## Cudd Attracts Attention In British Amateur Golf

St. Anne's, England—(U.P.)—Bruce Cudd of Portland, Ore., moved into the fourth round of the British Amateur Golf tournament today with a 3 and 2 victory over Harley Roberts of England.

The 21-year-old Cudd never was behind as he forged a 2 up lead on the outgoing nine holes and maintained it while shooting spotty golf coming in. Cudd birdied the 11th and 13th holes, but lost both the 14th and 15th with bogey fives before clinching on the 16th.

Bert Weaver, Beaumont, Tex., defeated Robin Galloway, 19, of Scotland, 3 and 1, in the third round. Weaver earlier defeated S. J. Fox of England, 3 and 2, to join Cudd and seven other Americans in third-round competition.

St. Anne's, England—(U.P.)—Billy Joe Patton and Bruce Cudd, a pair of young American stars, were attracting lots of attention today among the 22 United States players entering second and third round matches in the British Amateur golf championship.

Patton, one of the top U. S. hopes now that Walker Cup Captain Bill Campbell has been surprisingly eliminated, led 14 Yanks into second-round play.

Cudd, at 21 of the "baby" of the U. S. Walker Cup team that recently trounced Britain, 10-2, was among eight Americans slated to compete today in third-round matches.

The 22 Yanks were the survivors of an original U. S. entry of 46 players and Campbell, the husky Huntington, W. Va., star who was a finalist in this tournament a year ago, was the major upset victim. In fact, his 2 and 1 defeat by school teacher Reg Pattison of Enguand was being called one of the greatest first-round upsets in the 70-year history of the tournament.

Putting Not Funny

The 43-year-old Pattison presented something of a comic aspect as he waddled around the Royal Lytham and St. Anne's course clad in baggy trousers and shirt sleeves, but there was nothing funny about his putting. He missed only one short putt, and he had eight one-putt greens.

"Pattison was truly remarkable on the greens, Campbell admitted. 'I have no complaints, but I ought to have used my head. I know it will be a very long way back from this.'"

Cudd, from Portland, Ore., scored a 2 to 1 victory over Sir John Hartopp of Scotland in a match marked by such easy informality that it little resembled a clash in a championship tournament. They conceded each other two-foot putts and even holes on several occasions.

Today Cudd was matched in the third round against Harley Roberts of England.

Services were held, the day after the speedy victory dinner which Vukovich had hoped to attend as the first winner of three straight races in the 39-year history of the event.

The 37-year-old daredevil was leading the field in the 57th lap when he roared into a five-car pileup. His racer shot over the northwest turn wall, overturned five times and exploded in flames when it landed upside down. Vukovich was trapped in the wreckage.

The body will be returned to Fresno, Calif., tomorrow. It will be flown to Los Angeles where a hearse will meet the plane for the trip to his home town.

## 1905 Chicago U. Team Pays Honor to Stagg

Chicago—(U.P.)—Amos Alonzo Stagg, who made football history coaching University of Chicago teams for 40 years, returned today to the school where he once was a campus landmark to be feted by members of his 1905 championship team.

Stagg, who was forced to retire after the 1932 season because of a 70-year age limit for active coaches is now 93. It is his first visit here since he celebrated his 90th birthday in 1952.

OFFER MADE PEREZ

London—(U.P.)—Fight promoter Jack Solomons said today he has made a "tremendous offer" to Pascal Perez of Argentina to defend his world flyweight title against Dai Dower of Wales, who holds the British Empire and European titles. Dower stopped Pierre Cress of France in the ninth round of their scheduled 10-round non-title bout Tuesday night.

Summit, N. J.—(U.P.)—Light heavyweight champion Archie Moore predicted today he'll make the 175-pound limit for his title defense against middleweight king Bobo Olson at the Polo grounds June 22. "Reaching that... limit is no cinch," Moore said, "but I'll make it."

## Racing Drivers Pay Respects to Bill Vukovich

Indianapolis—(U.P.)—The nation's top race drivers paid their last respects today to Bill Vukovich, two-time winner of the Indianapolis Speedway race who rode to a fiery death in the Memorial Day classic.

Services were held, the day after the speedy victory dinner which Vukovich had hoped to attend as the first winner of three straight races in the 39-year history of the event.

## Del Coursey Pens Braves' Contract

McMinnville—(U.P.)—Del Coursey, right-handed pitcher at Linfield College, yesterday signed contract with the Milwaukee Braves of the National League and will report tomorrow to Boise of the Pioneer League.

Coursey, a native of Elmira, Ore., is 22 years old, stands six-foot three and weighs 210 pounds.

Coursey received a "small bonus," according to Bill Marshall, Milwaukee's West Coast scout.

## Minoso May Return To Action on Week End

Chicago—(U.P.)—Minnie Minoso of the Chicago White Sox will be released from the hospital today and may return to action this week end. The speedy outfielder suffered a fractured skull when he was hit by a pitched ball in a game at New York two weeks ago.

Philadelphia—(U.P.)—Bobby Walston, the leading scorer in the National Football League last season, signed his 1955 contract today with the Philadelphia Eagles. The veteran end totaled 114 points during the 1954 season on 11 touchdowns, four field goals and 36 conversions.

## Knowland Sees No Need for Federal Vaccine Controls

Washington—(U.P.)—Senate Republican Leader William F. Knowland said today that compulsory federal controls "might retard" rather than speed fair distribution of Salk polio vaccine.

Knowland said this was the general feeling of Republican congressional leaders and top federal health officials who met today with President Eisenhower.

Some Democrats are pressing for a compulsory control system. But Mrs. Oveta Culp Hobby, secretary of Health, Education and Welfare, and Surgeon General Leonard A. Scheele vigorously opposed the idea at the White House conference.

The meeting came amid these other developments on the polio front:

1. Government officials revealed they hope late today to announce the first release of vaccine in two weeks. The number of shots made available for inoculations probably will be small but it will mark the first

2. The American Drug Manufacturers Association expressed the "admiration" of the industry for the "excellent manner" in which the administration has handled the vaccine problem. The statement, made in a letter to Mr. Eisenhower, came amid some Democratic charges of bungling.

3. The Public Health Service reported a new case of polio in a vaccinated child, raising the national total to 114. The new case was in Virginia and involved vaccine by Eli Lilly Co. Call Off Programs

4. Milwaukee announced it is returning its supply of vaccine because officials fear it has not been tested sufficiently. Some cities in New Jersey called off inoculations until fall.

The vaccine which the government hoped to release this after-

noon are shots which were approved previously but later held up for rechecking three weeks ago. Comparatively few shots will be freed for immediate inoculations since an estimated 90 per cent of the total already have been administered.

## WANTED! TIMBER LANDS

No tract too large or small, virgin or re-log. Cash immediately on Purchase. PHONE 3-4442 or Write: Timber Purchases Mail Tribune Box 7814

THE COLD SHOULDER—Al Lopez (left), Cleveland Indians' manager, looks slightly frustrated as Umpire John Flaherty refuses to listen to the "last word" after he had thumbed Lopez from the game with the White Sox in the eighth inning at Cleveland. The thumbing climaxed rhubarb between Lopez and Flaherty. The White Sox really had the last word with a 4-1 win.

## Spokane Indians Desperate; Stock Sale Drive Fails

Spokane—(U.P.)—A campaign to sell stock in the Spokane Indians baseball club of the Northwest league has been a failure and the team is in "desperate" financial condition, according to club Business Manager Frank Herron.

He said the drive to sell stock in the new community-owned team had fallen "far short" of its \$25,000 goal. A losing team and bad weather which has kept home-game crowds down to about 200 persons have added to the troubles, he said.

The club bought its playing grounds, Ferris Field, from Roy Hotchkiss, former owner of the old Indians of the Western International league, for \$180,000. The community raised \$56,000 and from this gave Hotchkiss a \$25,000 down payment. Another \$14,000 payment is due next month.

Despite the troubles, one club director said he felt the team was "too far along now to quit. This crisis won't mean the end of the Indians."

## Rugne Triumphs In Bronco Debut

Pitcher Ross Rugne, newly-acquired from the California State League, made his Northwest League baseball debut with the Lewiston Broncos last night and held the Yakima Bears to four hits.

Rugne's hurling and a big bat swung by Gabby Williams helped the Broncos to a 6-1 win over the Bears. Two of the hits Rugne gave up were flukes, turned into singles by striking rocks in the infield. Williams slapped out two home runs, one in the third inning and a bases-empty clout in the seventh.

The Eugene Emeralds moved into second place in the league ahead of Salem by beating Tri-City, 7-3, while the Senators were losing to league-leading Wenatchee, 5-2.

## Joey Cam Faces Pep in Boston

(Radio station KYJC will carry the Willie Pep-Joey Cam boxing bout at 7:15 (PST) this evening.)

Boston—(U.P.)—Featherweight Joey Cam of Boston pits youth and ambition tonight against the time-tested ring tactics of former champion Willie Pep of Hartford, Conn., a 10-3 favorite.

Pep, at least 33 years old and 16 years in the ring, promised he would "not let up on this guy at all" in seeking an early knockout to save his aging legs the risk and torture of a full 10-round ordeal.

Cam has a record of 32 wins in 37 professional bouts. He is 24 years old. Pep has 188 victories in 196 bouts and counts Cam as one of his sparring victims in gym workouts.

## New Law To Help Tell Legality of Game Meat

Portland—(U.P.)—The State Game commission said today that a new law passed by the legislature would help enforcement of officers in determining legality of big game meat.

The act provides that when a big game carcass is divided, the untagged portions must be accompanied by a written record of the tag number and the name of the person retaining the portion to which the tag is attached.

The act becomes effective Aug. 3, before the opening of this year's deer season.

Dead line Sunday Classified is at noon Saturday 10 a.m. Monday for Monday; other days 5:30 previous day.

## Ashland Slated By Legion Team

Central Point—Medford American Legion junior baseball team will open its league season on Sunday.

The club will be host to Ashland in a doubleheader starting at 1:30 p.m. at the Medford senior high diamond.

A four-team loop has been organized this season. Other members of the circuit are Klamath Falls and Lakeview. Grants Pass is not fielding a club this year. The CP-Medford aggregation was to hold a practice session today with Camp White of the Rogue Valley league at Camp White this evening.

Manager Alva Perkins of the Legion team and Lou McLaughlin were contacting merchants today concerning assistance for the club. Myers-Holland American Legion post of Central Point is sponsor.
