

Chamber Directors Voice Disapproval Of Local Dog Races

The board of directors of the Jackson County Chamber of Commerce has unanimously endorsed a Medford association petition condemning a proposal for dog racing in the county. The action was taken at the board's regular meeting in the Medford hotel at noon Thursday.

Howard Boyd of the Merchants association read the petition, stating that it and the board's endorsement would be presented to the county court at the dog racing hearing today.

Flight Approved

The board also gave unanimous approval to a proposal that the chamber sponsor a goodwill "Pears to Pineapples" flight to the Hawaiian islands later this year. A TransOcean Air lines bid of \$276 per person round trip was accepted. The price includes hotel and air meals. One free seat will be furnished for every 15 seats sold.

The tour will be coordinated with a stepped-up membership program, headed by Ken McDonald. The free seats will be prizes for the person bringing in the most new chamber members.

Report on Trip

Mrs. Bert Pree reported on a Greeters' committee goodwill trip to Crater Lake lodge last week. The 30 making the trip were entertained by Harry Smith Sr. and Harry Smith Jr., operators of the lodge. Several members took advantage of an invitation to ride in a Tucker Sno-Cat.

Don McNeil, chamber manager, indicated there is a good chance of bringing a Greyline tour to this area during August. The tour will include scenic attraction, Medford, and the Shakespearean Festival.

Chamber President John Pietsch presided. Next meeting will be at 7:30 a.m. breakfast on July 14.

Congressman Judd Scheduled in Fall By K-F Club Here

Congressman Walter H. Judd, who is also a physician, a former missionary in the Orient, and a highly-regarded public speaker, will give the first talk of the season for the Rogue Valley Knife and Fork club next fall, it was announced today.

From 1925 to 1938, Dr. Judd was a medical missionary in China, and since that time has lectured widely in the United States on problems of the Orient. He is one of the best-informed men in Congress on the subject. He has been a practicing physician since he received his degree in medicine in 1923, and for several years was on the surgery staff of the Mayo clinic. He served in the field artillery in World War I.

He was elected to Congress from Minnesota in 1943, and has been reelected each two years since. He is the ranking GOP member of the foreign affairs committee of the House.

Dr. Judd's talk to the local club is scheduled for Oct. 10.

The second speaker of the season will be Norman Thomas, author, columnist, lecturer and often candidate for the presidency on the Socialist ticket.

At one time an ordained Presbyterian minister, Thomas is better known for his activities in the political field and in anti-war movements.

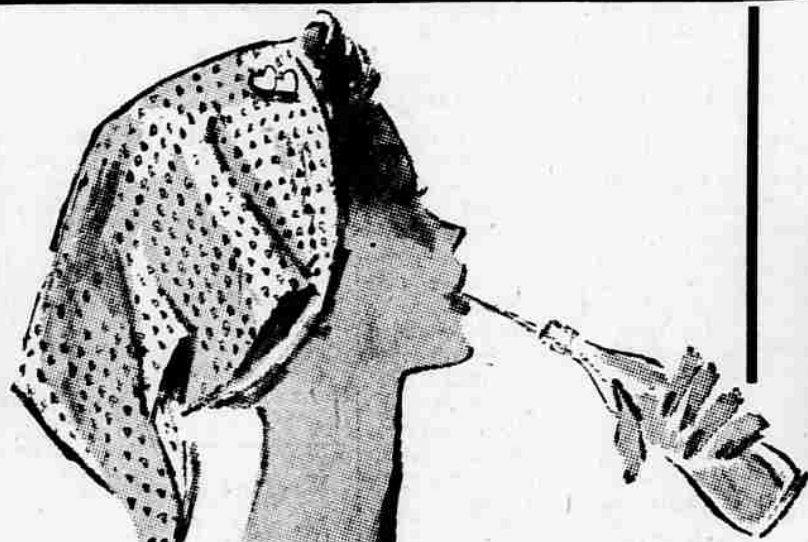

His talk here is scheduled Oct. 31.

Malayan Government Rejects Parley Offer

Singapore—(U.P.)—The government of British Malaya rejected today a round-robin Communist offer to negotiate an end to the jungle war against Red guerrilla terrorists.

The Communist offer came in a letter mailed from Haad Yai, Thailand, and was signed by Ng Heng who claimed to be a member of the Communist high command in Malaya.

The letter proposed the calling of a round table conference of politicians, union leaders and other popular representatives to talk peace in hopes of ending the war that has been going on since 1948.
