BIG ENOUGH TO COOK A COMPLETE OVEN MEAL FOR 24 PEOPLE ALL AT ONE TIME

We Had an Interesting Chat with a Lady the Other Day. Seems She Had a Large Round Steak and Rather Than Cook the Whole Steak at Once She Divided it in Half. That Same Day She Bought a New G-E Range from Us, for Delivery The Next Day. Well, That Night She Broiled Half of the Round Steak in Her Old Range. The Next Evening She Broiled the Other Half in Her New G-E Range — With the Focused Heat Broiler. The Point is Her Husband Refused to Believe It Was the Same Round Steak! We Thought it was Pretty Swell of Her to Come in and Tell Us How Happy She and Her Husband are with Their G-E Range. You'll be Happy with Yours Too.
