

Olympic Course Setup Favors Golfers With Long Shots Off Tees

San Francisco — (U.P.) — A long, straight hitter off the tee will win the 1955 U.S. National Open Golf tournament.

That's what Ben Hogan, who has accomplished the feat four times, said today, after looking over the fog-soaked fairways that limit ball roll to a very few feet.

Getchell Out

San Francisco — (U.P.) — The United States Golf association has announced the following substitutions in the playing personnel of the 1955 National Open starting Thursday at the Olympic club:

Bill Fritz, Millbrae, Calif., recently replaced Lloyd Mangrum, Apple Valley, Calif. James Wilbert, Burlingame, Calif., replaced amateur Phil Getchell, Stanford, Calif.

The USGA said Mangrum, who finished in a tie for third in the National Open last year, did not have to qualify. Therefore the place he vacated was allocated to the San Francisco area.

In the other case, Getchell withdrew and Wilbert replaced him as an alternate from that section.

In the field of 162 who will tee off in the big event on Thursday, there are only a half dozen long, straight hitters.

Six in Class

Fellow professionals consider Mike Souchak, Sam Snead, Hogan, Dr. Cary Middlecoff, Ed Furgol and Byron Nelson in that class.

If Hogan's prediction holds true, that will limit the men who have possibilities of winning. "To win this one," said Hogan, "it will take a long, straight hitter off the tee. That's where the championship will be won — off the tee."

Young Al Mengert, playing out of Mamaroneck, N.Y., who qualified automatically because he finished high up in last year's competition, amplified Hogan's statement.

"There isn't a possible chance of a scrambler winning this tournament," he said. "Every little mistake costs at least a stroke on this course."

Not Much Roll

The Olympic club course measures only 6700 yards long, but it plays longer than most 7200-yard courses, because there is no chance for more than a few feet of roll. The perpetual fog keeps the course wet.

There are quite a few straight hitters in the field, who may

have trouble getting enough distance to have accuracy on their approach shots. These include amateur Harvie Ward, Gene Littler and Billy Maxwell. Ward, however, has been playing the course very well, and being a local resident, knows it better than most.

Snead, with his booming tee shots, has had four rounds of 70-71-71-68 for an even-par 200. "Man," he smiled after Monday's two-under-par effort, "I'd like to be setting back right now letting the rest of the crown try to match that in the Open."

The consensus remains that a 284 or 285 will win the coveted crown — but Snead, Hogan, Harvie Ward, Nelson and Furgol have been doing somewhat better than this.

Hodges Has 7-0 Record In NW Loop

By UNITED PRESS

Berlyn Hodges of Eugene today sported a neat 7-0 mark in Northwest league play and the lefty owes it as much to his bat as to his good left arm.

Hodges drilled a two-run single in the seventh inning last night to help Eugene to a 4-3 decision over Salem. On the pitching side, he allowed Salem a single run in the first, and was nicked for a two-run homer by Bill Shields in the seventh but that was all.

Nap Gully had a big night in a losing cause as Lewiston tripped Spokane 12-4. Gully homered in the fourth with the bases empty and parked another one out of the premises in the seventh with two runners aboard to account for all of Spokane's runs.

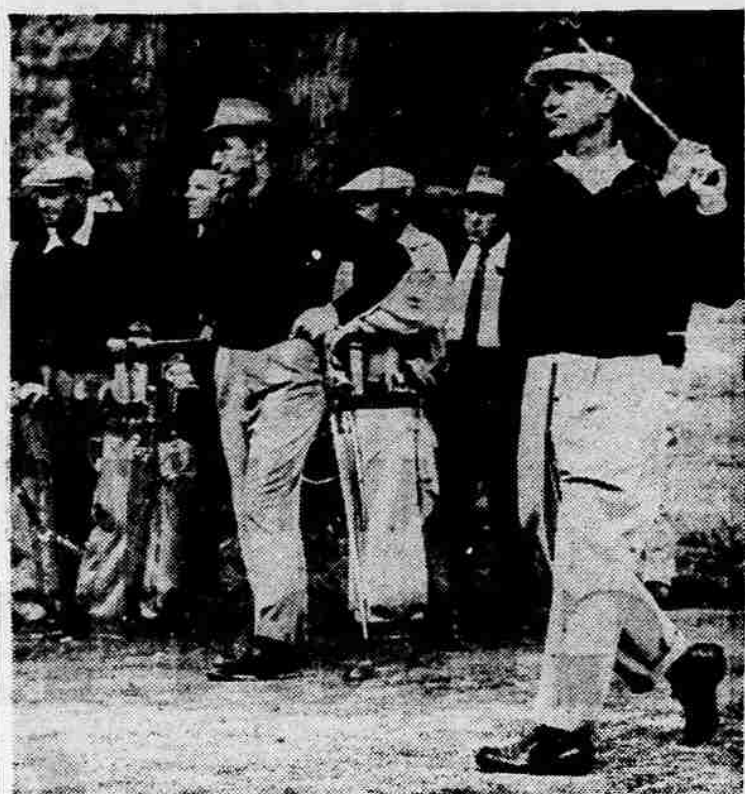

Benton Nabs Fourth

Lewiston, however, got one run in the first and added six more in the fourth with the aid of a three-run homer by Joe Riney to salt it away. Jim Benton went all the way to notch his fourth decision of the year.

Wenatchee moved three games out in front of second-place Salem with a 6-5 verdict over Yakima. The eventual winning run crossed in the eighth on Bob Durett's double and Herb Anderson's single.

Yakima tallied two in the seventh, one in the eighth and two in the ninth before winning pitcher John Morrill put out the fire.

SPORTS

ALL EYES ON THE BALL—Sam Snead (center) and spectators keep their eyes on the ball along with Ben Hogan, making a drive during a practice tour of the Olympic Club Course in San Francisco, scene of the 1955 National Open June 16-19. Both stars picked up out of the rough and played all shots from the fairways and opined that it looked like a very tough layout.

Berg, Suggs Favored In Round-Robin Play

Grossinger, N. Y. — (U.P.) — Defending champion Patty Berg and recently successful Louise Suggs were the title favorites today as a field of 16 star women golfers teed off in the first round of the Triangle Round-Robin golf tournament.

Miss Berg, of St. Andrews, Ill., who was the leading money winner of last season, has shown she is again at the peak of her game by winning the St. Petersburg Open and the Women's Titleholders tournaments this year.

However, little Miss Suggs of Atlanta, Ga., also displayed her good form with a victory last week in the Women's Eastern Open at Reading, Pa., also her second tourney win of the year.

KIDS LIKE 'CHERRY SNOW'

New York — (U.P.) — For a healthful dessert for smaller children, try cherry snow. It's easy to prepare. Just add 1 or 2 unbeaten egg whites to a slightly thickened cherry gelatin base, then place the mixing bowl in ice water. Whip until the gelatin becomes fluffy and white.

Women's Golf

Specs will be played on Ladies day, Thursday, June 16, at Rogue Valley Country club. Second medal play is also scheduled for the Rogue Valley Women's Golf trophy.

Women are asked to make their own pairings this week because of the warm weather and difficulty in arranging suitable playing times. A group of three players is required for specs. Those who wish to start early are reminded that the pro shop will open at 7 a.m.

Pairings will be posted for June 23.

Last Thursday play of the day was for fewest putts. Miss Sue DeVoe won in the A group with 27. Mrs. Richard Finch was the winner in the B group with a total of 30. It was a tie in the C group between Mrs. W. L. Stark and Mrs. H. L. Bush with 34 each. Mrs. Fred Conrad won in the D group with 34 and in the 9 hole D group, Mrs. Ray Sorenson won with 16 putts.

Several of the Rogue Valley Women Golfers will go to Roseburg for the second play in the Willamette Valley-Southern Oregon tournament on June 14. Medford won the first play-off in Klamath Falls last month.

REHEATING KILLS VITAMINS

New York — (U.P.) — Home economists say frozen vegetables not only save time in preparation, but also suffer a smaller loss in vitamins than others during the cooking. Serve the vegetables as soon as they're cooked to save food values. Vitamin C is lost if the vegetables set or are re-heated.
