**STATEMENT BY OWNERS!**

After our near disastrous fire of June 21 (but for the fine work of the Central Point Fire Dept., our store would have been completely destroyed).

We find that our entire stock of fine furniture, carpets, and mattresses have a greater degree of damage by water & smoke than we first thought. So in keeping with our policy of 30 years to always bring you fine first quality home furnishings, we have decided to offer the entire \$60,000.00 of stock at greatly reduced prices, and will restock with entirely new merchandise.

Most of this damaged stock is basically as good as new, except for water stain, smoke smell, scratches, mars and dust caused by the fire.

This sale will be a bona fide fire damage sale, and every article will have the regular original price tag, with the sale tag attached. We will reduce the regular price according to damage and condition, some as much as 50% discount.

Nothing reserved—everything in the store offered at greatly reduced prices. Every article will be sold as is, with no refunds—no returns. We will show you the actual damage—you be the judge of the reduced price.

Signed: JOHN CUPP, BILL SAXBURY

P.S. This sale will last until the entire present stock is sold.
