The Praja-Socialist Party plot, designed to create disturbance and confusion, was revealed by a member of the party's executive committee. Raja Ram Shastri.

Party members were urged to hit Nehru in the face with a cat or pigeon and remove bodily from his parliamentary seat Home Minister Pandit Govind Ballabh Pant.

Companies Blamed In Copper Walkout

Denver—(U.P.)—The Mine, Mill and Smelter Workers Union, on strike against three major copper producers for wage increases, charged last night that the companies provoked the walkout a week ago to create further shortages in non-ferrous metals.

The strike affects 30,000 mine-

mill workers at Kennecott, Phelps-Dodge and American Smelting and refining plants in western states. The union is demanding a 20-cent hourly wage hike and other benefits. The best offer from any of the producers so far has been 12 and one-half cents an hour. There have been no negotiations since Tuesday.
