

Indonesian Completes Tour of America; Will Tell People US Eager for Peace

New York — (U.P.) — A lawyer-politician from Indonesia has completed a seven-week tour of the United States and is going home to tell his people that Americans are eager to keep world peace.

Dr. Mohamad Roem, former foreign minister of Indonesia, visited Americans in their homes, churches, schools and meeting halls. He had a unique opportunity to take the pulse of U.S. opinion.

"The people I met are always ready for war if it is imposed upon them," he said in an interview here. "But they don't want war."

Roem will carry this view back to his populous nation which recently became independent after years of Dutch colonialism. Indonesia is regarded as a juicy target for Communist expansion in Southeast Asia. Its resort city of Bandung was the site of the recent Afro-Asian Conference.

Look For Peace
"Everybody is looking for a solution that is peaceful," the Indonesian leader said. "In my opinion, the majority of Americans do not think war is inevitable. They think international problems can be solved."

Roem took part in panel discussions on Asiatic affairs in 16 U.S. cities.

"Sometimes I was surprised at how much the audiences knew about Asia and sometimes at how little they knew," he said. "They were always attentive, but I found the public generally poorly informed on Asian problems."

He got the impression Americans are trying to learn about Asia, however, and he said "I

know now that we Asians have to improve our methods of telling about ourselves."

Roem believes Americans make too much of the presence

French Actor Leaves Grace Kelly Behind

Cannes, France — (U.P.) — French movie actor Jean Pierre Aumont sadly departed today for Paris, leaving behind actress Grace Kelly whom he described as "an adorable and sensational woman any man would be proud and pleased to marry."

"What I am saying is on my own responsibility," Aumont said. "She is a wonderful woman . . . I adore her . . . But whether the feelings are reciprocal is up to her to say."

Miss Kelly did not see Aumont to the station, but he visited her suite for about 10 minutes before catching his train. They have been constant companions for several days of the Cannes Film Festival and Aumont made no secret of his romantic attentions.

of Communists in the Indonesian government.

Wrong Direction
"They are too much impressed by the activity of our Communists and too little impressed by what we've been doing to improve our country—in the field of education, for instance," he said.

"When people asked me about Communism, I would reply, 'Why don't you ask what I am doing in Indonesia rather than what people I don't like are doing?'"

Roem predicted the Communist Party would make no gains in the Indonesia elections next Sept. 29.

He was critical of Americans who refer to such countries as Indonesia and India as "neutralist."

"In our hearts we are not neutral," he said. "We consider that we have formed a democratic alliance. You are used to thinking in terms of military alliances. But we are closer to you than to countries which are not democratic and it would be a pity if you did not pay enough attention to us."

MEDFORD (OREGON) MAIL TRIBUNE—FIVE

Flying Finns Refuse Penitentiary Food

Springfield, Mo. — (U.P.) — The Flying Finn Twins refused to eat again today at the federal prison here, making their hunger protest of 21 days duration.

Acting Warden E. J. Lloyd said they appeared to be in good health. He could see no change in their general appearance, he said.

The twins have done no prison detail work since their arrival here April 22. They still are being "processed," which ordinarily takes about three weeks. Their third week has just started.

George and Charles Finn said they began their hunger strike April 19, prior to their arrival here. They are protesting a one-year sentence for interfering with a federal officer in Southern California.

HEADS YOUNG DEMOCRATS

Pendleton — (U.P.) — R. Vernon Cook, Gresham attorney, was re-elected president of Oregon Young Democrats at the group's annual convention here Saturday.

Body of Human Torch Located by Authorities

Pittsburgh — (U.P.) — An elderly widower made a human torch of himself Sunday by dousing his clothing with gasoline and putting a match to them. Officers said Olischar was burned beyond recognition. A two-gallon tin of gasoline was found in his bedroom.
