

State Senator Is Speaker for League Session

State Senator Philip Lowry, speaking for Medford League of Women Voters' June luncheon, credited the Oregon League with the passage of the redistricting bill and the most important bill during the 1955 session. The meeting was at Rogue Valley Country club and Mrs. Hugh Collins introduced Senator Lowry.

The senator discussed the accomplishments of the 1955 legislative session, the problems under which the members worked this session and some of the problems which will face the next session.

Mrs. Fred Carr, Mrs. Lucille Foster, Mrs. John S. Day and Mrs. Robert Hiatt reported on the state convention. Next general meeting of the league will be a membership luncheon in July at the site of Mrs. Day's new home at Table Rock estate.

Martin Grubb Is Guest Here; Elliotts Return

Martin B. Grubb has returned to this country after spending 23 months in the Marshall Islands with the Atomic Energy commission of the United States and is spending a brief vacation with his mother, Mrs. Bert R. Elliott and Dr. Elliott at their home on Route 2.

He plans to attend summer school at Oregon State college beginning June 20, and in the fall will enroll at OSC in forestry.

Dr. and Mrs. Elliott recently returned home after spending several months in travel abroad. They made the Bible land tour of the Christian Herald of New York, visiting 14 countries and island groups. This includes Madeira, Tunisia, Egypt, Lebanon, Syria, Jordan, Cyprus, Turkey, Greece, Italy, France, Spain and Portugal.

In addition to the usual sight-seeing programs the party visited American missionary centers, college and universities. In Israel the group was greeted personally by President Ben-Zevi.

Much time was spent in the place where Jesus lived, taught and preached and a highlight of the tour was a sunrise Easter communion service at Gordon's Garden tomb in the suburbs of old Jerusalem, near Golgotha, or the Place of the Skull.

Despite rumors circulating in this country, the members of the Bible land tour encountered no travel difficulties, a Christian Herald release states, and they witnessed no evidence of conflict in any country visited.

Progress in farming, manufacturing and in living standards was noted in some places though much of the life in the countries Jesus knew is about the same as it was 2,000 years ago, the release states.

The Elliotts spend a month traveling in Canada, where Dr. Elliott has many relatives, after returning to this continent.
