Trimmed just right for perfect eating

At **SAFEWAY** you pay only for the perfect-eating part...

Guests coming to dinner? Serve a tender, juicy rib roast. One that's properly trimmed to oven-roast perfectly. That's the kind of rib roast you'll find at Safeway—the only kind. It's trimmed of excess fat and bone before it's weighed... the perfect-eating part is the only part you pay for. And it's quality meat. Safeway buys only top Government grades of beef. Your money back if you don't find every cut perfect eating.
