HERE'S A
DELUXE MODEL
TO FIT YOUR BUDGET!

There's Nothing Finer in Medium Priced Ranges than G-E's Big New Airliner—a Full 40-inch Width, PLUS Divided Surface Units for Extra Convenience in Top-of-the-Range Cooking. The Oven Will Hold the Largest You'll Buy—Yet It's Practical for Every Day Cooking Too. G-E Focused Heat Broiler Saves Electricity.

SPECIAL GENERAL ELECTRIC RANGE FEATURES

PUSHBUTTON CONTROLS WITH TEL-A-COOK LIGHTS. The touch of a finger turns on each of five exact cooking speeds. Tel-a-Cook lights tell you which unit is on and at what speed.

AUTOMATIC CALROD® SURFACE UNIT. Newly developed, here's the fully automatic surface cooking unit. Just set it for cooking at warm, boil, or fry—and you get it, automatically. Sensitive precision-built thermostat in center of unit in contact with your cooking pan. Foods cook themselves, automatically.

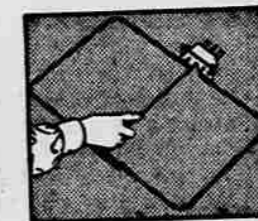

2-SHELF COMPANION OVEN.—Big complete, full-height oven bakes 4 pies or cake layers. New Calrod® "Focused Heat" Broiler and Calrod Bake Unit—both removable for easy cleaning at the kitchen sink. Beautiful "Starlight Gray" interior.

ELECTRIC MINUTE TIMER.—provides a handy way of measuring cooking times without watching the clock. Just set timer and forget it. Buzzer sounds when time is up.

NO-STAIN OVEN VENT.—Here's a cleanliness feature you'll appreciate more and more, because it traps grease and oven vapors so that colors stay bright, curtains stay fresh, walls and ceiling need decorating less often, and pots and pans seldom need scouring. Easy to remove for washing in the sink, like any utensil.

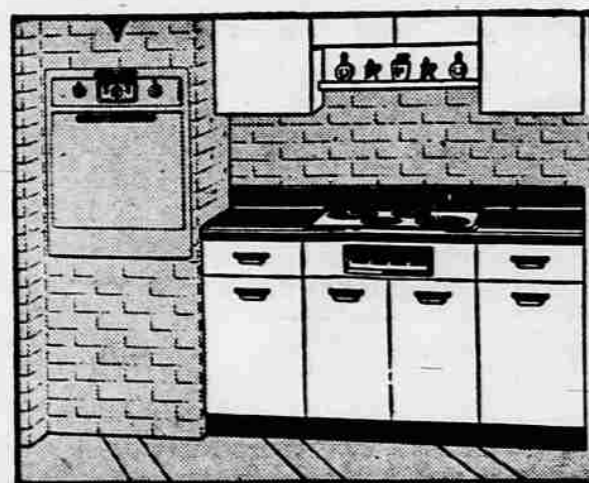

CALROD® BAKE UNIT.—Better uniform heat distribution with amazing "skeleton" type baking unit which assures even top-to-bottom browning. It's self-cleaning, too—spillage burns off by itself, and the floor of the oven is easier to clean, too.

AUTOMATIC OVEN TIMER.—turns oven on and off at times you select. Two simple clock settings make it easy to use—and as safe to leave as your electric refrigerator.

RANGE FEATURES YOU'VE SAID YOU WANT!
