no defeats.

| Jacksonville | 1 2 .333  |
| Rogue River  | 1 3 .250  |
| Butte Falls  | 0 4 .000  |

Talent high held lone unblemished leadership and Rogue River celebrated its first loop triumph in five years after Jackson County B league baseball conflicts yesterday.

The Bulldogs of Talent bowled St. Mary's of Medford out of the unbeaten class with a 4 to 3 nod and the Chieftains of Rogue River whacked Butte Falls 5 to 1. So far as it can be recalled, it was the first baseball win for Rogue River against any foe for four years.

Class B Jacksonville tipped Medford junior vars to 5 in non-loop play.

Gordy Thoreson crossed with the winning run for Talent after Jim Jones' wild pitch in the sixth inning. The Bulldogs had to come from behind to achieve the victory. St. Mary's gained single runs in each of the first three innings to get a 3 to 0 advantage.

**McAbee Triples**  
 Jim McAbee tripled in the fourth canto to touch off the fourth comeback. After Ray Weinhold got on base on a walk McAbee went home on a balk.

The Bulldogs scored two runs in the fifth inning. Don Coghill and Fred Helm were safe on errors on bunts. A wild pitch advanced both runners. Ron Weinhold hit to drive in one run and Ray Weinhold singled in the other.

Thoreson walked to get on base on the sixth and J. Lloyd Wood sacrificed him to second. George Zickfoose was safe at first on another miscue play on a bunt, putting Thoreson on third and in position for his scoring dash.

**Pruitt Hits Twice**  
 Ron Pruitt's hit, a fielder's choice rap by Dick Paup and an error on a fielder's option on a swat by Gerald Darland loaded the bags for St. Mary's in the first inning. Ramon Elbert walked to push a run in. For the second inning run Jerry Murphy got to second when his fly was dropped in right field, to third on an error on a pick-off try and home on Pruitt's single. In the third inning Darland was hit by a pitch, went to third when Laval Meunier's fly dropped in for a hit and scored when Elbert grounded out.

Pruitt and McAbee each hit two for four in the game.

Rogue River took the lead over Butte Falls in the first inning. Gary Stinchcomb and Rolie Prefontaine single and Gary Phillips double in the fray. The Chiefs used singles by Dick Towse and Fred Hopper, a hit batter and a ground out for two markers in the fourth stanza. Prefontaine homered in the fifth.

**Three Walk in Inning**  
 Butte Falls got three walks and was helped by an error and fielder's option in the third inning for its run.

Jacksonville scored two runs in the last inning to edge Medford's jayvees. The Redskins utilized Dick Sanford's single, Sam Bishop's triple, a walk and Gary Huener's flyout.

With 16 hits the Redskins got a good number of men on base but a number were left stranded and two or three were put out at home plate. Bishop got four hits in four times at bat and Jack Daly hit three for four. Bob Mays got two hits in three times up for Medford.

Hueners, on the pitching slab, allowed Medford only six hits. He walked two and fanned two. Tyler, Medford chucker, struck out five and walked one.

Jacksonville was scheduled to oppose Butte Falls today in a league mix and St. Mary's vies at Rogue River and Prospect at Talent on Friday in the B chase. St. Mary's has a makeup game at the fairgrounds here against Jacksonville on Monday, May 9.

# Akins Nabs Upset Over Ron Delaney

New York — (U.P.) — Virgil Akins "up and down" career definitely was on the upgrade today and the St. Louis welterweight was calling for a title shot in the wake of his upset of heavily-favored Ronnie Delaney.

Akins, who had lost 1 of his previous 39 professional fights and who entered the ring a 4-1 underdog Monday night, knocked out Delaney at 2:41 of the eighth round in their widely televised bout at the Nicholas Arena. Akins weighed 146½ and Delaney 149½.

**Wants Top Bout**  
 Akins' manager, Eddie Yawitz, immediately announced he wanted Virgil to be rewarded with a match with champion Tony De Marco, Carmen Basilio "or some other top contender."

Delaney, who had suffered only one previous loss in 53 pro fights, battled on even terms with Akins through the first seven rounds. But the end came quickly in the eighth when Akins landed a left to the chin and followed with a right that sent Delaney to the canvas on his back.

Delaney of Akron, Ohio was counted out in that position by Referee Barney Felix.

**Second Upset**  
 Felix and Judge Bert Grant had Akins ahead, 4-3, in rounds but Judge Artie Schwartz had it 3-1. Among ringers there was considerable sentiment for Delaney.

In an "unset" of milder proportions, lightweight Tony Puleo of Brooklyn, a 17-5 underdog, fought to a 10-round draw with Carmelo Costa, also of Brooklyn, at the Eastern Parkway Arena. Puleo weighed 134½ pounds to Costa's 132½.

Costa was rewarded for his showing by being given a main-event bout against Lulu Perez at Madison Square Garden, May 27.

# Bragan Makes Farce of Hustle Program; Uses Eight Pinch Hitters for One Man

BY SCOTT BAILIE  
 United Press Sports Writer  
 San Francisco — (U.P.) — Bobby Bragan threatened to turn the Pacific Coast league's "hustle program" into a funeral march today and President Claire Goodwin anxiously awaited an umpire's report on the Hollywood manager's latest shennanigans.

Bad Boy Bobby added something new to baseball on Sunday by sending up eight pinch hitters to the plate for one pitch apiece while they batted en masse for southpaw hurler Lino Donoso. This soap opera was pulled off in the ninth inning of the first game of a double header between the last place Stars and Los Angeles. Hollywood lost both games.

Bragan explained afterward that he produced this marathon to express his displeasure at the

umpires. He had officially protested the game over a call in the fourth inning.

"I must say his action was a unique thing," the puzzled Goodwin declared today. "But I can't make any comment until Umpire Don Flecky's report reaches me."

And what about the hustle program bogging down during the ninth frame?

"Humm," Goodwin mused. "I guess that depends on how fast those eight batters came and went from the plate."

The fledgling president, who had predicted that his loop would draw 3,000,000 or better this season, also was somewhat perplexed by the weather.

Unofficial figures show that 88,628 came out to the PCL

parks last week, quite a few below the weekly standard of 111,000 the loop would have to maintain for that 3,000,000 figure.

Three games were washed out, two of them in Portland.

**More Interest**  
 "It's too early to say whether I'll have to revise my prediction or not," Goodwin said. "But I still think there is a lot more interest in the league than there was last year and I'm sure attendance will improve when we get a break on the weather."

League leading Seattle, which has played .786 ball in its last 14 contests, takes a four game winning streak into sagging Sacramento. The Los Angeles Angels, one game off the pace and bolstered by heavy hitting Steve

Bilko, invade Oakland while Portland meets slump-ridden San Diego in bordertown and Bragan's Stars host San Francisco.

Bragan and his young ball club are trapped in a five-game losing streak while San Diego has dropped four straight.

Can you see, steer, stop safely? ... Check your car ... check accidents

LOOKING FOR MORE VALUE from your motor car dollars? Then, look no more. Ford brings you a wealth of fine-car features that even some of the higher-priced cars can't match.

For example, the chart above shows that in feature after feature Ford gives you everything you have come to expect in a medium-priced car ... and more. Yet, a Ford Fairlane Town Sedan costs\* you less than the lowest-priced comparably equipped 4-door sedan of four popular medium-priced makes.

And, with Ford recognized as the style leader ... "at home" wherever you may go ... why pay more?

Feature for feature ... price for price ... you can't buy better than Ford.
