RANGE FEATURES YOU'VE WANTED

NO-STAIN OVEN VENT—Here's a cleanliness feature you'll appreciate more and more, because it traps grease and oven vapors so that colors stay bright, curtains stay fresh, walls and ceiling need decorating less often, and pots and pans seldom need scouring. Easy to remove for washing in the sink, like any utensil.

CALROD® BAKE UNIT—Better uniform heat distribution with amazing "skeleton" type baking unit which assures even top-to-bottom browning. It's self-cleaning, too—spillage burns off by itself, and the floor of the oven is easier to clean, too.

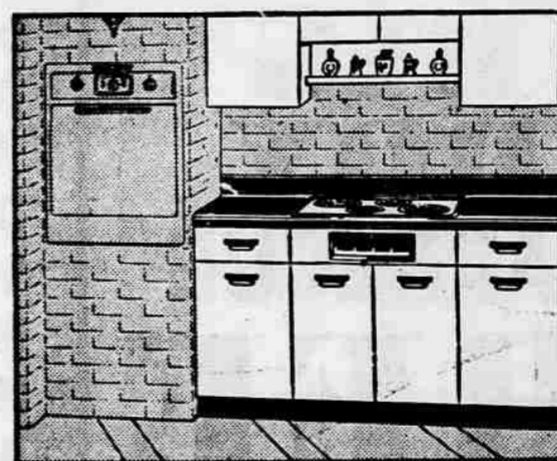

PUSHBUTTON CONTROLS WITH TEL-A-COOK LIGHTS—The touch of a finger turns on each of five exact cooking speeds. Tel-a-Cook lights tell you which unit is on and at what speed.

2-SHELF COMPANION OVEN—Big complete, full-height oven bakes 4 pies or cake layers. New Calrod® "Focused Heat" Broiler and Calrod Bake Unit—both removable for easy cleaning at the kitchen sink. Beautiful "Starlight Grey" interior.
