

Safeway saves you money ...and here a

We wish we had space here to show you every shelf price at Safeway. They are all low. We have found room, though, to list several hundred of our typical values. It will pay you to compare them. Check, too, the price and quality in the hundreds of additional values you'll find on our shelves every day. Remember, it's important to compare all values—not just the advertised specials. When you do, you'll see the full meaning of "cash savings as you go—at Safeway."

Store Hours — 9 a.m. - 9 p.m. — Seven Days a Week
