

Mr. and Mrs. Jack L. Crumm —(Brainard photo)

Shirley Chaney Is Girl of Year At Ashland School

Ashland — For outstanding qualities of leadership, character and workmanship, Miss Shirley Chaney, senior from Myrtle Creek, has been chosen "Girl of the Year" by the Associated Women Students of Southern Oregon college.

Miss Chaney was one of six senior women selected to set up a new women's service honorary, the Robes; she has been the president of AWS for the past year; she is a member of Sigma Epsilon Pi, women's scholastic honorary; and was Homecoming queen last fall. In her stay at SOC she has worked in many other student activities.

Wedding News Announced Here

Shady Cove—Announcement of the wedding February 4 of Miss Jane Jack and Jack L. Crumm was made last week. The bride is a daughter of Mr. and Mrs. Sheldon Jack, Shady Cove, and the bridegroom's mother is Mrs. Eva Crumm, 507 Effie street.

The ceremony was performed by the Rev. Floyd Yeats of Temple Baptist church at his home.

The bride wore a white lace dress and her flowers were pink carnations. Her mother and Mrs. Crumm acted as witnesses.

The newly weds are living at 410 Marie street.

To give extra-rich color to vegetable soup, cook it with enough paprika to taste.

Club Plans Place Mat Project

Ten thousand place mats illustrated by an animated map of the Rogue River valley and publicizing the recreational, business and industrial resources of the county, particularly Medford, will be printed and distributed by Medford Altrusa club. The project is being undertaken by the club as its contribution towards building up the trade area and interesting tourists in spending time and money in southern Oregon, it is stated.

This annual project, unique in the valley, was started here last year by the club following its adoption by International. Throughout the year, these attractive place mats not only were used in hotels, motels and restaurants where the tourists and interested future business and residence prospects could see them and take them along to give to their friends, but were also given to churches, Granges, clubs, conventions and community halls to be used at their meetings.

With the continued cooperation of business men who worked with the club last year, the committee in charge, Mrs. Frances Grant, Mrs. Edith Baker, Miss Grace Smith, Mrs. Judy Stoll and Mrs. Esther Mohr, are planning a more attractive mat in blue and white on special paper which will be ready for distribution the first part of June.

Any profits from the Altrusa place mat project will be used for grants in aid to Latin American women for advanced study in this country, thus fostering friendship between countries, and for vocational aid grants to needy older women through the founders' fund.

Business firms will be contacted and given an opportunity to share in this project.

A report by Mrs. Maude Codding on the Altrusa 10th District convention held in Walla Walla, Wash., May 14-16, will highlight the evening social meeting of the local club Thursday evening, May 26. It will be held at 7:30 p.m. at the home of Mrs. Bereth Hopkins.

Mrs. Bertha Haskins, president, announces that Mrs. Maisie Daily, assisted by members of the executive board, will conduct the traditional initiation ceremony for new members, following the above program.

Miss Myrta Otterdale and Miss Grace Smith are to be hostesses for the meeting.

Clothing Specialist Says Small Wardrobe Best for Present Day

Champaign, Ill. — (U.P.) — Comforting word for husbands: American women don't need large wardrobes for today's way of life.

So says Rita Whitesell, a clothing specialist at the University of Illinois.

Miss Whitesell, giving ammunition to all husbands who complain about their wives' clothing bills, said that modern methods of travel and today's small homes mean a woman needn't own several garments when one will do the trick.

And, she added people live such busy lives that they don't have time to devote proper care to large wardrobes.

Miss Whitesell advised women to plan a "capsule" wardrobe, containing the fewest garments necessary for continual wear and minus any "white elephants."

For such a wardrobe, good choices are basic garments of a casual type in classic lines, Miss Whitesell said.

Butte Falls Unit To Meet Thursday

Butte Falls — Butte Falls Home Extension unit will hold its last regular meeting of the current year at the ranch home of Mrs. Ted Fredenburg, Thursday, May 26, starting at 10:30 a.m. This meeting was postponed because the county festival at Central Point was held on the unit's regular day. New officers for the coming year will be installed.

Miss Eula Wintermote will discuss "How best to live within twenty-four hours a day." Members are reminded to bring charts previously made on "good weight for good health." All women of the community are welcome to come to any part of the meeting which lasts until three o'clock.

Those desiring child care may leave children at Mrs. Ted Reddells next to the city hall for a small charge.

DAV Auxiliaries To Hold Meetings; Announce Dinner

Both senior and junior auxiliaries of the Disabled American Veterans, Jackson County Unit 8, will meet this week. The senior auxiliary will join the chapter Tuesday, May 24, at 6:30 for a potluck dinner at the DAV hall, 1515 North Riverside avenue. Ladies attending are requested to bring a salad, vegetable or meat dish unless otherwise notified.

A business session will begin at 8 p.m. and officers will be elected for the next year. Chairmen are reminded that the deadline for state reports is May 25.

The juniors will meet Saturday, May 28, at 1 p.m. at the home of Mrs. Harvey Cassman, Seventh and Cherry streets, Central Point.

Members are to bring a sack lunch.

Social Club

Jacksonville—A salad luncheon is planned by members of Adare Social club, Order of the Eastern Star, Thursday, May 26, at 12:30 p.m., at the home of Mrs. Clare Shores, 52 Oakgrove road. The hostess will be assisted by Mrs. Ralph Lue and Mrs. Don Shores.

Home Nursing Classes Close; Room Established

Eighteen valley women were graduated last week from the American Red Cross home nursing course and two instructors for the courses were certified. The classes were under the supervision of Mrs. Patricia Hunsaker, from the area headquarters at San Francisco.

Mrs. Irene Johnson and Mrs. Mary Helen Lehman were certified as instructors.

A new permanent room for conducting home nursing classes had been set up at the American Legion home on South Riverside avenue, it was announced by the chapter office staff. Home classes will be held throughout the year and anyone interested in the training may enroll by telephoning the Red Cross chapter office, telephone 2-4405. The classes are a public service provided by the Red Cross at no charge.

Mrs. T. R. Florey is in charge of the home nursing and is responsible for the service being offered in this vicinity, staff members explained.

A cloth dampened slightly with kerosene often will remove fingerprints from walls and woodwork.

MEDFORD (OREGON) MAIL TRIBUNE—FIVE

Roosevelt PTA Installs Officers At Final Session

Last meeting of the year for Roosevelt Parent-Teacher association was held recently in the Cranston, president, presided at the meeting which opened with several selections by a chorus of third grade pupils, under the direction of Mrs. Stella Bundo.

Installation of officers for the coming year was held with Mrs. W. G. Ardry, retiring president of the Medford PTA council, as installing officer. Those taking office were Mrs. Warren Lesseg, president; Mrs. G. J. Adfinger, vice-president; Mrs. Joe Wittenberger, secretary and Mrs. Stuart V. McQueen, treasurer.

The retiring officers, with Mrs. Cranston, are: Mrs. R. B. Knight, vice-president; Mrs. J. A. McDougal, secretary and Mrs. R. W. McNair, treasurer.

Mrs. Jack Walker, case finding chairman for the Jackson County Public Health association, gave an informative talk on the manner in which chest x-rays are now being handled through the hospitals. She com-

pared this procedure to the previous way x-rays were given in mobile rapid tempo surveys, adding that more people are reached in this manner and that a more thorough program is achieved.

The room count was won by Mrs. Bundo in the lower grades and Mrs. Eleanor Hamil-

ton in the upper grades. Hostesses for the afternoon were the mothers of the pupils in the sixth grades.

Don't use copper or brass strainers when working with citrus fruits or tomatoes. These metals will destroy vitamin C, says the Alabama state extension service.
