

Getchell Bows To Beechler In OGA Finals

Carole Jo Is Women's Champion

Portland, Ore. — (U.P.) — George Beechler of Ontario, Ore., defeated Phil Getchell of Rogue Valley Country club, Medford, 7 and 5 Saturday to win the Oregon Golf association's men's championship at Riverside Country club here.

Tiny 17-year-old Carole Jo Kabler of Sutherlin, Ore., won the women's crown by downing defending champion Mary Mozell Rowell, 7 and 6.

In yesterday's 36-hole final, Beechler shot a 73 in the morning to hold a 6-up lead at lunch time. Getchell, who was off his usual game, cut his deficit to five holes by winning the 22nd and 24th, but slipped back again on the 31st.

Getchell Two Over Par

Beechler was one over par in the afternoon and Getchell two over.

Carole Jo chalked up a seven-hole lead with a one over par 77 in the morning round, and the lead proved too much for the two-time OGA queen, Mrs. Rowell.

Getchell defeated Harry Millette, Yreka, Calif., motel owner and fellow Rogue Valley Country club member, 2 and 1 in the Friday semi-finals after leading by two holes at the 30th tee. Beechler assured that the championship trophy would stay with Rogue Valley club when he got a five-hole edge in the morning 18 and held on for a 1 up nod over Ralph Dichter, Astoria star. An Ontario, Ore., mortician, Beechler maintains a membership in Medford's RVCC.

The titular trophy came into possession of a Rogue Valley man last year when Eddie Simmons won the toga. Simmons was ousted in the championship first round and Friday lost to Bob Bronson, Riverside, 3 and 2 in the first flight semi-finals.

Women's final round play became a repeat of 1954 when Mrs. Francis Rowell, Portland Golf club, defending champ, and 17-year-old Carole Jo Kabler, Sutherlin, last year's runner-up won Friday matches. Mrs. Rowell downed Mrs. Dick Grubbs, Rose City, 3 and 2, while the Sutherlin Miss turned back Mrs. Harry Stepp 4 and 2.

Beechler Shoots 69

The Dichter-Beechler match was a thriller. The Astoria golfer shot a loose 74 on the first round to fall behind Beechler's hot 69. Dichter matched the 69 on the afternoon round, but lost one up to Beechler's 73.

Getchell carded a 73 in the morning round to Millette's 77. Millette birdied the second and third holes by dropping long putts to go one up. Getchell evened the count at the sixth with a birdie, and parred the seventh to go out in front.

The match evened up on the tenth as Getchell's drive went out of bounds, and Millette forged ahead again on the twelfth as Getchell was penalized a stroke when his caddy brushed the ball with his bag.

Even For Afternoon

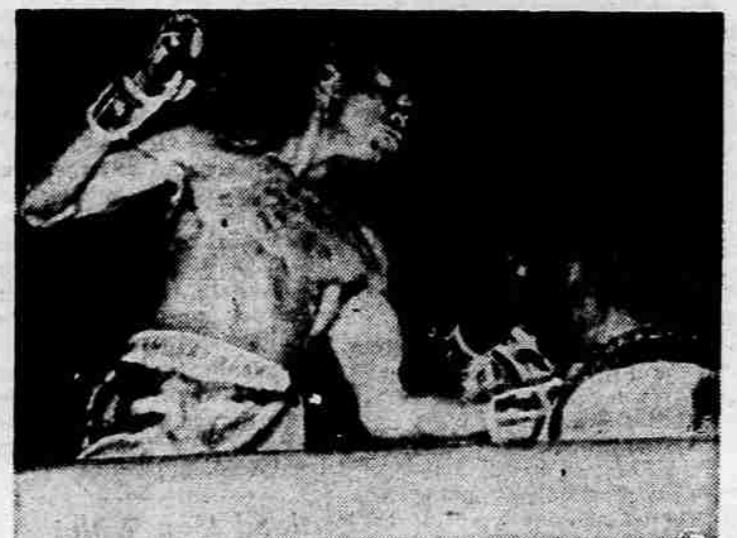

The young Stanford student birdied his 14th and 15th and took the 16th and 18th with pars when Millette drove into the rough.

Both Medford golfers were even up for the 17 afternoon holes. Millette made his final bid to topple his opponent on the 31st hole. He birdied the hole, went on to take the 32nd with a par and sank a 20-foot putt on the 33rd to put Getchell in serious trouble. Getchell canned a 20-footer on the same hole and the next two holes were halved to give Getchell the win.

In the eighth flight, Everett McGraw, Medford, defeated Norman Knowlton, Riverside, 2 and 1. In the women's seventh flight Mrs. L. Paul Walker, Medford, defeated Mrs. Warren Braley, Waverley, by default.

A Portland paper said Saturday that Harry Millette, Yreka, Calif., a nd Rogue Valley Country club, lost a hole to Phil Getchell, Medford, in the Oregon Golf association tourney semi-finals when his caddy accidentally dropped an umbrella and it hit his ball.

Miss Brough Wins Tennis Tournament

Wimbledon, England — (U.P.) — Louise Brough of Beverly Hills, Calif., regained her reign as queen of world tennis Saturday by winning the Wimbledon Women's championship for the fourth time with a 7-5, 8-6 victory over young Beverly Baker Fleitz of Long Beach, Calif.

The all-American match on the famed center court, requiring 91 minutes, was one of the best played women's finals in recent years.

Miss Brough, a 32-year-old buxom blonde, beat off a desperate second set rally by Mrs. Fleitz to win the crown she previously held from 1948 through 1950.

There were times in the match when it appeared that youth would gain the upper hand as Mrs. Fleitz had the veteran Miss Brough running from corner to corner, retrieving deep angled drives. But in the end, it proved a case of Miss Brough's steadiness and superior court craft prevailing over the powerful ambidextrous smashes of the 26-year-old Mrs. Fleitz.

Perfect Record Champ

Marciano, who will be 31 on Sept. 1, is the ring's first perfect-record heavyweight champion. But he has not been generally accepted as "great" yet, despite his 48 consecutive victories and 42 knockouts as a professional.

When Rocky strives for victory and "greatness" on Sept. 20, the battle is expected to attract a gate of at least \$750,000, according to promoter Jim Norris. Also at least \$250,000 from coast-to-coast theater-television that will be piped in to about 100 theaters in 70 cities for perhaps 350,000 fans. Radio should bring another \$50,000. And the movies, if good, may gross one million dollars.

As champion, Rocky will receive 40 per cent of the net receipts; Moore, 20 per cent. If Moore wins, he must give Rocky a return title shot in February, probably at Miami, and each will receive 30 per cent of the net receipts for that fight.

Marciano-Moore Bout Scheduled Sept. 20

New York — (U.P.) — Rocky Marciano's million-dollar fight with Archie Moore at Yankee Stadium on Sept. 20 may be the heavyweight champion's first genuine test of greatness.

For more than a year, many of the nation's outstanding sports-writers have been demanding that Rocky defend against ancient Archie because he alone seemed to possess the weapons that might dethrone the Brockton bruiser.

The pressure became so great after Moore's impressive third-round knockout over Bobo Olson on June 22 that he no longer could be given the run-around, and the big match was announced Friday.

Al Weill, Marciano's manager, greatly preferred big Bob Baker of Pittsburgh as challenger; for he appeared far less dangerous than the cunning, long-armed, hard-hitting light heavyweight champion. But Moore, the public-demand challenger, had to be accepted, instead.

Parson Wins Decathlon

Crawfordsville, Ind. — (U.P.) — Bob Richards, the Flying Parson from Long Beach, Calif., called on the pole vault—his "trusty 'Ace in the Hole'"—to win his third National AAU decathlon championship with 6,873 points Saturday.

Trailing first day leader Bob Lawson, a 20-year-old Southern California freshman, in fourth place after the first five events of the gruelling two-day show, Richards collected 1,095 points when he soared 14 feet, 10 1/2 inches in his specialty to assume the lead with two events to go.

The 29-year-old Olympic champion, who also won this test in 1951 and last year, then added 665 points in the javelin and another 197 in the 1,500 meters—the final event to extend his lead.

Assured of Title

He was assured of the title even without running the exhausting 1,500 but decided to go just the same despite 93-degree heat and a blistering sun.

Lawson, who defeated Richards in the recent Southern Pacific Coast meet, led the pack by 151 points after Friday's events. He slipped to second with a total of 6,501 points.

Joel Shankle, a skinny Duke university athlete, finished third with 6,455 points followed by Im Podoley of Central Michigan college with 6,215.

Vukovich, making his first appearance at Bay Meadows in several years, will drive an Offenhauser.

Penn zoomed over the one mile and 550-yard straight-away course in six minutes, 56 seconds to register the second

The baseball league's chief indicated, however, his stand on withholding such information did not apply to major squabbles occurring during games.

Early Wynn Hurls Fifth Shutout, 1-0

By CARL LUNDQUIST
United Press Sports Writer

By almost every yardstick, burlly Early Wynn measured up Saturday as the best pitcher in the American league — perhaps in baseball.

The Cleveland right hander chalked up his fifth shut out in the majors — and his third in a row Friday night, blanking the second place White Sox, 1-0, on six hits as Larry Doby hit a fifth inning homer for the winning margin.

There were these things also to consider about Wynn. He now has an 11-2 mark, best in the American league and surpassed only by Don Newcombe's 13-1 figure for Brooklyn in the National. He beats the good clubs. In his string of shutouts prior to Friday night he scored his third victory of the season last Sunday with a four-hit job against New York.

That marked the third time Wynn had beaten the Yankees, more than any other pitcher. The only club which has beaten him is Boston with two triumphs. He has beaten every club now including Baltimore and Kansas City twice and Boston, Washington, Chicago and Detroit once.

The victory over Kansas City was achieved in a duel with lefty Billy Pierce, who suffered his fifth defeat. It was the sixth straight loss for the White Sox.

Washington Babe Ruth Tourney Finals Slated

Seattle — (U.P.) — The Washington State finals of the Babe Ruth Baseball Tournament will be held at Kirkland July 22-24. George Wise, state director of Babe Ruth baseball, has announced.

Wise said eight teams would participate in the single elimination tourney. Teams will represent the six districts in the state, the host city and a team at large.

Munger Hurls Stars' Win Over Solons

Hollywood — (U.P.) — Bobby Prescott's bases-loaded single in the ninth inning Saturday gave Hollywood a 3 to 2 victory and a 5-0 series lead over Sacramento.

Red Munger pitched all the way in the tight contest to take the win and a 10-5 record. Reliever Milo Candini was the loser. Munger now has a 1.67 earned run average, tops in the league.

Both clubs collected eight hits. The Stars squeezed by the Solons in the bottom of the last frame on a single by Lee Walls, who slammed his 13th homer of the year earlier in the contest, an error, an intentional walk and a bunt, followed by Prescott's single.

TOSSES FOUR-HITTER

San Francisco — (U.P.) — Charley Bishop tossed a neat four-hitter and his San Francisco mates pushed over four unearned runs in the first inning to gain the Padres a 5-1 Pacific Coast League victory over San Francisco Saturday.

The veteran righthander struck out only one and walked three but was given fine outfield support. Padre outfielders made 15 of the 27 putouts. The win gave the league-leading Padres a 3-2 series edge.

One of the four hits off Bishop was a homerun over the left field fence in the sixth inning by Bill Serens, newly purchased from Oakland. It was Serens' ninth homer of the season and his first as a Seal.

An error by Seal Catcher Johnny Ritchey paved the way for San Diego's four runs in the first inning.

DiPietro Of SF Seals Out For Season

By PETER HAYES
United Press Sports Writer

San Francisco's Bob DiPietro, the leading hitter in the Pacific Coast league, is out for the rest of the season with a broken ankle but he will play again, team physician Dr. Dan Delprat said Saturday.

The 28-year-old "hard luck kid" suffered a "compound fracture of the right ankle sliding into third base after slugging a triple off the center field wall in San Francisco Friday night.

The eighth inning accident stunned the 2,402 Seals stadium fans who, until then, had been enjoying a runaway victory over league-leading San Diego. The final score was 16-1.

Slide Too Late

DiPietro's hit — his third of the night — drove in two runs and raised his batting average to .373.

The hustling first baseman appeared to start his slide too late and rammmed the bag full tilt with his right foot. He was carried off the field on a stretcher and taken in an ambulance to St. Luke's hospital where doctors put a cast on his foot.

Charlie Wallgren, Boston Red Sox scout who signed DiPietro to a contract on his graduation from a San Francisco high school in 1947, saw the accident and termed it "a terrible tragedy."

"He was sure to be drafted, if not purchased, by a major league club," Wallgren said. "Deep" had been plagued by injuries ever since he started his pro career. The Red Sox sold him to the Seals last year.

Hardin Is Named Assistant Coach At Naval School

Annapolis — (U.P.) — The appointment of Wayne Hardin, 27, of Porterville, Calif., as assistant football coach at the Naval Academy was announced Saturday by Capt. Elliott Loughlin, director of athletics.

Hardin has been head coach at Porterville Junior college for the past two seasons. His teams won 9 and lost 8.

A graduate of the College of the Pacific, Hardin won more athletic letters than any student in the school's history. He remained for one year as an assistant coach, moved to Ceres High school for two seasons and then was backfield coach at the College of the Pacific in 1952.

His appointment at Annapolis completes the Navy varsity staff for the 1953 season.

Robinson, Castellani Eyed for Bobo Tussle

San Francisco — (U.P.) — Sid Flaherty, manager of world champion Carl (Bobo) Olson, said he will consider the winner of this month's Ray Robinson-Rocky Castellani fight as the next challenger for the middleweight title "if the bout is not a failure."

Flaherty indicated that Gene Fullmer of Salt Lake City would be considered the next challenger in that event.

Countess Fleet Wins Handicap

Inglewood, Calif. — (U.P.) — Countess Fleet stamped herself as one of America's great racing fillies Saturday by picking up top weight of 126 pounds and racing to a new track record for a mile and an eighth as she easily won the \$28,000 Vanity handicap at Hollywood park.

Although in past races Countess Fleet came from slightly off the pace to nab the speed horses, yesterday she ran like her sire, the great Count Fleet, by taking the lead at the start and increasing it until her margin was two and three-quarter lengths at the finish.

Her time for the mile and an eighth was 1:47 3/5, cutting two-fifths of a second off the mark set by Noor in 1950.
