Your Place in the Sun

A Kansan who says she is 54 asks for advice on sun bathing and how to get a good tan in the summer—if tan is beneficial to health.

The query will probably scandalize the New England lady who wrote regarding a statement in this column May 6th:

"Your piece on nudity was the most abominable thing I've ever known you to get off... If Benjamin Franklin had any

such ideas (I said Franklin used to sit nude at his writing for an hour or so before breakfast) "or did such a thing as you say he must have had the grace to be ashamed of it, for I have his autobiography and he never once mentions any such thing and I think it is so bad to besmirch the name of so fine a man... you ought to be ashamed... it certainly sets you down as a..."

A San Francisco columnist commented brightly on The 7 Keys to Vite (No. 16 Little Lesson, for which send 25c and stamp, self-addressed envelope—though the San Francisco man didn't procure his copy that way), demolished three of the seven keys in less time than it takes to tell what they are, thus:

Temperance—"one man's opinion."

Belly Breathing—"if we were intended to breathe with our stomachs why did we get lungs?"

Nudity—"you take off your clothes and walk around in mixed company. That's what I thought nudity was. Also nudism."

If the San Francisco comic and the New England lady will consult Webster some time when nobody's looking they'll learn that nudism means nakedness and nudism is a cult. And further research in a textbook of anatomy or physiology, if this is not too

Phoenix Church Board To Meet New Pastor

Phoenix — A meeting of the board of trustees of the Phoenix Presbyterian church is set for Thursday, July 14, at 7:30 p.m., in the church. This will be the first meeting of the board since the new pastor, Ernest Volkman, arrived.

Ways and means of repairing interior of the church will be discussed.

A meeting of the Sunday school teachers and officers was held last Thursday when main business of the session concerned means of financing a delegate for a leadership school to be held next month in Portland. Recently Mrs. Al Morin entertained at an afternoon tea with proceeds given to the fund for this purpose. Hostesses for a coffee hour next Sunday after church service will be Mrs. Roscoe Owens and Mrs. Claude Hutton.

Zellerbach Sued for Separate Maintenance

San Francisco — (U.P.) — Mrs. Judith Zellerbach sued her husband, James Zellerbach Jr., heir to a paper fortune, for separate maintenance yesterday.

Mrs. Zellerbach, the former Judith Hanlin Thurston, charged her husband with extreme cruelty. She said he walked out of their Atherton home on Dec. 20 and never returned.

The Zellerbachs were married in 1948. It was the second marriage for each. They have two adopted children, Judith Ann, 4, and Paul Edwin, 19 months.

Mrs. Zellerbach asked for the community property, an allowance of \$750 a month for herself and \$250 a month for the children, plus \$10,000 in fees for attorney J. W. Ehrlich. A show-cause hearing will be held July 21.

U.S. AIR FORCE SALUTES Civilian Skywatch

General Nathan F. Twining, chief of staff of the U.S. Air Force, today paid tribute to the 350,000 citizens—volunteers in the Ground Observer Corps.

"We of the Air Force," he said, "salute these patriotic citizens who have given so unselfishly of their time in this vital cause. We all owe to the volunteers of the Ground Observer Corps a continuing debt of gratitude. I ask that all Americans join me in paying honor to them on this, the third anniversary of 'Operation Skywatch,' and ask that those who can arrange their time to lend active support, do so. One million volunteers are urgently needed."

abdominal, would reveal that the stomach is an organ in the abdomen and the belly is the front wall of the abdomen.

A few readers may recall a dozen pieces in this column in 1937-38 about Odd House, a project disrupted by the threat of World War II. We were eliminating door knobs, faucet handles and the like when we were so rudely interrupted. This San Francisco commentator says mine "seems like a mighty odd household. People running around bare, somersaulting and breathing with their stomachs."

To the best of my knowledge only one member of this household actually does these silly things and he does 'em in pri-

vacy, except now and then when he shows some poor old stiff how to roll.

Maybe you erudite laymen, who (think you) know more than I do about hygiene, health, physiology, pathology and therapeutics, agree with the commentator that these and the other four keys to vite are unworthy of serious consideration. To me they are—well, the only medicine I'm willing to take. If proper care of the teeth, temperance, natural breathing, sun or air bathing, daily exercise and a basic health diet seem silly to you, let me say that the aspirin, acetanilide, barbiturate, benzedrine or alcohol which so many misguided persons use on one pretext or another doesn't seem silly—to me

it seems dangerous.

QUESTIONS & ANSWERS
Not a Medical Column
Aside from the humor and the practical health instruction one gets from your column, it points up prevention rather than cure... (R. C. M.)
Answer—The way of health and prophylaxis should be discussed in a family newspaper. But the symptoms of disease and new remedies which are still on trial should not be discussed in a family newspaper.

Papa lives with us. He has used snuff for many years. He inhales I don't use enough salt, pepper and spice, but we think his taste for such things has been dulled, for we like things well seasoned too, but when things are just right for us papa douses on additional... (H. T. A.)
Answer—Snuff using does dull the taste buds. Then, too, many crapsulous persons cultivate the habit of covering the taste of food with excessive quantities of salt, pepper, and various other condiments. Papa sounds somewhat grumpy. Has he a hobby?
