NCAA Games Rained Out; Play Today

Omaha — (U.P.) — Second-day games in the NCAA College World Series here were postponed Saturday due to wet grounds and rain.

NCAA officials said all games scheduled for yesterday afternoon would be played Sunday—weather permitting.

Second-round games scheduled for yesterday matched Colgate with Southern California, Arizona against Springfield Mass., College, Wake Forest and Colorado State, and Western Michigan against Oklahoma A&M.

Friday's Games
Biggest surprise of the opening day Friday was Colorado State's 2-1 victory over favored Southern California.

Lanky George Sage threw a six-hitter for the winners and stayed in command after his mates gave him a one-run lead in the first inning.

Another smaller school, Western Michigan, had little trouble in defeating Arizona, 4-1. Left-fielder Al Nagel singled with the bases loaded to break a 1-1 tie. Each team managed only four hits.

Aggies Win
Oklahoma A & M displayed solid power as it whipped Springfield, 5-1. The Aggies picked up nine hits and led all the way as their big southpaw moundsman fanned 13 and allowed just five hits.

In the best pitched game of the opening day, Wake Forest shaded Colgate, 1-0. Jack McGinley of Wake Forest bested Larry Bossidy of Colgate in a tight pitchers' duel although he gave up four hits to Bossidy's two.

Roger Bannister Wed To Moyra Jacobsson

Basle, Switzerland — (U.P.) — Dr. Roger Bannister, the first man to run the four-minute mile, was married yesterday to pretty Swedish-born Moyra Jacobsson, niece of the British high commissioner to Canada.

Church and civil wedding ceremonies were performed with only close friends and family members present.

Stars' 13 Hits Too Many For LA; Oaks Beats Seals

Sacramento, Calif. — (U.P.) — Frankie Austin and Jim Robertson drove in four runs with homers in the eighth inning and veteran Red Adams pitched six-hit ball tonight to lift the Portland Beavers to a 6-3 win over Sacramento and into sixth place in the Pacific Coast League.

Hollywood — (U.P.) — The Hollywood Stars clinched their Pacific Coast league series against Los Angeles yesterday with a 13-hit attack including two homers for a 6 to 1 victory.

Red Munger allowed six hits in going the distance for an 8-3 record and his sixth straight victory. Al Lary was the loser.

Bobby Prescott connected for a home run with two mates aboard in the third and Carlos Bernier followed suit in the fifth. The roundtrippers were the fifth of the year for both Prescott and Bernier.

Hall of Fame Day

San Francisco — (U.P.) — The Oakland Oaks scored two unearned runs in the ninth inning Saturday to defeat San Francisco, 4-3, behind Hec Brown's five-hit pitching and take a 3-2 lead in the Pacific Coast league series.

The Seals scored three unearned runs off Brown in the fourth inning and the former Red Sox righthander blanked

Nashua Wins Belmont Race; Swaps Takes Californian

New York — (U.P.) — Nashua romped to a nine length victory in the 87th running of the \$119,800 Belmont Stakes Saturday to vault to sixth place on the all-time money winning list as he salvaged what was left of the Triple Crown after losing to Swaps in the Kentucky Derby.

Two weeks ago Belair stud's king of the eastern three-year-olds set a track record in winning the Preakness stakes but his chances of joining the eight horses who have swept to glory by taking each of the spring classics were gone forever the day Rex Ellsworth's western champion ran away from him in the stretch at Churchill Downs.

Closest to Nashua at the end of the testing mile and one-half race was Barclay Stables' Blazing Count with Clearwater Stables' Portersville third.

\$83,700 to Winner
But the winner's share of \$83,700 belonged to Nashua without the shadow of a doubt once jockey Eddie Arcaro let him run at the top of the stretch.

The victory boosted the husky colt's earnings to \$653,690 and left him behind only Citation, Stywie, Armed, Native Dancer and Assault on the list of the turf's greatest money winners.

It was the sixth time Belair Stud's internationally-famed red polka dot and white silks have flashed to victory in this greatest test of a horse's stamina as well as speed. It was the sixth time trainer Sunny Jim Fitzsimmons saddled a winner and Eddie Arcaro rode one.

Swaps by a Length
Inglewood, Calif. — (U.P.) — Swaps achieved turf immortality Saturday as he raced to a length victory in the \$109,800 Californian at Hollywood Park to set a new world's record for a mile

and a sixteenth.
Despite being ridden by a new jockey, Dave Erb, in place of the suspended Willie Shoemaker, Swaps ran down the pace-setting Mister Gus in the stretch and then pulled away from Determine who finished second in the small field of six starters.

Swaps appeared in hand as he won by a length and his time of 1:40 2/5 cut two fifths of a second off the world record set last winter at Santa Anita by Poona II.

The official margin of the victory was fixed at one and a quarter lengths with Determine a half length in front of Mister Gus who was three lengths ahead of Rejected.

Clocked in 1:34 for Mile
The fractional time told the tale of the race as the leader was clocked in 1:10 for six furlongs but in a brilliant 1:34 flat for the mile. And that was the end of Mister Gus and that was when Swaps made his almost effortless move. Erb merely was hand riding the horse although not slacking up on him until the final 60 yards where he finally began easing.

Ironically, it was Determine's stablemate, Imbros, who last year captured the first running of the weight for age race with Determine, as a three year old and coming off his current Kentucky Derby win, finishing second. Imbros' time of 1:41 equalled the then existing world's record until Poona II came along to break it last winter.

Behind Rejected in fourth place came Novarullah in fifth and Travertine in last place.

Ken Reiser Top Duck Trackman
Eugene — (U.P.) — Ken Reiser, Pacific Coast Conference two-mile champion, yesterday was named the most valuable member of the 1955 University of Oregon track and field team by his teammates.

ALL-CIF PLAYER OF YEAR
Los Angeles — (U.P.) — The Helms Board of Baseball today named pitcher-outfielder Deron Johnson of the San Diego High school baseball team for All-CIF player of the year honors.

Sue Leads Junior Entries; Sets RVCC Course Record
Sue DeVoe, Southern Oregon women's champion and holder of the ladies' non-competitive course record at Rogue Valley Country club, will lead the Rogue Valley delegation into the Oregon Golf association junior tournament at Portland on Monday.

The tourney, which lasts through Friday, will be at Columbia-Edgewater course in Portland. At least seven RVCC players will participate.

Sue fired a two-under women's-par 74 at the Medford links a week ago and after some checking, her score was established as the non competitive mark. Mrs. Helen Davies holds the record in competitive play with a 75.

Miss DeVoe recorded a 38-36 for her round, dropping in five birdies and having three bogies. She holed out all of her putts and missed chipping off another stroke when she failed to down a 12-footer. Sue was playing in

Maddox Might Pitch For Cheney Stud Nine Against Bandon Today

Who'll get the mound call for the Medford Cheney Studs when they play the Bandon Millers in a Southern Oregon Baseball League mix at the fairgrounds this afternoon?

The man who gets the bid may very well be Terry Maddox, No. 1 pitcher in the Pacific Coast Conference Northern division and most valuable player for University of Oregon this year. But Terry's appearance depends on how well he has recovered from a shoulder ailment.

Maddox, home from his second year at Oregon, was to have rejoined the Studs last night. He reported that he pulled shoulder ligaments of his throwing arm against Oregon State college three weeks ago. Whether he'll do any chucking today will be determined by how the arm responds in warm up.

Bobo Olson Named In Court Case

San Francisco — (U.P.) — Carl (Bobo) Olson, middleweight champion of the world, and Sid E. Flaherty, his manager, were named defendants Friday in a \$500,000 breach of contract suit filed in federal court here.

Herbert Campos, Honolulu fight manager, asked \$250,000 general damages from each Olson and Flaherty, or an account of their net receipts since June 27, 1951.

He also asked the court to declare in full force a contract he contends entitles him to one-third of Olson's net receipts until July 19, 1959.

The suit contends that Olson signed a contract with Campos in Honolulu July 20, 1949, giving Campos "sole and exclusive" managerial powers for 10 years, plus one-third of his net earnings and Olson two-thirds.

Olson, according to the suit, "wrongfully and without cause" breached the contract June 27, 1951, and signed with Flaherty July 9 of that year.

Olson and Flaherty are at Asbury Park, N.Y., at present where Olson is training for a fight with Archie Moore June 22 for the light heavyweight championship.

Two Suspended In Doping Case
Portland — (U.P.) — Ed Crosson, horse trainer from Burns, Ore., Friday received an indefinite suspension from the Oregon State Racing Commission in connection with a horse doping case.

Crosson was charged with failure to guard his horse prior to a race, and for possessing an illegal stimulant within the track area.

Roy Leigh, owner of the horse Picnicker, was suspended for the remainder of the 1955 racing season for failure to guard his mount.

Picnicker, winner of the fourth Memorial Day race, was found to have been under the effects of a stimulant.

The commission action upheld similar rulings made by the board of stewards at Portland Meadows.

OLYMPIC CONGRESS MEETS
Paris, France — (U.P.) — Delegates to the 50th international Olympic Committee Congress met with members of the IOC executive committee in secret session Friday. It was reported later that a five-point agenda for next week's meeting had been agreed upon, including a set of questions submitted by the International Amateur Boxing association.

MEDFORD (OREGON) MAIL TRIBUNE—ELEVEN

Spear Heave By Francis Still Tops

Track and Field News still ranks Medford high's Eldon Francis as the No. 1 javelin thrower in the country this season.

May issue of the Los Altos, Calif., publication listed performances up through May 17 and had Francis' throw of 189 feet 1 inch in April as best.

However, the Black Tornado spear man had a 194 1/2 effort in the AAU meet at Portland last week to boost his chances of holding on to top rank when the reports for the full prep season are in.

Francis' best throw of the season puts him second behind the best college freshman and junior collegiate toss through May 17. Cook of UCLA had a heave of 203 feet which reportedly was bettered by a Southern Cal freshman recently.

Second best prep toss listed in the track newspaper was 180-7 by Connors of Hayden, Kan. However, that was bettered in the Oregon state track meet by Bob Babb. Days Creek, with 187-8 1/2.

Advertising helped make the difference

FOLKS USED TO BUY refrigeration in fifty pound pieces. Frozen foods were unheard of... ice cubes an impossibility... and that drip pan under the ice box always seemed to be overflowing. Today, a silent, white-enameled ice man stands in millions of kitchens.

But to mass produce millions of refrigerators, manufacturers must be able to sell them by the millions. Only by advertising can a manufacturer talk to millions of people at one time.

ADVERTISING TELLS the story of new refrigerators... and helps sell them. The more it sells, the more must be made — keeping the production lines and the jobs going. The result: newer, better appliances at prices more people can afford to pay. Advertising helped make the difference — in refrigerators, and in our American way of life.
