Cigaret Ads To Papers

LOS ANGELES, June 30. —(AP)— Cigarette Manufacturer O. Parker McComas, president of Philip Morris, Inc., says his company is shifting much of its advertising from radio and television to newspapers this year and next.

He told newsmen yesterday that his firm believes more people read newspapers than listen to radio or watch TV.

"Consequently, this year we will more than double our newspaper advertising and I feel certain the results will show our thinking was correct," he said.
