3 Bedroom Home**

(It's 50% Complete)

We have under construction down the street from our completed house! The house is located on an end lot, has a large garage and has lots and lots of storage space and natural Redwood siding. Because this house is only 50% complete, there is still time for you to choose your own colors.

WE ALSO HAVE THREE OTHER HOMES IN VARIOUS STAGES OF CONSTRUCTION! These three houses are sold, but we would like you to look them over so you can see for yourself that we use only the best materials and the best construction methods. It will only take a few minutes so don't miss this opportunity to see our various stages of home construction.
