Followers of Medford high school football tortures and other sports fans of the valley joined with the family and close friends in mourning the death on June 30 of six-year-old Mark Spiegelberg, son of Mr. and Mrs. Fred Spiegelberg.

Young Mark, a victim of dreaded leukemia, was an avid supporter of Black Tornado gridiron teams, of which his father was head coach, and he was on the sidelines regularly at Medford high athletic contests.

Those who knew him intimately state that the youngster had a knowledge and ability in sports which far surpassed his years. Hopes were high that he would attain athletic stardom.

Close friends of Mark have said, "Those of us who knew young Mark were constantly amazed by his knowledge of all sports and by his wonderful coordination. His short life was crammed with living, with athletics and his desire to excel in them a constant goal. His death has taken from us an ardent sports fan and a promising future athlete. We feel that he now has reached 'the Big League.'"

**BRILLIANT TEAM**  
All advance indications are that the Washington State Studs are well worth the price of admission and worth the time of baseball fans to turn out and watch. The Seattle-Tacoma contingent, which meets the Medford Cheney Studs here Saturday night and Sunday afternoon, is fast, fields brilliantly and hits very hard, according to the reports from the north. Luther Carr, outfielder, long ball hitter and all around athlete, is regarded as worth the price of admission alone. The 18-year-old Negro, who'll enter University of Washington next fall, is rated as a sure bet for professional stardom.

**3,000 WATCH STUDS**  
Nothing would make the sponsoring Cheney Lumber company happier this week end than a turnout like the one which greeted the Washington Studs over the holiday period at La-Come, Alta., Canada. A crowd of 3,000 fans was on hand when the club downed the Granum White Sox 3 to 2.

**IDENTICAL UNIFORMS**  
Medford and Washington Cheney Studs this season are wearing identical uniforms. To avoid confusion at the fair-

grounds here Saturday and Sunday the Washington aggregation will appear in its last year's grays.

**WRONG LEAGUE?**  
One might think that the Medford Studs are competing in the wrong baseball circuit. In the Southern Oregon League they have only four wins against eight losses. Against Northern California League clubs, so far (in non-league play, of course), Medford has won five and tied one.

**TO LEAVE FOR TOURNEY**  
Mr. and Mrs. Gale Culy, Medford, will leave here on July 13 to roll in the Bowling Endurance Classic at Ogden, Utah. Culy, sponsored by Ross Lumber company, will have his 40-game stint on July 18. Mrs. Culy, under sponsorship of Ross Lumber sales, will have her 10-game turn ahead of her husband on the 17th. Both bowl regularly for their sponsors in regular Medford league play and Culy is employed by the lumber company.

**Speedboater Gains Honors**  
Bill Barnes, Medford collected third place award in D hydro and second spot honors in D service class on July 4 in outdoor motorboat racing of the Rogue River Aqua carnival at Gold Beach. Jerry McGrew also took part in holiday boat racing but lost a fin at Delake and dumped at Salem.

**LOGGERS HAVE UCLA BOYS**  
Three University of California at Los Angeles players were on the squad of the McCloud Loggers baseball club which met the Medford Studs on Wednesday. They were Conrad Munatones and Don Nichols, pitchers, and Bill Meyer, centerfielder.

**DAGE FIRST IN MAIN**  
Whitey Dage, Roseburg, won both the A main and the A trophy dash last Saturday in hardtop races here. Victory was the third in a row for Dage in various trophy races. Bob Christie, Grants Pass veteran driver, was eliminated by a three car pile-up in the sixth lap of Saturday's main. Christie, who was racing a hardtop for the first time, was second in the fourth heat, moving up from eighth position.

**BOWERMAN LAUDED**  
Deke Houlgate, freelance Los Angeles sports columnist, has nominated Bill Bowerman as having done the most outstanding coaching job in intercollegiate track this season, according to Dick Strite, sports editor of the Eugene Register-Guard.

**Legion Clubs Mix Sunday For Mantle**  
The only remaining contenders in the district American Legion junior baseball chase are primed for all out efforts on Sunday.  
Central Point-Medford and Ashland collided at Ashland. The doubleheader, beginning at 1 p.m. will be on the Southern Oregon college diamond.  
If either team sweeps the series, it will take the championship. If the club split, a play-off for the crown will be necessary. It probably would be scheduled for a week from Sunday.  
Rated Toss-Up  
Outcome of the doublebill is rated a toss-up. The clubs are evenly matched. C.P.-Medford squeaked out 4 to 3 and 1 to 0 verdicts to hand the Lithians their only losses so far. Ashland holds four wins over Klamath Falls with who the CP-Meds divided evenly in four games.  
Likely pitchers for Central Point-Medford are Fred Herrman and Duane Sides. Henry Putney could see mound duty.  
Catcher probably will be Laval Meunier. Around the infield the likely players are Dick McLaughlin at first base, Larry Perkins at second, Jim Putney or Lyman Stubbs at third and Gordon Owsley at shortstop. The outfield will be selected from among Eldon Francis, Ed Reinking, Dennis King, Paul Eckel, Ron Pruitt and Stubbs.  
Possible Ashland pitchers are Mark Fitch and Gene Parent with Phil Sword or Jim McAbee doing the catching.

**Oakland Recalls Charlie Beaman**  
Oakland, Calif.—(U.P.)—Charlie Beaman, who didn't know he had a natural sinker ball until Charley Drensen put him wise last spring, returned for another shot with the Oakland Oaks today sporting a gaudy 16-0 mark in Class C California League competition.  
Beaman the Demon left the state league records in tatters and the city of Stockton, Calif., in tears yesterday when the Oaks recalled him after he posted his 16th victory for the Ports there on July 4.  
The average depth of the Indian ocean is 13,002 feet.

## Sports Bulletin

St. Andrews, Scotland—(U.P.)—Peter Thomson, 25-year-old Australian star, won the British Open golf championship today for the second year in a row by shooting final rounds of 70 and 72 for a total of 281 strokes.

## Four Yank Stars Cop Track Events

Stockholm, Sweden—(U.P.)—Josh Culbreath of Morgan State and Hal Connelly of the Boston AA, led a total of four United States stars to victories Thursday in an international track and field meet at Stockholm stadium.  
Jim Lea of the Los Angeles AC and Don Vic of UCLA were the other U.S. stars to win and Ernie Shelton of Southern California placed second in his specialty, the high jump.  
Culbreath defeated Sweden's K. G. Johnson and S. O. Eriksson in the 400-meter hurdles in 52.1 while Connelly won the hammer throw with a toss of 176 feet, 7 inches.  
Lea won the 400-meter race in 47.0 and Vic won the discus with a throw of 154.5 feet. Shelton leaped 6 feet, 5 inches but bowed to European champion Bengt Nilsson's 6 feet, 7 1/2 inches.

## Campanella Out Of All-Star Mix

Brooklyn—(U.P.)—The Brooklyn Dodgers removed all lingering doubt today when they announced that catcher Roy Campanella will not play in the All-Star game at Milwaukee next Tuesday.  
Campanella's knee was examined by doctors Thursday and the physicians said he needed another week of rest. The Dodger catcher said he hoped to be back in action late next week.

## Portland Pinball Battle Continues

PORTLAND—(U.P.)—Latest battle in Portland's war with its pinball machines yesterday resulted in denial of a tavern-keeper's application for an extended dispenser's license.  
The city council voted unanimously against granting the Rolling Wheel Tavern the extended license because a police report said the establishment kept pinball machines operated with keys.  
Commissioner Stanley W. Earl branded the devices a "clear subterfuge" of the city ordinance banning coin-in-the-slot pinballs.  
A circuit court decision is pending on a suit claiming that the ordinance does not ban amusement devices operated without coins.  
The Rolling Wheel sought to extend its dispenser's license to permit dancing on the premises. It had a favorable police report.  
The State Liquor Control Commission usually follows council recommendations in granting or disallowing applications for licenses within cities.

## CAP Squadron Sets Picnic Meeting

The Medford squadron of the Civil Air patrol will meet Monday, July 11, at Tou Velle Park instead of the CAP building at the Medford airport.  
Members will start arriving at the park at about 6:30 p.m. and will play games until dark. Lt. Bette Miller and Cadet Lt. Janice Stevens will tell the group about their trip to Lackland Air Force base in Texas. All members, parents and interested personnel are invited to attend. The local girls met with cadets from other states, Hawaii, Alaska, Puerto Rico, and Guam.  
Members and guests are asked to bring their own weiners and buns.

## Seeded Players Score Net Wins

Portland—(U.P.)—Seeded players continued to hold the spotlight today in the Oregon tennis championships.  
Jack Neer, Portland U. star, defeated Kent Holman 6-0, 6-0 and then won from Tom MacDonald, also of Portland, 6-1, 6-2 yesterday. Neer is fourth-seeded.  
Emery Neale, seeded second, defeated Gilbert Rodrigues of Modesto Junior College 6-1, 6-1. Clyde Knox overcame Robin Hilgeman of San Francisco 7-5, 6-3.  
Franklin Johnson of Los Angeles, who was top-seeded, was idle yesterday.

## Burmese Envoy Plans To 'Clam Up'

Detroit—(U.P.)—Burmese Prime Minister U Nu indicated today he would clam up for the remainder of his tour of the United States because of the controversy caused by his earlier remarks.  
"The more I meet with you, the more I begin to feel it is dangerous to answer questions," the Premier told reporters at a press conference yesterday. "I am sorry to come to this decision."  
U Nu made this comment when reporters tried to get him to talk about his statement in New York that he had drawn the impression from talks in Washington that "most of the responsible people are not against the admission of Peiping to the United Nations."  
Sen. Styles Bridges (R-N.Y.) quickly demanded the names of the "responsible officials" who gave U Nu this impression.  
Senate Republican Leader William F. Knowland called the Prime Minister's statement "rather unfortunate."  
In a "clarifying" statement released in Detroit yesterday, U Nu said "the question of admitting Red China to the UN did not come up as an item of discussion during my stay in Washington."  
The Prime Minister said he had merely derived his impression from "general talks on the matter of easing tensions between the United States and China."

## Cotton Acreage Under Last Year

Washington—(U.P.)—The Agriculture Department today reported farmers had 17,096,000 acres of cotton in cultivation July 1. This was 14 per cent less than last year.  
The department is forbidden by law to make a cotton production estimate until August. But if yields averaged 300 pounds per acre, farmers would harvest a 10,257,000 bale crop this year on that acreage.  
The following are estimated July 1 acreage: Arizona 355,000; California 758,000.  
Texas had 16,000 acres of American-Egyptian cotton in cultivation on July 1; New Mexico 8300; Arizona 19,000 and California 300.

## Red Chinese Troops Said Sent to Russia

Taipei, Formosa—(U.P.)—The Tataro news agency reported today that Red Chinese troops are being sent to Russian territory for the first time.  
The ministry of the interior organ, said one full division of Chinese Communist troops have been deployed to Vladivostok from Changchun, Manchuria last month. It gave no explanation for the move.

## Funeral Monday For Dan Morgan

New York—(U.P.)—Strange was the silence today as friends passed by the casket of Daniel Francis (Dumb Dan) Morgan, probably the most talkative man in ring history and the first one to make a "profession" of managing fighters.  
Morgan, the first pilot to open an office devoted exclusively to the handling of boxers, died at 82 Thursday in his sleep. He will be "on view" for his friends at the James R. Sheehy Funeral parlors until Monday, when services will be held at the Church of Incarnation.  
Old Dan's three champions were Jack Britton, welterweight; Battling Levinsky, light heavyweight, and Al McCoy, middleweight.

## Central Point City Council Protests Speed Limit Hike

Central Point—The Central Point city council this week opposed a proposed increase to 40 miles an hour for the speed limit along Highway 99 through the city. The present limit is 25 miles an hour.  
The council directed the city recorder to notify the state speed control board of the council's action. Councilmen suggested the speed limit be set at 35 miles an hour.  
Councilmen noted that most drivers exceed the present limit, and if a 40 mph limit was installed, drivers probably would travel between 45 and 50 miles an hour through the highway business section.

club. The club rejected an offer of \$1,000 for the property, and submitted a counter-proposal of \$600 for all but a small piece of property on which the present clubhouse stands. The council authorized the park committee to study the proposal.  
The purchase of a portable radio was authorized for the police department at a cost of \$462. The radio-phon will be used by Chief Oran Chastain to contact night patrolman when he receives calls at night after the city hall has closed.

## Announcing . . .

# The Launching of ROSSCO the First

On July tenth, the Olson Ross Lumber Co., will launch the Flagship of their fleet, Roscco the First, at their mill pond at 10 a.m. Roscco The First was built in our own shops and the following men participated.

**W. C. Burt, Financial Angel.**  
**Cecil Carter, Engineer.**  
**Larry Corneil, First Assistant Engineer.**  
**Clarence Debrick, Second Assistant Engineer.**  
**Eddie Kliever, Consulting Engineer.**  
**Aubrey Taylor, Welder.**

Mr. Eddie Kliever will act as Master of Ceremonies and supplier of champagne. Mrs. Thelma Carter will break the traditional bottle of champagne on Roscco's hull. Mr. Kliever has courageously volunteered to empty the champagne bottle so there will be no danger of any champagne splashing on Mrs. Carter's costume. Mildred Spanhorst will act as flower girl, and in case there has been an engineering error and Roscco sinks, she will strew flowers over the surface of the water to mark the spot, and each year on the anniversary of this event we will again gather here to commemorate the sinking of Roscco the First, and the severance of Mr. Carter's connection with this Company, as both events will no doubt take place simultaneously.

### The Affair Will Be Informal—Everyone Is Cordially Invited!!

**Advertising helped make the difference**

FOLKS USED TO BUY refrigeration in fifty pound pieces. Frozen foods were unheard of . . . ice cubes an impossibility . . . and that drip pan under the ice box always seemed to be overflowing. Today, a silent, white-enameled ice man stands in millions of kitchens.

But to mass produce millions of refrigerators, manufacturers must be able to sell them by the millions. Only by advertising can a manufacturer talk to millions of people at one time.

ADVERTISING TELLS the story of new refrigerators . . . and helps sell them. The more it sells, the more must be made — keeping the production lines and the jobs going. The result: newer, better appliances at prices more people can afford to pay. Advertising helped make the difference — in refrigerators, and in our American way of life.
