

# Air Force Board Investigates Loss Of Two Jet Planes

Portland —(U.P.)— A board of Air Force officers today investigated the accidental discharge of twelve rockets from a parked jet at Portland Air Force base. The dummy rockets destroyed two nearby F-89 Scorpion jet fighters.

A stray rocket bounced off the roof of a nearby Air Force officer's home, and another plowed into a parked C-47. Burning fuel and ammunition from the two jets also destroyed a jeep, but there were no casualties.

Lt. Col. Julian F. Crow, commanding officer of the 497th interceptor squadron to which all the planes belonged, had high praise for his men who rushed into the area to remove 10 jets threatened by the flames.

Airman 1-C Alvin Cutler was on a wing of one of the jets when a rocket zoomed 50 yards across the field and struck the plane. He said he felt the shrapnel on his back and ran for it.

All but two "alert" jets were grounded until inspected yesterday and the field was closed to all traffic for a half hour while the fires were extinguished.

Air Force officials said they thought the accident resulted from the failure of a device on the plane designed to prevent rockets firing on the ground.

## NLRB Rejects Charges Against Portlander

Portland—(U.P.)—The National Labor Relations Board yesterday said it had rejected charges of unfair labor practices filed against Joe Fisher, Portland automobile dealer.

The NLRB office here said the board's general counsel had decided the AFL Automotive Employees Council had insufficient evidence to back up its charges.

The union had contended that Fisher's proposed independent employees union was dominated by the company. It has 10 days in which to appeal the decision.

Unless the ruling is appealed, Fisher employees can go ahead with a representation election requested earlier. The union filed its "unfair" charges after the request had been made.

## Delegates Gather For Luther Session

San Francisco—(U.P.)—Seven thousand delegates from all parts of the United States and Canada assembled here today for the 16th biennial convention of the Young People's Luther League.

The League, whose members range in age from 12 to 25 and are enrolled in 2200 separate organizations in the two countries, scheduled its convention to run concurrently with the 10th anniversary meeting of the United Nations.

League President the Rev. Marcus L. Graval, Eau Claire, Wis., will deliver the keynote address of the six-day convention tonight at San Francisco's Civic Auditorium.

Dr. Frederick A. Schotz of Minneapolis, president of the Evangelical Lutheran Church, will install Rev. Carroll L. Hinderlie and Rev. L. David Brown, both of Minneapolis, as youth director and associate director, respectively.

## Anderson Attorneys Get Additional Time

Burns—(U.P.)—Attorneys for convicted murderer James Clinton Anderson of Klamath Falls have been allowed additional time in which to appeal the conviction.

Anderson was convicted in Harney County Circuit Court here of the second degree murder of Richard David Miller, 25-year-old Beatty, Ore., horse breeder on the Klamath Indian reservation last November.

Defense Attorney Herbert Welch of Lakeview said the case was to be appealed to the State Supreme Court July 1, but because the court reporter had been unable to prepare trial transcripts, Judge M. A. Biggs granted a time extension.
