New York — (U.P.) — Industrial stocks chiseled their groove to new high record territory a bit further today in an active strong stock market session.

The industrials approached the 450 mark in their average and they did the trick without benefit of strength in the railroad division.

Rails had a few strong spots. Nickel Plate rose a point. New York Central rose a fraction. Southern Railway lost nearly a point.

General Motors was the lever for the industrials. It set a new high at 108 1/2 up 3 1/2 points. Chrysler at its high was more than a point over the previous close. Steels gained fractions. Revere Copper, up more than 4, was the metals feature.

Dow-Jones final stock averages: 30 industrials 446.80 up 2.42; 20 railroads 160.52 off 0.18, 15 utilities 64.52 up 0.15, and 65 stocks 163.89 up 0.49.

Sales today were about 2,720,000 shares compared with 2,490,000 shares traded yesterday.
